

FORTHCOMING EXECUTIVE DECISIONS

11 February 2013 - 31 July 2013

This edition of the list supersedes ALL previous editions

Published by Democratic Services

This Forward Plan lists “Key Decisions” which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. The Plan also contains reference to other proposed decisions, which although not Key Decisions are nonetheless significant in terms of their outcomes.

Please use the contact details given to let us know your views.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not already included in the Policy Framework (Constitution Appendix 3) or changes to established policies
- (c) Approval of management and business plans
- (d) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council's web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

The Kent County Council Cabinet Members are:	
Mr Paul Carter	Leader of the Council
Mr Alex King	Deputy Leader & Cabinet Member for Democracy and Partnerships
Mr Roger Gough	Cabinet Member for Business Strategy, Performance & Health Reform

Key Yes

Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact,

costs and risks involved. With this proposed decision.

Title:

Kings Hill Area 62, Village 2 - 12/01956

The Decision needed:

Kings Hill is one of KCC's flagship mixed developments. It provides high quality and in some cases exemplar form of development, which importantly contributes towards bettering design standards.

KCC and its Kings Hill development partners, Liberty have committed to a long term calibrated and progressive development land disposal programme.

The Kings Hill development is a proven and essential regular income through annual distributions, generated by the effective disposal of residential development land.

It is proposed that KCC should agree the future disposal of the subject land parcel for best consideration, through a competitive bid basis. This will be facilitated by KCC's development partners, Liberty Property Trust UK.

Links to Bold Steps for Kent and corporate objectives

The decision directly links to the Council's Medium Term Plan (Bold Steps for Kent) in that it aligns with:

Priority 8 - Responding to key regeneration challenges working with our partners by unlocking a key site within a growth point and which contributes to providing new homes and commercial opportunities at Kings Hill.

Priority 9 - Support new housing growth that is affordable, sustainable and with the appropriate infrastructure; and

Priority 10 – Deliver growth without gridlock.

The proposed decision relates to the long term agreed Master Plan and Strategy for Kings Hill and as part of the Council's Policy Framework.

Impact/costs and risks of proposed decision

The proposed land sale will form an important part of the remaining unfinished areas of allocated housing development within Village 2. The land disposal will take place based on the Partnership's preferred design and conditional upon detailed planning permission and will ensure a comprehensive and effective design solution with adjacent development of area 64, to help complete and improve the overall Kings Hill Village 2 development. The sale process will be devised to minimise many of the risks of abortive transactions (because of improved demand) and increases certainty for the Partnership/KCC and thereby optimises land values and income.

All risks will be fully considered through a diligent evaluation process when consideration is made of the preferred developer/bidder and brought for a decision.

The only direct costs for KCC are those charged by Legal Services in executing the transactions.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Business Strategy, Performance & Health Reform

Date:

October 2012

Reason if Key Decision

Yes. The proposal will unlock the regeneration of a KCC asset within the Kings Hill development partnership, provide new housing stock, as part of Bold Steps for Housing and provide significant income for KCC. The land transaction is likely to exceed £1 million.

Reason if this decision has been delayed/withdrawn from a previous plan

N/a

Section 3 – Who is to be consulted? If no please provide reasons?

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Consultation

Notify Members of the Council, particularly Local Members where the sites are located. KCC is required to secure best consideration

Aims and level(s) of consultation?

Inform Members of the long agreed and established strategy of the continued development of Kings Hill as a mixed use flagship development.

Start and finish dates of consultation?

N/A

Equalities Impact Assessment included in the consultation documentation?

N/A

Date of publication of consultation outcomes and updated Equalities Impact Assessment?

N/A

Has the matter already been discussed by a Cabinet Committee?

No

If not when will be it discussed by the Cabinet Committee and the date of the meeting?

Policy and resources Cabinet Committee September 2012

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

The Kings Hill development and disposal strategy is referred to as a Key Priority in the Annual Plan. However, by necessity there are no specific references to particular sites and the site within this decision.

Which Members and electoral Divisions are affected by this proposed decision?

All Members

Responsible Cabinet Member - Cabinet Member for Business Strategy, Performance & Health Reform

Reference No: 12/01964

Key Yes

Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact, costs and risks involved. With this proposed decision.

Title:

Capital Programme – Procurement of external Property consultancy Services under a new Framework and associated contracts - 12/01964

The Decision needed:

To delegate to the Director of Property & Infrastructure Support the authority to establish of a framework for external advice and services associated with the consultancy advice for capital projects. .

