1 November 2019

Dear David,

**Housing Infrastructure Fund Forward Funding – Swale Transport Infrastructure  
(HIF/FF/420)**

I am pleased to confirm that Kent County Council has been successful in its £38.1 million 'Swale Transport Infrastructure' Housing Infrastructure Fund Forward Funding bid.

We will work with you and your team over the coming weeks and months to progress this scheme through further due diligence and into contract. As part of the contract, you will need to agree to a set of funding conditions. These include both standard conditions for all Forward Funding schemes, and bespoke conditions for each project. In addition, you will need to sign up to an Assurance Framework, which will be proportionate for the size and complexity of this scheme. A list of the conditions for your scheme will be sent by my team.

Thank you for leading housing growth in this area, we look forward to working with you and my team will be in contact with you shortly to discuss next steps.

Yours sincerely,

Emran Mian
