### Aims and Objectives

This proposal to increase the capacity at Ebbsfleet Green Primary School has been developed because the Kent Commissioning Plans for 2024/28 and 2025/29 both indicated there would be a shortfall in Year R places for September 2024 and September 2025 in the Swanscombe and Ebbsfleet Planning Group (which includes the Ebbsfleet Garden City). Partly due to delays in the planned opening of the new primary school at Alkerden Church of England Academy.

To support KCC in mitigating against this shortfall, Maritime Academy Trust and the school agreed to admit bulge classes of 30 pupils for two years - increasing their Reception intake from 60 to offer 90 places for September 2024 and September 2025. The school was able to initially accommodate these additional classes, as the school is still growing following its opening in 2020, and two classes were still unused. However, by September 2026, the school will be full and therefore, additional classrooms are required to ensure the two bulge classes can be safely accommodated.

If no further action is taken, Ebbsfleet Green Primary school will find it extremely difficult to provide sufficient places for their PAN of 60 pupils for September 2026, and for the years that follow. KCC has a responsibility to provide appropriate permanent accommodation for these additional pupils as they progress through the school.
