

Nigel Collor

Conservative Member for Dover Town Division

A year at County Hall. Serving Kent. Serving You.

Kent County Council has 84 Members representing every part of the County. Nigel has been serving the community of Dover Town as a Member since 2009.

He was last elected in 2009 and, like all KCC Members, serves for a four year term of office. The next KCC elections take place on 2 May 2013.

About Nigel

Nigel was first elected to the County Council in May 2009 having been a Dover District Councillor since 2000. Nigel is currently the Cabinet Member at Dover District Council for Access and Property Management.

One of Nigel's biggest successes in this time is lobbying and successfully achieving extending the high speed rail service into Dover Priory Station.

Since joining the County Council as an elected Member Nigel has served on Policy Overview Scrutiny Committees relating to Adult Social Care Education, Health, Economic Development and Environment Highways and Waste.

Nigel is currently Vice Chairman of the Economic Development Cabinet Committee and the Environment

Highways and Waste Cabinet Committee.

As can be seen elsewhere Nigel has used funding available to him to support local organisations and events as well as improvements to local footpaths and roads.

Work at County Hall

Attending meetings isn't all councillors do, in fact most of their time is spent out and about meeting people in their community, doing their best to help solve problems and finding out what matters most to them. However, when decisions are taken by the council, their job is to be there and put across the views of their constituents.

Nigel has attended 7 out of 8 meetings of the Full Council.

If you want to suggest a local group which could benefit from the Member's Community Grant then you'll find your local Councillor's contact details on the front page.

Member's Highway Fund

KCC recognises that local Members are well placed to decide which small transport and highways schemes would be most useful to their communities. That's why each Member is allocated £25,000 to spend on local schemes. It's called the Members Highway Fund and here's how it was spent last year...

Contribution towards resurfacing of Castle Street, Dover - £15,520
Installation of single bollard in footway outside No.61 Maison Dieu Road - £300
Funding of Road Safety event held in Dover town centre - £1,500
Salt bins in Mount Road, Manor Rise, St Davids Ave and St Martins Close, Dover - £1,860
Resurfacing of Harold Passage, Dover - £2,520
Re-pointing of loose cobbled areas in Dover - £3,300

My achievements this year, and ambitions for next year

During the 2011-2012 year I have tried to get as much as possible into the Dover area, mainly using grant funding, which is allocated to all KCC Members – details as above.

I have tried to ensure that the residents of the Dover Town area will benefit from the schemes I have supported.

It is important that Dover receives its share of the funds available, so I have worked hard opening doors that have only been ajar previously.

Next year I will be working towards a successful day, when the Olympic Flame is carried through Dover and will continue to support other events in the town.

It is imperative that Dover moves forward – the time to act is *now* and I will do this for you. It is a long road, not an easy one, but I will be on it on your behalf.

I am here to help you!

Allowances

Each Member of KCC receives a basic allowance (salary) to compensate them for the time spent on their duties and to meet many of the day-to-day expenses of being a Councillor.

Some Members also receive a Special Responsibility Allowance (SRA) when they take on extra duties such as serving as a member of the Cabinet, Leader of the Opposition or Chairman of a committee.

County Councillors can only claim the usual expenses that most businesses would pay for.

These are for actual costs for example reimbursement for fuel and travel which they have incurred whilst carrying out their duties as County Councillor.
