## GENERAL INFORMATION FOR APPLICANTS

We have written these guidance notes to help you with your application. Please read them before you fill in the application form.

### **Community Grant Schemes**

In the coming financial year, there will be up to three community grant schemes available via each Dover District Neighbourhood Forum (Dover Town, Dover North, Dover West, Sandwich Area and Deal & Walmer) which are run jointly by Kent County Council (KCC) and Dover District Council (DDC). These are:

#### **1. Small Community Capital Projects (SCCP) Grant (KCC and DDC)**

- KCC and DDC have allocated funding to the Dover District Neighbourhood Forums to award grants for small capital projects.
- The SCCP grant scheme is for local projects involving capital costs, such as those involved with the purchase, creation or significant renovation of capital assets.
- This scheme cannot pay for any running costs associated with your project.

#### **2. Member Community Grant (MCG) (KCC)**

- Each KCC Member has a total of £10,000 to allocate to projects within the Dover District area that provides community benefit.

#### **3. Local Schemes Grant (LSG) (KCC)**

- The Local Schemes Grant is to support revenue or minor capital projects.

All applications to the SCCP fund (No.1 above) will go through to a 'You Decide' event where the local community will recommend which projects receive funding. In addition each KCC member has the **option** to add some of their MCG (No. 2 above) and LSG (No.3 above) to the 'You Decide' pot of funding which will not only increase the amount of funding available at the events but will also mean some revenue projects can be funded through the 'You Decide' scheme.

**It will depend on the area in which your project exists as to what type of funding is available:**

Neighbourhood Forum	Areas covered	Funding Available via You Decide Event
Deal & Walmer	Middle Deal, Mill Hill, North Deal and Walmer.	SCCP only (capital projects only)
Dover North	Aylesham, Eythorne, Great Mongeham, Nonington, Northbourne, Ringwould and Kingsdown, Ripple, St Margaret's at Cliffe, Sutton and Tilmanstone.	SCCP/MCG/LSG (capital and revenue projects)
Dover Town	Buckland, Castle, Maxton, Elms Vale and Priory, St. Radigunds, Town and Pier, Tower Hamlets	SCCP only (capital projects only)
Dover West	Alkham, Capel-le-Ferne, Denton with Wootton, Hougham Without, Lydden,	SCCP only (capital projects only)

	Shepherdswell with Coldred, River, Temple Ewell and Whitfield	
Sandwich	Ash, Eastry, Goodnestone, Preston, Sandwich, Sholden, Staple, Stourmouth, Wingham and Worth.	SCCP only (capital projects only)

KCC administers the “You Decide” Grant Fund for the Dover District Neighbourhood Forums.

**If you are in an area where only capital projects will be eligible for the ‘You Decide’ fund and you have a revenue project please contact your KCC Community Engagement Officer (contact details are on the cover page) for alternative sources of funding.**

## ‘You Decide’

After the success of the ‘You Decide’ events held in 2012, Kent County Council and Dover District Council have agreed to continue using participatory budgeting to allocate the funding available through the Dover District Neighbourhood Forums in 2013-14.

### **What is Participatory Budgeting?**

Participatory Budgeting (PB) directly involves local people recommending how a particular pot of money will be spent, with the aim of increasing transparency, accountability, understanding and social inclusion in local government affairs.

PB means engaging residents, community groups and representatives of all parts of the community to discuss and vote on grant applications and making final recommendations on how money is spent on local projects in their own area.

Please note: as this is public spend all recommendations will still need to be approved by both KCC and DDC Cabinets.

### **How will this work?**

All applications will be decided by the local community at public “You Decide” events being held in October and November 2013.

If you are making an application to this fund you will need to be available on the “You Decide” community event date for the forum you will be applying to. If you or a member of your organisation is unable to attend the event I am afraid that we will not be able to accept your application.

At the ‘You Decide’ community events, applicants will be asked to showcase their project to the public in the form of a display stand. The display should explain what the project is, the reason for your bid, what the project aims to achieve, costs involved and the community benefit. Up to a maximum of 3 representatives should be available to answer any questions on a one to one basis.

**A table will be provided for your display as well as a standard banner detailing the name of your organisation, name of your project and the amount of funding you are bidding for.**

Members of the community will then vote on the bids, results will be announced at the event and those with the highest score will be recommended to both DDC and KCC Cabinets to receive funding.

### **Who can apply?**

We welcome applications from all types of organisations and groups. We do, however, insist that the application comes from an organisation or group, which has a constitution or formal rules, allowing them to apply for grant funding. Eligibility criteria states that a current bank account is in place for the organisation.

