Subject: **COMMITTEE WORK & MEMBER DEVELOPMENT PROGRAMME**

Classification: Unrestricted

Summary: This report provides an update on the forward Committee Work programme following best practice guidance in relation to Audit Committees.

FOR DECISION

Introduction and background

1. In December 2013, CIPFA published updated best practice guidance on the function and operation of audit committees in Local Government. The guidance recommends that this Committee's work programme is designed to ensure that it can fulfil its terms of reference and that adequate arrangements are in place to support the Committee with relevant briefings and training.
2. This paper is a standing item on each agenda to allow Members to review the programme for the year ahead and provide Members with the opportunity to identify any additional items that they would wish to include.

Current Work Programme

3. Appendix 1 shows the latest programme of work for the Committee, up to January 2020. The content of the programme is matched to the Committee Terms of Reference and aims to provide at least the minimum coverage necessary to meet the responsibilities set out. This does not preclude Members asking for additional items to be added during the course of the year.

Member Development Programme

4. It is good practice for the Committee to embrace a Member development programme through a series of pre-meeting briefings, focusing on areas that are of specific relevance to this Committee. This has been successfully implemented over the last few years.
5. Before the start of today's meeting Members received a training update on Treasury Management.

6. Before the start of the April 2019 meeting, when the internal audit and counter fraud plan will be considered for the following year, it would seem sensible that Members receive a background briefing and presentation on “Internal Audit Planning and Sources of Assurance”
7. Members can request alternative or additional training if they wish, via the Chairman.

Recommendations

8. It is recommended that Members approve the forward Committee Work Programme (***Appendix 1***)
