

Loneliness and Social Isolation Select Committee

Biography

James Kirby, Programme Manager, Social Enterprise Kent

James Kirby is Programme Manager at Social Enterprise Kent for the Big Lottery Funded 'Ageless Thanet' programme, part of the national 'Fulfilling Lives: Ageing Better' programme. James started his professional career in local government, specialising in community development and engagement before moving into project and programme management.

James is passionate about making a positive difference to communities and people and is passionate about creating stronger, more resilient communities in which people feel empowered to get involved, take ownership and have their voices heard.
