

KEY

- Carriageway Improvement
- Verge / Earthworks / Landscaping
- Footway
- Non Pedestrian Hardstanding
- Drainage Feature
- Proposed Road Width (m)
- Existing Road Width (m)

- Notes**
- Design is based on a 7.0m carriageway and a 2.0m footway unless indicated otherwise on the drawing.
 - A margin of 0.5m to 1.0m has been included on the opposite side of the road to the new footway to give an offset to trees and minimise impacts on tree roots.
