

Vision	
Our focus is on supporting families, communities and universal settings within local districts to support all children and young people to do well and to stay safe. Our aim is also to provide additional local services that can be accessed easily, at the right time in the right place, to ensure more targeted early help is available to meet the needs of children and young people in a way that avoids problems becoming more serious.	
Help	
Your local EYPS business support will be able to provide operational assistance should you require it. Access to SKWO via: http://www.kelsi.org.uk/earlyhelp
