### Introduction

- 1. Under International Standards on Auditing (UK and Ireland) (ISA(UK&I) auditors have specific responsibilities to communicate with the Governance and Audit Committee (G&AC). ISA (UK&I) emphasise the importance of two way communication between the auditor and the G&AC and also specify matters that should be communicated.
- 2. This two way communication enables the auditor to obtain information relevant to the audit from the G&AC and supports the G&AC in fulfilling its responsibilities in relation to the financial reporting process.

# **Purpose of Report**

- 3. As part of Grant Thornton's risk assessment procedures they are required to obtain an understanding of management processes and the G&AC oversight of the following areas:
  - General Enquiries of Management
  - Fraud
  - Laws and regulations
  - Going concern
  - Related Parties
  - Accounting Estimates
- 4. The attached report includes a series of questions on each of these areas and the response we have provided to Grant Thornton. Although incorporated into a Grant Thornton report and layout, these are responses from KCC management.

5. The G&AC should consider whether these responses are consistent with its understanding and whether there are any further comments it wishes to make.

## Recommendation

6. Members are asked to agree the management responses provided to Grant Thornton.
