We are writing to you to inform you that we will no longer be asking for you to submit an Interim Statement of Grant Usage for the Family Hubs – Start for Life Programme on 28th February 2023. This is because we recognise that many LAs have only recently received their first tranche of year 1 funding and, some LAs are still finalising delivery plans. We will, however, still require the end of April statement of grant usage by the **28<sup>th</sup> April 2023 please see updated template attached.**
