

## **DRAFT KENT COUNTY COUNCIL ACTION PLAN FOR 'LIVING LATER LIFE TO THE FULL'**

**June 2009**

**Mike Angell, KCC's Older People's Champion**

This draft Action Plan sets out what KCC is already doing to help achieve the strategic priorities established within 'Living Later Life to the Full' – Kent's Policy Framework for Later Life. It is essentially a mapping exercise that captures what we are doing for older people at this snapshot in time. This process has been particularly important in raising awareness of the issues at stake and gathering evidence of the vast amounts of work we are doing to enable people to live later life as they would wish. In collecting these actions, and comparing them with those of our partner organisations, it has also been possible to evaluate where there may be gaps in addressing issues and what new actions need to be taken, collectively, in moving forwards. This draft action plan will be developed into a KCC Strategy for Later Life which will underpin the Kent Policy Framework and deliver the older people's workstream within KCC's Regeneration Framework.

This work demonstrates that KCC relies upon cross-directorate and indeed cross-agency working to address the issues important to Kent residents. Critically, though, this is about giving older residents a stronger voice in influencing strategic and local decision-making that impacts on their lives, and we will continue to work with them in developing and implementing future actions.

People from the local community who are passionate about a subject, or an expert in their field or have a significant life experience that they are willing to share, can be ‘borrowed’ for a conversation lasting about 20 -30 minutes. A wide variety of opportunities and activities are available for all abilities including those who are not in employment for reasons of ill health. Some volunteers are supported by their carers.