How the decision relates to BS4K and Corporate Objectives:

The decision will provide a platform to deliver a wide range of Capital Programme developments across the property estate effectively from the Framework, offering best value solutions to procure refurbished, rebuilt and new buildings in the County. The Consultants' Framework will comprise specialists in the disciplines required to develop new buildings from brief, through feasibility and delivery in compliance with KCC aspirations of best value, good practice, sustainability, and opportunities for local communities.

P&IS will be able to build strong relationships with Framework Consultants to offer added value in terms of 'upskilling' opportunities such as apprenticeships, work-experience offers, and pupil engagement.

Impact/costs and risks of proposed decision:

The risks will be set out in the paper intended to support the Cabinet Member in taking this decision.

Responsible Cabinet Member - Cabinet Member for Business Strategy, Performance & Health Reform

Reference No: 12/01943

Key Yes

Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact, costs and risks involved. With this proposed decision.

Title:

Local Health Watch - 12/01943

The Decision needed:

To agree proposals to establish Local Health Watch in Kent as required by the Health and social Care Act 2012

How the decision relates to BS4K and Corporate Objectives

Local Health Watch will provide a crucial component of health and social care services in Kent as the voice of patients and public. It relates directly to KCC priorities of Putting the Citizen in Control, improving health and social care services and being responsive to our population and communities.

Impact/costs and risks of proposed decision

Funding of Local Health Watch is expected to amount to c.£1.3 million. Final financial allocation is still to be confirmed by the DH (probably December 2012) but procurement processes need to be initiated before this in time to establish the service in April 2013. Undue delays in implementation could result in failure to meet statutory responsibilities.

Section 2 – Who is taking the final decision and when

Reference No: 12/01837

Key Yes

Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact, costs and risks involved. With this proposed decision.

Title:

Procurement of property vehicle for surplus land owned by Kent County Council to allow the provision of new operational facilities in each district as part of asset collaboration - 12/01837

The Decision needed:

To delegate to the Individual Cabinet portfolio holder and the Director of Property & Infrastructure Support the procurement of a specialist property vehicle to allow realise of surplus land to fund new operational facilities.

How the decision relates to BS4K and Corporate Objectives

The decision is needed to progress the disposal of KCC assets with the delivery of new buildings. The proposal directly links to Bold Steps for Kent. The property vehicle will ensure it meets a number of key priorities in the Bold Steps for Kent, delivering framework including (1) Improve how we procure

and commission services, (7) Build a strong relationship with key business sectors across Kent, (9) Support new housing growth that is affordable, sustainable and with the appropriate infrastructure and (15) Improve services for the most vulnerable people in Kent.

Impact/costs and risks of proposed decision

The risks will be set out in the paper intended to support Cabinet in taking this decision.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Business Strategy, Performance & Health Reform

Date:

Not before October 2012

Reason if Key Decision

This proposal seeks to combine surplus assets where appropriate to market them for private sector developers to drive value from these assets but in turn through the OJEU process new operational facilities can be provided. A key decision is required as the new facilities will be from a number of frontline service directorates.

Reason if this decision has been delayed/withdrawn from a previous plan

N/a

Section 3 – Who is to be consulted? If no please provide reasons?

interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The Decision needed:

To agree the principle of the grant of a long lease to a charitable community interest company or similar vehicle of The Eden Centre, the timelines and processes that need to follow.

How the decision relates to BS4K and Corporate Objectives

The proposal directly links to Bold Steps for Kent, such as putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

Impact/costs and risks of proposed decision

The impact of the decision will be KCC will have less control if the management and operation of the centre become the responsibility of a third party, reliance on the professionalism of the trustees to deliver a successful facility, financial model for the charitable vehicle will have to be agreed by all partners, reputational risk to KCC if the charitable vehicle fails, relies upon getting buy in from all community groups in occupation to form trust, untried and untested model, level of income generation from the centre which could go to the charitable vehicle is currently unknown as new facility, continued KCC ownership of a non core asset, officers may be unable to get agreement from stakeholders, charitable vehicle is not financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).

Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact, costs and risks involved. With this proposed decision.

Title:

12/02033 - Sandwich Highways Depot

The Decision needed:

To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme. To seek approval to identify and progress with the acquisition of a new site for the service. The Director of Property and Infrastructure Support is authorised to finalise terms for both the disposal and acquisition of a new site.

How the decision relates to BS4K and Corporate Objectives;

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it

ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

Impact/costs and risks of proposed decision;

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

**Title:
12/02032 - Former Library Headquarters (Springfield site)**

**The Decision needed:
Former Library Headquarters (Springfield) Sandling Road, Maidstone, ME14 2LH**

The Decision needed:
To seek approval to the disposal of the Former Library headquarters (Springfield), Maidstone following the marketing of the site. The site has been marketed and offers received, shortlisted and a preferred purchaser has been identified. In addition to delegate authority for the signing of legal agreements required to complete the sale of the property.

