

Kent County Council Redesign of Community Warden Service

Interim findings of Public Consultation

Prepared by Lake Market Research

21st November 2014

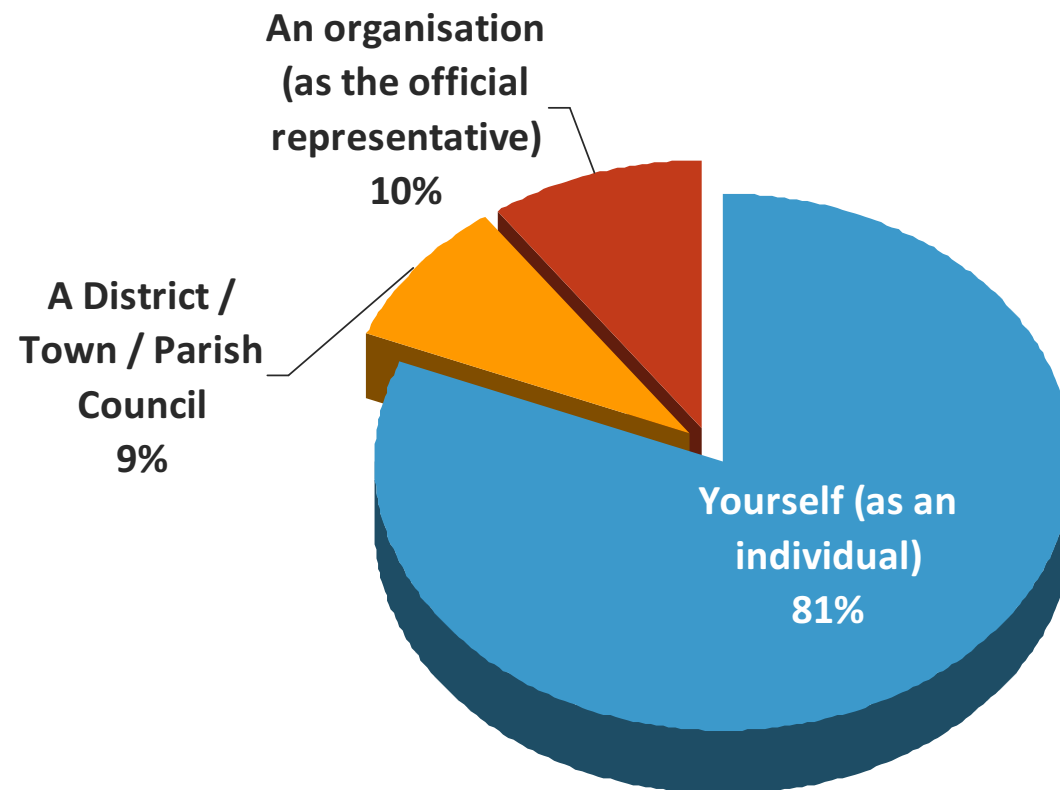

*This report complies with ISO:20252 standards
and other relevant forms of conduct*

Research Background & Methodology

- Kent County Council's Community Safety Service launched a public consultation on the re-design of the Community Warden Service on the 29th September.
- Consultees were invited to submit their views on the proposals via each of the following channels:
 - An online questionnaire featured on the kent.gov website
 - In paper form via the community wardens themselves.
- The consultation period ran for a period of 6 weeks from 29th September to 9th November 2014.
- The consultation questionnaire was designed by Kent County Council and featured a number of open ended questions. These questions have been reviewed and coded into themes to provide quantitative analysis alongside qualitative comments.

1,184 responses have been recorded across individuals, Councils and organisations.
