**1 July 2007 - 31 October 2007**

Paul Carter  
Leader of the County Council

**This Edition of the Forward Plan Supersedes ALL Previous Editions**

## **FORWARD PLAN OF KEY DECISIONS**

Each month the Council publishes a forward plan of key decisions expected to be taken during the following four months.

**A “key decision” means an executive decision which is likely to:-**

- (a) result in the Local Authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authorities budget for the service or function to which the decision relates;**
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.**

The Plan sets out in four columns the information Kent County Council is required to publish by law:-

### **Column 1**

- (1) Is the topic of the decision with a one line description.
- (2) A key decision can only be taken by the Leader of the County Council, the collective Cabinet or an individual Cabinet Member.
- (3) Specifies the date or period within which the decision is to be taken.
- (4) Lists the contact person or the officer within Kent County Council dealing with that key decision.

### **Column 2**

- (5) Details the principal groups/organisations to be consulted before the decision is made.
- (6) Specifies by which methods the principal groups/organisations are to be consulted.

### **Column 3**

- (7) Identifies the person(s) to whom representations regarding the key decision should be made.
- (8) Gives a date when the representations need to be made.

### **Column 4**

- (9) Lists all the documents which will need to be considered by the decision taker before the decision is made unless it contains exempt or confidential information.
- (10) Date first entered in Forward Plan
