#### **Chris Millins - Manor Road Pre-school, Tunbridge Wells**

Chris Millins is the manager of Manor Road Pre-school and has worked there since 1983. Manor Road Pre-school was founded by Mary Wheeler in the 1960s. Back then, there were only 12 children per session and the staff worked without pay for the first year to enable them to purchase equipment for the children! Many of the staff had children at the Pre-school which has helped maintain a family-like atmosphere.
