

CABINET SCRUTINY COMMITTEE – 23 APRIL 2008

Issue:	Proposed Disposal of Land Fronting the A20 at Allington
Background Information:	This is a surplus non-operational site which has been identified for disposal via the Property Enterprise Fund. The site has not yet been marketed, but the intention is to do so once the planning prospect for the site is established. Any subsequent recommendation to dispose will be processed under the provisions of the Property Management Protocol, the Director of Property is very mindful of the current church and community use on the site. (See plan attached).
Purpose of Consideration:	To explore in further detail the background to this proposal by the County Council for outcome, that further consideration is given to the views expressed by the Committee as part of the proposal to dispose of this surplus non-operational site.
Previous consideration:	None
Background documents:	None
