Introduction / Background

Each year, Kent County Council is required to determine its admissions arrangements. They must include:

- The over-subscription criteria / arrangements for entry to those schools for whom Kent County Council is the admission authority (Community and Voluntary Controlled schools).
- The Published Admission Number for those schools
- Relevant Consultation areas

At the time of going to print, arrangements for the schools listed at the back of this paper identifying the Published Admissions Numbers are those schools for which Kent County Council is the admissions authority. Some schools will be in the process of becoming academies. Where this is the case arrangements determined through this consultation will transfer to the academy and if it then chooses to amend admissions arrangements in the future it will be through its own consultation on changes for future admissions years.

Proposed Oversubscription Criteria for Community and Voluntary Controlled Secondary Schools

Following the Schools Adjudicator's decision in 2007 that Dover Grammar School for Boys will continue to use a dual testing arrangement to determine eligibility for admission (the "Dover test" as well as Kent's PESE), provision was made for the same arrangements to apply to the Dover Grammar School for Girls at the time – consequently in 2015 Dover Grammar School for Girls will continue to include in its oversubscription criteria that: "Entry is through the Kent age 11 assessment procedure or the Dover test."

Oversubscription criteria for Community and Voluntary controlled secondary schools will be applied in the following order:

Children in Local Authority Care or Previously in Local Authority Care – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who ceased to be so because they became subject to an adoption, residence or special guardianship order under Part IV of the Act.

Current Family Association - a brother or sister attending the school when the child starts. In this context brother or sister means children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

Health and Special Access Reasons - Medical / Health and Special Access Reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians', physical or

mental health or social need means there is a demonstrable and significant need for their child to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

Nearness of children's homes to school – The distance between the child's permanent home address and the school is measured in a straight line using Ordnance Survey address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by Ordnance Survey. The same address point on the school site is used for everybody. When we apply the distance criterion for an oversubscribed Community or Voluntary Controlled school, these straight line measurements are used to determine how close each applicant's address is to the school.

In the event of any of the above criteria being oversubscribed, priority will be given based on distance as described above with those closest being given higher priority. In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

If siblings from multiple births (twins, triplets, etc) apply for a school and the school would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the LA will offer a place to each of the siblings, even if doing so takes the school above its PAN.

Proposed Oversubscription criteria for Tunbridge Wells Grammar School for Boys will be applied in the following priority order:

Entry to the school is through the Kent Assessment Procedure

Children in Local Authority Care or Previously in Local Authority Care – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who ceased to be so because they became subject to an adoption, residence or special guardianship order under Part IV of the Act.

Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

Children who live within a 3 mile radius of the school Children will be ranked according to the distance from their home to the Tunbridge Wells Grammar school for Boys with those living closest being ranked highest. The distance is measured between the child's permanent address and the school in a straight line using Ordnance Survey address point data. Distances are measured from a point within the child's home to a similarly defined point within the school as specified by Ordnance Survey.

Children who live in the named parishes below – Children will be ranked according to the distance from their home to the Tunbridge Wells Grammar School for Boys with those living closest being ranked highest. The distance is measured between the child's permanent address and the school in a straight line using Ordnance Survey address point data. Distances are measured from a point within the child's home to a similarly defined point within the school as specified by Ordnance Survey.

***Proposed Oversubscription criteria for The North School will be applied in the following priority order:

Children in Local Authority Care or Previously in Local Authority Care – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who ceased to be so because they became subject to an adoption, residence or special guardianship order under Part IV of the Act.

Current Family Association - a brother or sister attending the school when the child starts. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians', physical or mental health or social need means there is a demonstrable and significant need for their child to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

Children who live nearer to The North School than any other maintained non selective secondary school or academy – Children will be ranked according to the distance from their home to the North School with those living closest being ranked highest. The distance is measured between the child's permanent address and the school in a straight line using Ordnance Survey address point data. Distances are measured from a point within the child's home to a similarly defined point within the school as specified by Ordnance Survey.

Children who live nearer to any other maintained non selective secondary school or academy than The North School – Children for whom the North School is not their nearest non selective secondary school or academy will be ranked according to the distance from their home to the North School with those living closest being ranked highest. The distance is measured between the child's permanent address and the school in a straight line using Ordnance Survey address point data. Distances are measured from a point within the child's home to a similarly defined point within the school as specified by Ordnance Survey.

In the event of any of the above criteria being oversubscribed, priority will be given based on distance as described above with those closest being given higher priority. In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

*** Note that at time of Kent County Council's consultation The North School is awaiting an academy order and may therefore change status and indeed consult on alternative admissions arrangements for 2015 (through a seperate consultation).

Appendix D (3)

Proposed Statutory Consultation Area for Kent Secondary schools

The LA is required to define "relevant areas" within which the admissions authorities of all maintained schools must conduct their statutory consultation. Admission authorities for all maintained secondary schools within the relevant area must consult the admission authorities for all maintained primary, middle and secondary schools in the area. An academy must consult in the way that other admission authorities do, but cannot alter its admission arrangements without the approval of the Secretary of State. Consultations must take place at least every seven years and in any year that changes are proposed.

The relevant statutory consultation areas continue to be the designated districts and adjoining parishes detailed overleaf:

Dover District plus Folkestone, Hawkinge, Swingfield, Elham, Barham, Adisham Wickhambreaux, Chislet, Monkton, Minster, Ramsgate.
