

Energy Security Select Committee

Hearing 3

Thursday 26 November 2015

Witness Guide for Members

Below are suggested themes and questions. They have been provided in advance to the witnesses to allow them to prepare for the types of issues that Members may be interested to explore. All Members are welcome to ask these questions or pose additional ones to the witnesses via the Committee Chairman.

Themes and Questions

Dr Zachary Gill - Senior Energy Solutions Engineer, Willmott Dixon Energy Services Ltd

- Please introduce yourself and provide an outline of the roles and responsibilities that your post involves.
- Please provide an outline of the main services provided by Willmott Dixon.
- In your view, what are the effects of increasing commercial and residential construction on Kent's energy usage?
- What challenges and opportunities may this increased construction present?
- What effects will the likely future energy needs of the UK have on the housing and construction sectors?
- In what ways does Willmott Dixon work with central government and local communities?
- In what ways is Willmott Dixon involved in promoting localised energy generation?
- In your view, what can KCC do to promote energy security in the county?
- Are there any other issues that you would like to raise with the Committee?
