

# KENT COUNTY COUNCIL – RECORD OF DECISION

**DECISION TO BE TAKEN BY:**

Matthew Balfour, Cabinet Member - Environment and Transport

**DECISION NO:**

15/00029

For publication or exempt – please state

**Subject: Commons Act 2006 Charging Policy**

**Decision:**

As Cabinet Member for Environment and Transport I agree to the introduction of a charging regime as detailed at Appendix A for fees in respect of applications made under the Commons Act 2006 following endorsement / recommendation by the Cabinet Committee.

**Reason(s) for decision:** The charging regime will operate County wide, therefore requiring an executive side decision. It is necessary to introduce a charging regime to enable the applications to the benefit of landowners to be delivered in a cost neutral way by the County Council.

**Cabinet Committee recommendations and other consultation:**

The Environment & Transport Cabinet committee considered the proposal decision at its meeting on 9 April 2015 and resolved to endorse it.

**Any alternatives considered:** Not to introduce a charging schedule for Commons Act 2006 applications.

**Any interest declared when the decision was taken and any dispensation granted by the Proper Officer:**
