

KENT COUNTY COUNCIL – PROPOSED RECORD OF DECISION

DECISION TO BE TAKEN BY:

Cabinet Member for Adult Social Care & Public Health

DECISION NO:

14/00108

For publication

Subject: Kent Teenage Pregnancy Strategy 2015-2020

Decision:

As Cabinet Member for Adult Social Care and Public Health, I propose to approve the adoption of the Kent Teenage Pregnancy Strategy for 2015-20

Reason(s) for decision:

Adoption of a strategy

Cabinet Committee recommendations and other consultation:

The proposed strategy was previously discussed by the Children’s Social Care and Health Cabinet Committee at its meeting of 23rd September 2014, which resolved that:

- a) the decision proposed to be taken by the Cabinet Member for Adult Social Care and Public Health, to approve the teenage pregnancy strategy, be endorsed;
- b) the work of the County Council’s Select Committee on PSHE be reviewed and its recommendations built into the new teenage pregnancy strategy;

The strategy has been reviewed and adjusted in light of these comments and will be considered by the Cabinet Committee again at its meeting of 8 September 2015.

Other consultation:

This strategy has been produced in partnership with the many stakeholders from across Kent and organisations directly involved with supporting young people.

An earlier draft of the strategy was open for formal consultation via the Kent County Council website from July - September 2014. A number of updates to the strategy have been made following feedback received.

Any alternatives considered:

The strategy has been adjusted to take account of comments received during the consultation and during the Children’s Social Care and Health Cabinet Committee meeting of 23rd September 2014
