Aims and Objectives

Kent County Council as a Local Authority, may place children and young people with statutory care involvement, where placement is made to meet care needs and where local day specialist provision is not an option into a specialist residential setting.

A review of the school's residential provision and need in the local area, has indicated that there is no longer a requirement for KCC to continue to commission residential placements at Broomhill Bank. This has been discussed with the Executive Headteacher and Governors of the school.

The number of students currently using the provision is now down to only two students, who are both expected to leave the school at the end of this academic year, KCC are proposing that the process for statutory closure of the provision is initiated, with an expected closure date of September 2025.
