Lee Heley

Head of Housing Growth, Essex County Council

Lee Heley is the Head of Housing Growth at Essex County Council. The Housing Growth Team is a small strategic unit which works with other agencies to support the development of new homes. It also works with partner organisations to bring forward new independent living schemes for older people, and to reduce homelessness and rough sleeping. Lee has been involved in the project 'Essex Prevents' - which is a cross-sector partnership in Essex to reduce homelessness and rough sleeping - leading on the project to review how to increase new affordable homes for rent in the county.

Dan Baker

Housing Growth Lead, Essex County Council

Dan Baker is a Housing Growth Lead at Essex County Council. Working as a member of the Housing Growth team, he is leading on the development of Essex County Council's housing strategy and coordinating the Essex Prevents project, reviewing ways to increase affordable housing delivery in Essex.
