

By: Meradin Peachey, Kent Director of Public Health

To: Health and Wellbeing Board – 27 March 2013

Subject: Kent Public Health Commissioning Intentions 2013 to 2014

Summary: The Health and Wellbeing Board is asked to note the report.

1. Introduction

The attached paper sets out:

- The background for Kent County Council and the commissioning of Public Health programmes.
- The programmes that Kent County Council are responsible for from 1st April 2013.
- The principle that has been adopted is rolling forward existing contracts.
- The decisions that have already been made in terms of taking forward Sexual Health services in the north of the county, and NHS Health Checks.
- Highlights the public health programme areas which we have identified as priorities for early review.

2. Recommendation

The Health and Wellbeing board is asked to note the report.
