### **Introduction**

1. The KFRMC is tasked with reviewing and scrutinising the exercise of flood risk management and coastal erosion functions by risk management authorities in Kent. These authorities include, but are not limited to, KCC, the Environment Agency and Southern Water.
2. The Annual Report is presented to the Scrutiny Committee for noting, providing an opportunity for the KFRMC to raise awareness of the scrutiny activity it has undertaken, scrutiny it intends to undertake in the future and to flag up any particular points of concern where required.
3. As the KFRMC performs a scrutiny function on behalf of KCC, the Scrutiny Committee is not being asked to scrutinise their activities or scrutinise flood risk management more generally as part of this item.
