<b>Pregnancy and maternity</b>	No	No	None	None	As above.
<b>Marriage and civil partnership</b>	No	No	None	None	As above.

## **Part 1: INITIAL SCREENING (August 2020)**

### **Context**

Kent County Council will reward Dover District Council & Folkestone and Hythe District Council by incentivising increased levels of recycling. This is a policy agreement that was introduced to sustain high levels of recycling and reduce the collection of residual waste.

This service is the statutory function of District / Borough Council in their capacity as Waste Collection Authorities.

The provision of waste disposal services is a statutory obligation for the Waste Disposal Authority under the Environmental Protection Act 1990.

### **Aims and Objectives**

From January 2021, Kent County Council will:

- Agree a new Inter Authority Agreement to reward improved levels of recycling., this will deliver waste disposal savings and yield environmental benefit.

### **Beneficiaries**

Environmental benefits through higher levels of recycling and creating less residual waste. Commercial benefits for both tiers of local government.

### **Data**

This contract has a minimal customer facing element with no data collected direct from customers. The only data collected will comprise of information relating to the collection of various waste streams. There will be no personal data collected from any group.

As the Waste Disposal Authority, Kent County Council is responsible for ensuring that all household waste disposed of at throughout Kent is disposed of correctly in the most financially efficient way. The processing of payments is a 'back office' procedure, with all 'customer facing' elements of this process the responsibility of the District Councils.

### **Potential Impact**

This Equality Impact Assessment is a screening to indicate potential areas of impact, both positive and negative, to the diverse population of Kent, which could result from the development of the Inter Authority Agreement.

There are no Protected Characteristics that will be impacted upon either positively or negatively. Therefore, the impact is regarded as Low/None.

The screening table (page 3) details the initial assessment.

<b>JUDGEMENT</b>
------------------

**Option 1 – Screening Sufficient** YES

**Option 2 – Internal Action Required** NO

**Option 3 – Full Impact Assessment** NO

*Only go to full impact assessment if an adverse impact has been identified that will need to undertake further analysis, consultation and action*

**Sign Off**

I have noted the content of the equality impact assessment and agree the actions to mitigate the adverse impact(s) that have been identified.