This decision relates to the Bold Steps for Kent in **securing a capital receipt to fund the capital programme. The site will be re-developed and therefore provide an opportunity to build a strong relationship with key business sectors across Kent through the construction on the site. The future use of the development will have a positive impact on the local economy.**

Impact/costs and risks of proposed decision

The impact of the decision will be that the receipt will be achieved as quickly as possible to ensure that the capital programme is delivered and minimise holding costs. Without the decision, KCC will be unable to respond to the offer in a timely fashion without losing the prospective purchaser. This will affect the delivery of the capital programme and will increase holding costs.

Title:

12/02025 - PRU / Alternative Provision / review of current services

The Decision needed:

Pupil Referral Units - Alternative Provision Review. To seek agreement to a review of the current provision provided by KCC

Within the Bold Steps for Education priorities there is a target to reduce Permanent Exclusions in Kent to 50 or fewer by 2015. It is anticipated that new localised management of provision for disaffected young people at risk of exclusion will support this ambition. The intended outcome of the PRU/ AC review will be to establish high quality provision locally managed by groups of schools working together, to support all young people at risk of disengaging from school.

Financial Implications:

From April 2013 government guidance requires that PRUs have a delegated budget. This would change existing requirements for budgeting, monitoring and reporting, although these changes would only have a minor effect on the PRUs. At present, the basis for devolution of funds is yet to be determined and is part of the next phase of consultation.

Legal Implications:

These will be outlined in the report to Education Cabinet Committee in January 2013

Equality Impact

An assessment will be carried out and results presented to Education Cabinet Committee prior to the Cabinet member taking the decision at the end of January 2013

Date of initial screening:

15 November 2012

Title:

12/01908 - Growing Places Fund: Agreement to enter loan for infrastructure to unlock economic activity

The Decision needed:

Background and decision

Government has allocated £32.5 million from the Growing Places Fund to the South East Local Enterprise Partnership (LEP). This will create a recyclable fund to pay for infrastructure that will unlock employment and housing delivery.

Following a call for projects in January, the LEP has awarded funding to five projects in Kent, subject to due diligence. These are: A28 Matalan Roundabout (Ashford), EbbsfleetValley/Southfleet Road (Dartford), Dartford Town Centre, Dartford Northern Gateway and the Live Margate housing renewal programme (Thanet). The total value of these schemes is £16 million.

It is proposed that KCC should decide to act as the accountable body in borrowing Growing Places Funding from the central LEP fund to support these schemes, subject to full due diligence.

Links to Bold Steps for Kent and corporate objectives

This decision supports the following priorities in *Delivering Bold Steps*

- Priority 8: Respond to key regeneration challenges, working with our partners
- Priority 9: Support new housing growth that is affordable, sustainable and with the appropriate infrastructure
- Priority 10: Deliver Growth without Gridlock

Impact, costs and risks of proposed decision

Combined, the five Kent schemes approved by the LEP could deliver around 1,600 homes and 1,100 jobs by 2016/17, and would also unlock housing and employment growth in future years.

There main risks are:

- Risk of failure to repay funding according to the timetable set out in the funding agreement
- Risk of non-delivery of housing or employment outputs (including through continuing adverse market conditions)
- Compliance with state aid regulations in using public funding to support the delivery of private sector development schemes

These risks will be fully considered through the due diligence process before proposals are brought for decision.

The main costs will be in monitoring and reporting delivery. It is anticipated that these will be incorporated within the loan agreement.

Growing Places Fund is expected to be offered at zero interest unless interest is required in order to comply with state aid restrictions (in which case, it will be paid by the developer).

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Regeneration and Economic Development

Date:

Not before December 2012

Reason if Key Decision

Yes – involves commitment to expenditure of over £1 million outside of current business plan.

Reason if this decision has been delayed/withdrawn from a previous plan

N/a

Section 3 – Who is to be consulted? If no please provide reasons?

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Consultation on the schemes proposed for Growing Places Fund took place with the KentDistricts and Kent Forum in advance of the LEP's decision to allocate funding.

There are no further requirements to consult on the distribution of Growing Places Fund overall, although there may be requirements to consult on individual schemes.

Has the matter already been discussed by a Cabinet Committee?

