B1 17 00024 Proposal to implement an Education Services Company (Pages 5 - 180)

There has been considerable work over the last 6 months to develop a Full Business Case to support the decision to implement a new service delivery model for Kent Education Services, via the creation of a new Education Services Company. The decision will encompass both the implementation of a new company, the commissioning of that company to continue to deliver Education Services on behalf of KCC and to recommend the legal entity type.

It is also recommended that a shadow governance structure is implemented from April 2017, to allow the governance arrangements for the implementation phase to begin and to trial these arrangements before the Education Services Company goes live later in 2017.
