SACRE Members discussed Sections 3, 4 and 5 of the updated SACRE self-evaluation tool and agreed to the ratings of the key areas. The tool had been created to help SACREs in their role to advise the Local Authority (LA) in meeting the entitlement of pupils across the LA to engage in high quality Religious Education (RE) and Collective Worship (CW) and to support the LA to reflect on its practice.

The areas identified as needing improvement were to be included in the future development plan.

47. Review of the Syllabus during 2022
(Item 6)

Members were reminded that for 2022, the approach had been amended to include a specific Executive Decision by the Cabinet Member for Education and Skills to better evidence the full process for developing and adopting a Locally Agreed Syllabus. In May 2022 the Agreed Syllabus Conference came to a unanimous agreement to recommend to the Cabinet Member for Education and Skills the licence renewal of the RE Today syllabus A+ for a further five years. The decision was due to be taken at the end of June 2022, and at that point schools could be informed.

Mrs Smith-Orr provided an update on the new units which had been confirmed as Key Stage 2.

48. Developing Links with Teaching School Hubs
(Item 7)

Miss Pope gave a verbal update on the work that had been undertaken to develop links with teaching school hubs. It was said that teaching school hubs were designed to provide high-quality professional development to teachers at all stages of their careers. It was highlighted that, given the size of Kent and the changes in the educational landscape, it was important for Kent SACRE to adjust to the bigger picture of Religious Education.

Miss Pope told the Members that links had already been developed with other key stakeholders, including the Medway SACRE. Although she was still awaiting further contact from some parties, there was an overall positive response and willingness to work together moving forward.

In response to questions from Members, it was said that further work was required to raise awareness about RE training opportunities for early career teachers (ECT). Members agreed that RE training for ECTs would be a key area for inclusion in the 2022-23 development plan.

RESOLVED to note the verbal update.

SACRE Members who had attended the conference virtually from Sessions House gave positive feedback on the arrangements.

Mrs Younosi provided a brief verbal summary of the workshops she had attended, including one on World Views as a methodology to teach RE. The Chair said that the workshops encouraged SACREs to think more deeply about the issues around curriculum setting and achieving high quality RE.

With reference to the *Review of the Performance of Religious Education Report Card*, Mrs Smith-Orr highlighted the comment from a Year 10 pupil that "RE is the one time in school where you can talk, listen and try to make sense of people, events and beliefs in the world". Members were encouraged to critically consider the Report Card.

SACRE Members raised concern regarding the lack of primary school comments on the Report Card. It was said that, as primary teachers were differently qualified and required different training, there was a perceived secondary bias in the document.

RESOLVED to note the verbal update.

52. 20th October 2022 RE Teachers Training

(Item 11)

Mrs Smith-Orr confirmed that RE teacher training would take place with RE Today on 20th October 2022 and that four trainers had been booked.
