

KENT COUNTY COUNCIL – RECORD OF DECISION

DECISION TAKEN BY

Cabinet Member for Planning, Highways, Transport and Waste

DECISION NO:

For publication

Key decision*

No

Subject: : Joint Transport Board Revised Agreement

Decision:

As Cabinet Member for Planning, Highways, Transport and Waste, I agree to adopt a revised JTB Agreement

Reason(s) for decision:

Joint Transportation Boards between KCC and the District/Borough Councils were established in 2005 to facilitate discussion and co-operation on local highway and transportation issues. Underpinning the JTBs is a legal agreement signed by KCC and each District/Borough

The current Agreement terms allow for the Agreement to be reviewed every four years or at the instigation of the Kent County Council Corporate Director responsible for Highways and Transportation and amended by agreement between the parties if necessary as a consequence of any review.

As the date of the current agreements range from 2005 to 2018, it was agreed by the current JTB chairmen that the agreements should be reviewed.

Cabinet Committee recommendations and other consultation:

The Cabinet Member has met with JTB chairmen and they inputted to the document shared with Members of the Environment and Transport Cabinet Committee (ETCC) at their meeting on 19 March 2019.

Subsequent to that ETCC meeting, the agreement has been revised to reflect comments made by Members during discussions. The revised agreement has also been shared with District Council Leaders and legal officers.

Any alternatives considered:

To continue with the current agreements, however these have not been reviewed for many years and there was a strong desire among the JTB charimen to review and clarify parts of the current agreement.

Any interest declared when the decision was taken and any dispensation granted by the Proper Officer:

Signed
