Introduction and background

1. Grant Thornton, as External Auditor to the Council, is required to report the scale fee and billing schedule for the Council as well as the audit of the Pension Fund. This includes work on auditing the financial statements through to value for money arrangements.
2. The scale fee has been influenced by procurement exercises run by the former Audit Commission such that the total fee for 2016/17 is estimated to be £155,925, which is the same fee as in 2015/16.

Recommendations

3. Members of the Governance and Audit Committee are asked to note the planned audit fees for 2016/17