We will consider applications from religious groups, but your application must show that the project will bring wider community benefit as well as to the immediate faith group.

We do not accept applications from individuals (for example, for personal sponsorship), party political groups or donations towards general appeals.

‘You Decide’ grants allocated are one-off. There is no ongoing support implied or made through awarding any organisation a grant. Kent County Council / Dover District Council will not be liable for any ongoing costs that the project may incur for Revenue and/or Capital.

### **What can I apply for?**

<sup>1</sup> <http://democracy.kent.gov.uk/ieListMeetings.aspx?CId=644&Year=2010>

- Examples of capital costs – in general terms any expenditure that leads to the acquisition of a fixed asset (land; buildings; plant; machinery; equipment; vehicles etc) or increases the life or market value of a fixed asset.
- Examples of revenue costs – all other expenditure, normally considered to be day-to-day running expenses of an organisation.

### Important Information about your application

- When you apply, it is important that you describe the community benefit your project will bring. **The benefit must be for local communities in the Dover District.**
- **All grants from this fund are one-off and for one year only.** If your project will continue over a longer period, you will need to show in your application that you have plans to cover future costs.
- We do not fund projects, which have already been completed or costs you have already incurred before making your application. Your project must be committed to a start date by the end of the current financial year (end of March 2014).
- These funds must not be used to replace any other funding you currently get, or may have been getting from KCC/DDC.
- Any grant you receive will be specifically for the project described in your application. It must not be used for any other purpose. We will not pay supplementary funding if your costs rise after you submit your application, or if you later find that you did not assess them properly.
- It is also important that you let us know if you are applying to any other part of Kent County Council or Dover District Council, or to any of the Town & Parish Councils, for a grant for the same project or part of it.
- If your project will need planning permission, we strongly recommend that you obtain this before you apply for this grant.
- You can apply for a grant up to a maximum of **£2,500 per project**. This is **in total**, not per Forum area or 'You Decide' event. There is no minimum amount but we would prefer not to receive requests for less than £500, due to processing costs.
- Please bid for the exact amount you require to complete your project as, if successful, you are likely to be awarded the amount in full and we will require evidence of spend. Please note you may not receive the full amount if you are the final recommended project. If this is the case you will be awarded any remaining money in the 'You Decide' pot.
- Every year, we receive many grant applications for projects where the planned start date is unclear. The financial year runs from April to the following March. When you send in your application, it must show that by, or before, 31<sup>st</sup> March 2014 your project will be able to commit to a definite start date. If your project cannot do this, you should make your application in the next financial year.

### **Monitoring**

KCC administers the "You Decide" Grant Fund for the Dover District Neighbourhood Forums.

---

<sup>2</sup> <http://democracy.kent.gov.uk/ieListMeetings.aspx?CId=644&Year=2010>

If you receive a grant, we will require you to complete and return a report to your local KCC Community Engagement Officer when you have spent the grant money. A monitoring form will be sent out to you within a few months of the grant being paid. The completed report will need to show how you have spent the grant and how it has achieved its purpose.

If for any reason your project fails or cannot proceed after we have paid you a grant, you must tell your local KCC Community Engagement Officer immediately. If this happens, we will expect you to repay the grant in full, unless we agree that it looks as if the delay will only be for a short period.

Kent County Council reserves the right to withdraw or reclaim funding from you if you change the nature of the project, its aims or beneficiary groups, or its timescale for completion significantly from the details in your application.

An authorised representative from Kent County Council may visit from time to time to check project progress, and upon completion of the project. We will make this a condition of the grant.

### **Publicity for Your Project**

Kent County Council or Dover District Council will want to work with you on any publicity about the sources of funding for your project. As a condition of the grant, KCC and DDC would expect to publicise your project in the local media. Your local KCC and/or DDC Community Engagement Officers will discuss this with you if your project receives a grant.

### **Legal Requirements**

If we award your project a grant, you must make sure you and all of your agents follow relevant Health and Safety legislation when you/they carry out the work. You must of course, take into account national legislation on equal opportunities, disability, access, safeguarding children and vulnerable adults etc.

If your project involves land or buildings, you must own, or have secure tenure of, any land or property involved in your project. You must also have proper authority to carry out the project there.

If your project requires planning permission, you will be entirely responsible for obtaining this. We will normally expect that you obtain this before making your grant application. If you do not, and planning permission is subsequently refused so that your project cannot then go ahead, you must tell the KCC Community Engagement Officer immediately and repay the grant in full if we have already paid it to you.
