Subject: COMMITTEE WORK & MEMBER DEVELOPMENT

PROGRAMME

Classification: Unrestricted

Summary: This report provides an update on the forward Committee Work and

Member Development programme following revised best practice

guidance in relation to Audit Committees.

FOR DECISION

Introduction and background

- 1. In December 2013, CIPFA published updated best practice guidance on the function and operation of audit committees in Local Government. The guidance recommends that this Committee's work programme is designed to ensure that it can fulfil its terms of reference and that adequate arrangements are in place to support the Committee with relevant briefings and training.
- 2. This paper is a standing item on each agenda to allow Members to review the programme for the year ahead, and provide Members with the opportunity to identify any additional items that they would wish to include.

Current Work Programme

- 3. Appendix 1 shows the latest programme of work for the Committee, up to October 2017. The content of the programme is matched to the Committee Terms of Reference and aims to provide at least the minimum coverage necessary to meet the responsibilities set out. This does not preclude Members asking for additional items to be added during the course of the year.
- 4. The programme reflects requests made from previous Committee members for additional reports on specific items of interest.

Member Development Programme

- 5. It is good practice for the Committee to embrace a Member development programme through a series of pre-meeting briefings, focusing on areas that are of specific relevance to this Committee. This has been successfully implemented over the last few years.:
- 6. The following programme was agreed at the July 2016 meeting and the first of these topics was delivered today.
