### DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2013

---

The directors present their report and the financial statements for the year ended 31 March 2013.

#### DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### PRINCIPAL ACTIVITIES AND REVIEW OF BUSINESS

The principal activities in the year continued to provide waste, community services and equipment, and facility management services.

#### RESULTS

The profit for the year, after taxation, amounted to £266,707 (2012 - £213,270).

#### DIRECTORS

The directors who served during the year were:

FOR THE YEAR ENDED 31 MARCH 2013**

**BUSINESS REVIEW**

The directors note that the company traded at a satisfactory level during the 2012-13 year.

Trade levels continued to be satisfactory and for those continuing activities a similar performance is expected for 2013-14. From April the company will add to its trading activities by carrying out business previously traded by other group companies. This will increase the turnover and profitability of the company.

On 29 August 2012 the company changed its name by special resolution to Commercial Services Trading Limited.

**FUTURE DEVELOPMENTS**

Following a review of the group by Kent County Council, the ultimate parent entity, from April 1st the company will add a broader base to its existing business streams and this trading will add to the turnover and profitability of the Company. The additional businesses were previously carried out by other trading entities in the wider group and have been transferred to promote and sustain further growth.

The company acquired a long leasehold building during the year, which was opened for business in May 2013. The share capital of the company has been increased at the end of the year to provide funds for the relocation of the business, and working capital for the expanded business.

**PRINCIPAL RISKS AND UNCERTAINTIES**

The management of the business and execution of the company's strategy are subject to the current economic uncertainty.

**PROVISION OF INFORMATION TO AUDITORS**

Each of the persons who are directors at the time when this directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditors in connection with preparing their report and to establish that the company's auditors are aware of that information.

This report was approved by the board on *14<sup>th</sup> October 2013* and signed on its behalf.
