Aims and Objectives

This EQIA relates to the proposed adoption of the Delivery of Local Government Efficiency (DOLGE) Strategy, which will be the subject of a key decision given that this is a new strategy for Kent County Council outside of the Policy Framework. The aim of this EQIA is to determine whether the proposed adoption of the strategy may affect people differently based on protected characteristics. The primary audience for the strategy is Kent County Council's staff and Members and the strategy will therefore not be subject to external/public consultation.

Any direct decisions that may follow from the DOLGE Strategy would still be subject to relevant and separate decisions and EQIA as necessary.
