Aims and Objectives

To provide sufficient school places

Kent County Council (KCC), as the Local Authority (LA), has a statutory duty to ensure sufficient school places are available. The County Council's Commissioning Plan for Education Provision in Kent 2025-29 (KCP) is a five-year rolling plan which is updated annually. It sets out our future plans as Strategic Commissioner of Education Provision across all types and phases of education in Kent.

The 2024-28 iteration of the KCP highlighted the SEN place pressure that Kent has experienced, with the number of Education Health and Care Plans (EHCPs) increasing significantly. The demand for special school provision within Tonbridge and the wider West Kent area has increased commensurately, and in recent years KCC has commissioned additional places at Nexus without providing additional accommodation. Since the academic year 2021/22 Nexus has temporarily increased its intake to an average of 16 on its main campus and to 6 for the Wouldham satellite to meet the commissioned demand. The demand for places at Nexus is set to remain for the foreseeable future and therefore the proposed scheme provides the physical capacity to continue to admit the increased intakes on a permanent basis.
