

Energy Security Select Committee

Hearing 3

Thursday 26 November 2015

Witness Guide for Members

Below are suggested themes and questions. They have been provided in advance to the witnesses to allow them to prepare for the types of issues that Members may be interested to explore. All Members are welcome to ask these questions or pose additional ones to the witnesses via the Committee Chairman.

Themes and Questions

Philip Jackson – Director, Daedalus Environmental Limited and Energy Enterprise and Education (E3) Ltd

- Please introduce yourself and provide an outline of the roles and responsibilities of your post.
- Please provide a brief outline of the array of services offered by Daedalus.
- Please discuss the main issues in relation to the energy performance of new housing developments (for example, in terms of construction methods, u-values and different forms of energy supply).
- What are the key issues, if any, with regard to building regulations and planning policies?
- What is the state of the market in relation to the retrofitting of buildings? What are the main issues and barriers to implementation, if any?
- In your view, what role can KCC and local housing provider play in promoting energy security in the county? What are the benefits, if any?
- Please outline emerging retrofit technologies and opportunities.
- Are there any other issues that you would like to raise with the Committee?
