

Bus Transport Select Committee

Hearing 6

Friday 28 October 2016

Witness Guide for Members

Below are suggested themes and questions. They have been provided in advance to the witnesses to allow them to prepare for the types of issues that Members may be interested to explore. All Members are welcome to ask these questions or pose additional ones to the witnesses via the Committee Chairman.

Themes and Questions

Diana Beamish, Jean Bentley, Brian Gasson, Frank McConnell and Veronica McGannon (Sevenoaks District Seniors Action Forum)

- Please introduce yourselves.
- How important is bus transport to elderly people? What are your views and experiences with regard to the concessionary bus travel scheme?
- What is your opinion on the current quality of local bus service provision?
- In your view, to what extent does the current bus service provision meet the needs of local communities in Kent?
- In your opinion, to what extent are local communities involved in the decisions around the provision of local bus services?
- What can KCC do, if anything, to improve bus transport in Kent?
- Are there any other issues that you would like to raise with the Committee?
