Whilst the Chairman, in consultation with the Cabinet Member, is responsible for the final selection of items for the agenda, this report gives all Members of the Cabinet Committee the opportunity to suggest amendments and additional agenda items where appropriate.

3. Work Programme 2016/17

- 3.1 An agenda setting meeting was held on 26 July 2016, at which items for this meeting were agreed and future agenda items planned. The Cabinet Committee is requested to consider and note the items within the proposed Work Programme, set out in the appendix to this report, and to suggest any additional topics that they wish to be considered for inclusion to the agenda of future meetings.
- 3.2 The schedule of commissioning activity which falls within the remit of this Cabinet Committee will be included in the Work Programme and considered at future agenda setting meetings. This will support more effective forward agenda planning and allow Members to have oversight of significant service delivery decisions in advance.
- 3.3 When selecting future items, the Cabinet Committee should give consideration to the contents of performance monitoring reports. Any 'for information' or briefing items will be sent to Members of the Cabinet Committee separately to the agenda, or separate Member briefings will be arranged, where appropriate.

4. Conclusion

- 4.1 It is vital for the Cabinet Committee process that the Committee takes ownership of its work programme, to help the Cabinet Member to deliver informed and considered decisions. A regular report will be submitted to each meeting of the Cabinet Committee to give updates of requested topics and to seek suggestions of future items to be considered. This does not preclude Members making requests to the Chairman or the Democratic Services Officer between meetings, for consideration.

- 5. Recommendation:** The Adult Social Care and Health Cabinet Committee is asked to consider and agree its work programme for 2016/17.
