

Kent and Medway Domestic Homicide Review Steering Group

Terms of Reference

OVERARCHING PURPOSE

To ensure compliance and to meet the requirements of Section 9 of the Domestic Violence Crime and Victims Act (2004), specifically with regards to the Domestic Homicide Review (DHR) implementation guidance issued by the Home Office in April 2011 and subsequently updated in December 2016.

All Community Safety Partnerships (CSPs) in Kent and Medway agreed to a joint DHR Protocol covering all community safety partnership areas to ensure a consistent approach is adopted across the county as a whole. As a result, the Kent Community Safety Partnership has lead responsibility for instigating the protocol on behalf of all CSPs in Kent and Medway should a domestic homicide occur.

This joint process will be managed, commissioned and administered by the Kent Community Safety Team, on behalf of the Kent Community Safety Partnership, who will ensure that the joint procedures are adhered to in each case.

RESPONSIBILITIES

- To lead in the development, monitoring and implementation of processes associated with DHRs across Kent and Medway.
- To maximise agency co-ordination and co-operation in the implementation of the Kent and Medway DHR protocol and procedures.
- To monitor and report on DHR progress, in respect of; prevalence, performance and activity, including the quality assurance of action plans in relation to recommendations arising from active reviews, as well as overseeing their implementation upon completion.
- To advise the Kent and Medway Community Safety Partnerships on emerging issues, priorities, solutions and the most effective use of available resources.
- To ensure that lessons learned from DHRs are cascaded to agencies across Kent and Medway.
- To review and receive feedback on the quality of the work of the Independent Chairs, Review Panels and the effectiveness of the DHR protocols and procedures.
- To monitor the costs associated with DHRs, seeking to ensure best value in partnership funding spend, and report back to partners via the Kent Community Safety Partnership as appropriate.
- To monitor developments regionally and nationally regarding DHRs and related learning.
