

**Kent
County
Council**

FORWARD PLAN OF DECISIONS

1 December 2010 - 31 May 2011

This Edition of the Forward Plan Supersedes ALL Previous Editions

Leader of the County Council - Paul Carter
Published by Democratic Services

This Forward Plan lists “Key Decisions” which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. The Plan also contains reference to other proposed decisions, which although not Key Decisions are nonetheless significant in terms of their outcomes.

Please use the contact details given to let us know your views.

FORWARD PLAN OF DECISIONS

Each month the Council publishes a Forward Plan of Decisions expected to be taken during the following six months.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not already included in the Policy Framework (Constitution Appendix 3) or changes to established policies
- (c) Approval of management and business plans
- (d) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the Forward Plan helps the Council to programme its work and ensures compliance with the Local Government Act 2000. Every month, the period covered by the Plan will be rolled forward by one month and the plan will be republished.

The Plan outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been taken, a copy of the Record of Decision will also be published on the Council’s website.

Paper copies will be made available by contacting Andrew Ballard (telephone 01622 694297 or email andrew.ballard@kent.gov.uk).

The Kent County Council Cabinet Members are:	
Mr Paul Carter	Leader of the Council
Mr Alex King	Deputy Leader of the Council and Cabinet Member for Localism & Partnerships
Mr Roger Gough	Cabinet Member for Corporate Support Services & Performance Management

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

Informing Only

At its meeting on 11 October 2010, the Cabinet will be asked to endorse the decision of the Group Managing Director to commence a formal consultation process with affected individuals. Consultation will also be undertaken with Cabinet Members and leading Opposition Members in terms of the overall proposals.

Some aspects of this matter will be referred for consideration to the Personnel Committee

Who is it necessary to consult?

Those individuals potentially affected by the proposed restructuring.

Has the matter already been discussed by a Policy, Overview and

Scrutiny Committee?

The proposals being made to the Cabinet on 11 October will be referred to the Cabinet Scrutiny Committee, which is proposed to meet the same day or very soon after 11th October, so as not to delay the formal consultation process.

Is the matter referred to in any Business Plan or Medium Term Capital Programme?

No

Closing date for consultation/receiving comments:

3 December 2010

Title:

To agree fees in respect of applications to divert or stop up public rights of way under provisions contained within the Town and Country planning Act 1990 - 10/01541

The Decision needed:

Local Planning Authorities are granted a power under the Town and Country Planning Act 1990 to stop up or divert public footpaths, bridleways and restricted byways when they are affected by authorised outline or detailed development. In most instances within Kent the local planning authority is the District or Borough Council.

Kent County Council Countryside Access service has entered into Service Level Agreement with Ashford Borough Council to carry out the necessary procedures on their behalf on all Public Path Orders under the Town and Country Planning Act 1990.

There is no statutory costs for carrying out this service, therefore the County Council must set its own costs, as outlined in the Cost Schedule

Although, at present, this relates to work undertaken on behalf of Ashford Borough Council there is a possibility that should this prove successful then it may be offered to other Borough and District Council. The same costs as outlined in the Cost Schedule would then apply.

Responsible Cabinet Member - Cabinet Member for Adult Social Services

Reference No: 10/01553

Key Yes

Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.

Title:

Treatment of jointly-owned property in the residential charging calculation - 10/01553

The Decision needed:

To agree a change in the procedures for valuing a resident’s interest in jointly-owned property for the purposes of assessing their contribution to the cost of residential care.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Adult Social Services

Date:

December 2010

Reason if Key Decision

This is a significant change in the way jointly-owned property is currently valued. Because of the complexities involved in this the current procedure is to ignore a resident’s interest in any property which is jointly-owned. Whilst not wishing to revisit existing residents’ assessments, it is recommended that we change the procedure for new residents from January 2011. It is proposed that a default position be adopted whereby a resident’s interest is worked out by multiplying their % share by the full market value of the whole property. If this is disputed then an expert valuation of the resident’s interest will be obtained from an independent chartered surveyor. If implemented this change is expected to save approximately ¼ to ½ a million each year.

It is proposed that residents who are unable or unwilling to release their interest in any jointly-owned property will be offered Temporary Financial Assistance provided all joint owners agree to having a legal charge placed on the property. It is also proposed that we should make a further stipulation that any debt be settled within one year of the resident’s death, if the property is not sold by then.

It is important to point out that if the property is jointly owned with certain people who still live in the property it will be completely disregarded in the charging assessment. These people include the spouse, partner, a relative who is aged over 60 or incapacitated or a child of the resident, or a lone parent who is the resident’s ex partner. In addition discretion is available to disregard the property if it is occupied by a carer of the resident. The question

of valuing the resident's share will not arise in these cases and nothing in the proposed change will affect this situation.

Reason if this decision has been delayed/withdrawn from a previous plan

<p>Consultees</p> <p>Informing Only Who and when? Public Consultation – October 2010</p>

Kent Youth County Council – October 2010
Trade Unions – January 2010
Business Community – January 2010

Who is it necessary to consult?

Public, Trade Unions, Business Community, Policy Overview & Scrutiny Committees

Has the matter already been discussed by a Policy, Overview and Scrutiny Committee?

Policy Overview and Scrutiny Committees are involved throughout the budget process in order that their recommendations and priorities can be fed back to Cabinet Members.

In January Policy Overview and Scrutiny Committees and the Cabinet Scrutiny Committee will meet to consider the draft budget and make any final recommendations to Cabinet.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

The delivery of the Medium Term Plan and annual budget is listed as a key activity in the Corporate Finance Business Plan.

Closing date for consultation/receiving comments:

Budget Book 2011/12 Draft for County Council, Medium Term Plan 2011-15
Draft for County Council

Responsible Cabinet Member - Cabinet Member for Environment, Highways and Waste

Reference No: 10/01571

Key Yes

Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.

Title:

Inclusive Design & Place-making Technical Appendix for the Kent Design Guide (December 2005)

The Decision needed:

It has been recognised that there is a need for clearer guidance and policy about inclusive design. Inclusive design ensures that the pedestrian environment is accessible for all members of society regardless of ability. In order to address this, a technical appendix to the Kent Design Guide has been drafted. The guidance aims to provide specific detail and guidance on how to address “accessibility for all” in Kent’s future built environment. The guidance in this document applies to the design of the public realm, including arrival at a building or public space, for new and redevelopment schemes. It does not intend to deal with matters inside buildings that are covered under Building Regulations, nor restate existing highway and streetscape guidance. The decision being requested is to adopt this guidance as formal policy.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Environment, Highways and Waste

Date:

Not before February 2011

Reason if Key Decision

If agreed this document will become KCC policy along with the Kent Design Guide (December 2005) which will have implications for the design of new and redeveloped public realm in the county.

Reason if this decision has been delayed/withdrawn from a previous plan

N/a
