B Transactions to declare

I am aware of the following transactions during financial year 2015/16 that fall within the definition of a related party transaction as set out in the advice on declaring such transactions.

Jeremy Alan KITE

In the interests of complete transparency it is my wish, as in previous years, to take a precautionary view and declare relationships which, whilst they may fall below the threshold of a formal declarable Related Party Transaction, may be of relevance.

AGE UK NORTH WEST KENT

I am an unremunerated OBSERVER on the Board of AGE UK NWK. Although, I have no decision making powers I do attend and participate in meetings and take a view that a reasonable person would consider that I have a greater influence over its decision-making than a person who is not present or participating at such meetings.

Age UK NWK receives funding from KCC for various social and day care activities related to the elderly.

THE LEIGH ACADEMIES TRUST

I am an unremunerated Director of the Leigh Academies Trust (LAT) which operates several academies in Kent. The Trust may, from time-to-time, have dealings with KCC related to educational services, the academisation of schools and other matters related to the provision of education in Kent. The Trust has had dealings with KCC in relation to schools which the authority has felt may benefit from joining the Trust. Although operational decisions would be matters for the professional leaders of the

trust and individual schools, as a Director I have a role in the management, oversight and decision-making at LAT Board level.

LONGFIELD AND NEW BARN PARISH COUNCIL

I am a (practically) unremunerated elected Member of the Parish Council (Members are entitled to a £100 allowance per annum which I have not been in the habit of claiming) which may, from time-to-time benefit from grants from KCC and be involved as a consultee in matters related to KCC services such as street lighting or Public Rights of Way.

DARTFORD BOROUGH COUNCIL

I am a remunerated elected Member and Leader of Dartford Borough Council which has veracious dealings with KCC, receives various grants and is engaged in various joint-working on initiatives ranging from Troubled Families to Youth Services and the Arts.

DARTFORD FOOTBALL CLUB

I am an unremunerated Director of Dartford Football Club which may, from time-to-time, participate in sports initiatives supported by KCC. I am aware of no such current contracts, transactions or grants.
