Kent SACRE met three times during the year at Sessions House, County Hall, Maidstone on 9 November 2023, 19th March 2024 and 13th June 2024. These are hybrid meetings with about half the members online and half in person. The arrangements and Agenda setting is done on Zoom with leaders of each group, the clerk and the RE Consultant.

Overview

At the meetings we have a few standing items such as the budget, the development plan progress, membership, and the Kent SACRE WIRE award. Other discussions this year were NASACRE and a report from the RE Consultant each term. The self-evaluation tool was used in Spring 2024 by the committee members attending the Spring meeting. A development plan with progress achieved and the self-evaluation results are at the end of this report. At the beginning of the year, we appointed a new vice chair from Group A. The films for schools are done and available for teachers. The committee also looked at some publicly available films.

The self-evaluation tool was revisited in the summer term, this helps with the Development plans. The results can be seen at the end of this report.

The 2021 census was discussed at the November meeting, it was noted that more people in Kent identified as religious than not religious and that the Kent Agreed Syllabus was a good reflection of the faiths identified in Kent through the census.

The OFSTED review into Religious Education and the idea of National standards were discussed in the Spring. Mrs Williams from the teachers Group C went to the NASACRE AGM on behalf of Kent SACRE and brought back a report for members to see.

Religious Education Statutory responsibilities.

During the early part of the academic year there were a number of requests from schools who needed the link to the new RE Syllabus which were dealt with by the RE Consultant.

Monitoring is difficult but is done through looking at websites and receiving emails from schools. We run the WIRE award in Kent and schools send in evidence to be judged by the committee at each meeting. This does give an indication of the work being done in schools that apply. Members of the SACRE go to the schools and award the certificates. During this year we looked at the criteria and changed some of it so that the impact of RE in the school is more evident. We have four schools collecting evidence, one in the process of being judged and one school that received their award in early 2024.

As far as we know no school has applied for the REQM.

We now have two RE networks running in Kent, one in Thanet and one near Wrotham. We also have a Secondary HOD group running from a school in Tunbridge. There is also a Kent Grammar school network that meets 3 times a year. The Primary groups are held each term mainly on zoom, but some are face to face. The Secondary one is on zoom. They are run by teacher members of SACRE with the RE consultant's support. A larger face to face meeting was planned and eventually took place in September 2024 near Maidstone. The two Diocese advisers also run networks for the church schools, but community schools can join in, so monitoring of RE in schools is mainly done through these groups and from emails requesting advice and guidance from the RE Consultant through the year.

Advice to the LA is to ask again for exam results and to use our budget for a Kent wide meeting.

Collective Worship Statutory Responsibilities

There is a Guidance on Collective Worship available on the Kelsi website for schools.

There have been no Determinations referred to SACRE, members have been trained in how to deal with this if it arises.

Links with other bodies

Kent SACRE members are linked with, and part of many different other organisations. The committee has members of the Diocese of both Rochester and Canterbury board of education. The church schools in Canterbury Diocese follow the Kent Agreed syllabus. We also have members of Interfaith forums and Governors of Kent schools. We are members of NASACRE and the RE Consultant is a member of AREIAC (Association of Religious Education Inspectors, Advisors and Consultants). For representation of different faiths see the table of attendance above.

Local Involvement

Members of Maidstone and Tunbridge Interfaith group, who are members of SACRE, visit schools and talk about their faiths. We now have a Humanist representative, and he also goes into schools to give talks.

Ramadan advice was sent to schools. The Kelsi website for Kent teachers advertises the RE networks and other information and the SACRE documents can all be found on this website. There is a link to the RE consultant for schools seeking the Agreed syllabus or any advice.

SACRE'S Statutory Responsibility

The SACRE has the support of an RE Consultant at each meeting and advising teachers by email. We also have the support of the Democratic Services to do clerking for the meetings, The members of Kent SACRE are reasonably representative of the county of Kent, new members are sought by the clerk if there is a vacancy, and members are asked for a letter of recommendation from their governing body.

We are fortunate to have members from both the Rochester and Canterbury Boards of Education, this is useful for links with schools in Kent and for their insight into the state of RE and Collective Worship in the County.

The budget holder of the SACRE budget is available and provides a termly budget update and the SACRE has up to £5000.00 per year to spend. Hybrid meetings have been held at the Kent County Council offices in Maidstone since Covid but discussions are ongoing to visit a different venue at least once a year.
