

Appendix
(Paragraph 26 of the Minutes refers)

FLOOD RISK MANAGEMENT COMMITTEE

PROPOSED TERMS OF REFERENCE

7 Members

Conservative: 6; Liberal Democrat: 1.

This Committee is responsible for:-

- a) the preparation, monitoring and review (in conjunction with the Flood Risk Management Officer) of a strategic action plan for flood risk management in Kent taking into account KCC Select Committee recommendations, the Pitt Review and relevant requirements of the Flood and Water Management Act;
- b) reporting annually (and more often if necessary) to the Environment, Highways and Waste Policy Overview Committee and to the Cabinet Member for Environment, Highways and Waste;
- c) reviewing and responding to any consultation on the implementation of the Pitt Review and the future development of the Flood and Water Management Act;
- d) receiving reports from the Southern Regional Flood and Coastal Committee and responding as appropriate; and
- e) the investigation of water resource management issues in Kent.
