

## Public Health Performance Report Dashboard

Programme	Target	Achieved	RAG
<b>1 Smoking Quits</b>			
Nos of people successfully quitting: Annual Target			
Nos of people successfully quitting: Progress against Q3 Target	5,863	5,254	R
<i>Service delivered by Kent Community Healthcare NHS Trust, target agreed with Public Health and relates to people who have set a quit date and successfully quit at the four week follow up</i>			
Q3 2012-2013 to date			
<i>Service runs across the financial year, data runs 10 weeks in arrears</i>			
<b>2 Health Checks</b>			
Number of Invites for Health Checks	68,431	48,700	R
Number of Health Checks completed		20,276	A
<i>Service delivered by numerous providers, with GP practices being the fundamental building block of the programme. The programme is a five year rolling programme for 40 to 74 year old people who are invited for a vascular health check once every five years, except if they are already on a vascular disease register</i>			
Q3 Submission			
<i>Service runs across the financial year, data runs six weeks in arrears</i>			
<b>3 Sexual Health</b>			
GUM Access	95%	97%	G
Chlamydia Screening Uptake rate	35%	20%	A
Chlamydia Screening Positivity	7%	7%	G
<i>Access to Genito-Urinary Medicine is an important element in reducing the rise in the incidence and prevalence of sexually transmitted disease; the target is 95% of patients offered an appointment to be seen within 48 hours. Chlamydia screening is an opportunistic screening programme targeting sexually active people aged between 15 and 24 years. Emphasis of the programme has been on Uptake rate with a national target of 35% of the eligible population. Emphasis in future years is to be based on positivity ensuring individuals at risk are screened.</i>			
progress for Q3 2012/2013			
<i>Service runs across the financial year, data runs 8 weeks in arrears</i>			
<b>4 National Childhood Measurement Programme</b>			
Measurement Reception Year	85%	94%	G
Measurement Year 6	85%	95%	G
<i>The National Child Measurement Programme (NCMP) is an annual programme to measure the height and weight of all children in Reception and Year 6. The aim of the programme is to provide the national statistics on obesity within the two cohorts with a target of measuring at least 85% of eligible children, and to provide direct feedback to parents on their children's healthy weight</i>			
2011 to 2012 outturn			
<i>The service runs over the academic year, with the service uploading to a national data repository</i>			
<b>5 Healthy Schools*</b>			
Achievement of Healthy School Status	98%	97%	A
Engagement in the enhancement model	40%	55%	G
<i>Healthy Schools* is undergoing review with the service currently to look at a future model of delivery which supports reduction in teenage conceptions, reduces young people's smoking and substance misuse prevalence, reduction of unhealthy weight together with emotional health and wellbeing</i>			
to Q3 2012/13			
<i>The service runs over the academic year.</i>			
<b>6 Breast Feeding Initiation</b>			
coverage rates (the percentage of ascertainties of breast feeding status)	95%	96%	G
6-8 week breastfeeding rates (prevalence)	46%	42%	A
<i>Breastfeeding newborn babies is evidenced to improve long term outcomes, for both mother and baby; this target measures both the ascertainment of breastfeeding status and the prevalence of initiation and maintenance of breastfeeding for 6-8 weeks. The 6-8 week target is relatively new and has required detailed work with midwives, health visitors and GP practices to ensure robust reporting</i>			
Q3 2012-2013			
<i>The service runs over the financial year, data runs two months in arrears</i>			
<b>7 Health Trainers</b>			
Number of new contacts	1,875	2,728	G
<i>The Health Trainers Programme is commissioned to help people in our most deprived communities to develop healthier behaviour and lifestyles. HTs offer practical support to change individual's behaviour to achieve their own choices and goals. This involve encouraging people to: stop smoking, participate in increased physical activity eat more healthily, drink sensibly and/or practice safe sex. The service not only seeks new clients, but ensures existing clients have personalised written care plans and, where appropriate, are signposted to other services.</i>			
to Q3 2012-2013			
<i>Service runs across the financial year, data runs 6 weeks in arrears</i>