No

If not when will it be discussed by the Cabinet Committee and the date

<p>of the meeting Economic Development Cabinet Committee – 5 July</p> <p>Is the matter referred to in your Business Plan or Medium Term Capital Programme? No</p> <p>Which Members and electoral Divisions are affected by this proposed decision? Proposed schemes will affect Members representing divisions in Ashford, Dartford and Thanet. Indirectly, all Members will be affected by the proposed decision, due to future recycling of Growing Places Fund to potentially benefit further projects in Kent.</p>

Budget and Council Tax level for 2013/14 and Medium Term Financial Plan 2013/16

The Decision needed:

Budget and Council Tax level for 2013/14 and Medium Term Financial Plan 2013/16

Decision: To recommend to County Council the budget and council tax level for 2013/14 and the Medium Term Financial Plan for 2013/16

Reason for Decision: The Budget Book and Medium Term Financial Plan (Draft for County Council) will be considered for approval on 14th February 2013.

Although this is not a key decision the Forthcoming Executive Decisions list is used as a mechanism to give added transparency to the milestones of the Budget and MTFP process.

How does the decision relate to Bold Steps 4 Kent and Corporate Objectives:
The delivery of the Medium Term Financial Plan and Annual Budget is listed as a key activity within the Finance and Procurement Business Plan

The County Council must notify district councils of its share of the Council tax and the precept needed to fund the budget by the end of February. Notifying districts of the precept earlier helps with their financial planning.

Section 2 – Who is taking the final decision and when**Who is taking the Decision**

County Council

Date:

February 2013

February 2013

Reason if Key Decision

Title:

14-24 Education Strategy - 12/01897

The Decision needed:

The endorsement of a new 14-24 strategy

The project is in line with Kent strategies and in particular supports the following;

Bold Steps for Kent prioritises

- 3 Ensure all pupils meet their full potential
- 4: Shape education and skills provision around the needs of the Kent economy
- 7: Build a strong relationship with key business sector across Kent

Bold Steps for Education

Shape education and skills provision around the needs of the Kent economy
 The education, Learning and Skills directorate will give particular priority to improving the skills and employability of 14 - 24 year olds, so that they make a good start to adult life and their potential is not lost to the Kent economy.

Apprenticeships Strategy – Increasing the number of young people undertaking apprenticeships and securing employability skills.

Education Commissioning Plan (Post 16 and SEND provision) – this plan will help the LA, schools, colleges and other education and training providers to forecast need and commission provision.

Impact/costs and risks of proposed decision

The strategy will have a potential impact upon the learning choices and progression opportunities of all 14-24 year olds in Kent. The key client groups will be 16-18 year olds who are currently Not in Employment Education and Training; young people without key employability skills at level 2; vulnerable learners (including LLDD) and young people who are at work but not in training.

The main risk is that key stakeholders won't engage at the District level to deliver this.

Most of the costs will come from existing programme budgets being used in a more flexible and responsive way.

Kent Health and Wellbeing Strategy - 12/01972

The Decision needed:

To seek approval of a Health and Wellbeing Strategy for Kent

How the decision relates to BS4K and Corporate Objectives: **Bold Steps for Kent Priority 2 promotes the integration of health and social care services, aligned to wider health reform agenda under the Health and Social Care Act 2012. The Health and Wellbeing Strategy supports the integration of health and social care services.**

Impact/costs and risks of proposed decision: **N/A**

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet

Date:

March 2013

Reason if Key Decision

The production of a Health and Wellbeing Strategy will be a statutory requirement on the Kent Health and Wellbeing Board which moves out of shadow period and acquires full statutory basis in April 2013. The priorities and outcomes identified in the Health and Wellbeing Strategy must be reflected in health and social care commissioning plans produced by KCC and the new NHS Clinical Commissioning Groups. Approving a Kent Health and Wellbeing Strategy in December will allow commissioners to reflect its priorities in commissioning plans being developed for financial year 2013/14.

Reason if this decision has been delayed/withdrawn from a previous plan

N/a

Section 3 – Who is to be consulted? If no please provide reasons?

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Section 116A(5)(6) of the Health and Social Care Act 2012 requires the responsible local authority and Clinical Commissioning Groups in preparing the strategy to involve the Local Healthwatch organisation for the area and involve the people who live or work in the area.

Aims and level(s) of consultation (*KCC consultation levels attached*)

Key consultee groups:

Clinical Commissioning Groups, Commissioners of Health and Social Services, Health and Social Care Providers, Patient Representative Bodies,

District Councils, *et al*

Start and finish dates of consultation:

August 2013 - November 2013: Engagement of Clinical Commissioning Groups, social care commissioners, health and social care providers, District Councils

September 2013 – November 2013: Wider patient, carer, public and stakeholder engagement

Equalities Impact Assessment included in the consultation documentation. Please state where this can be found: The Equality Impact Assessment will be published alongside the consultation version of the Strategy.

Date of publication of consultation outcomes and updated Equalities Impact Assessment: The outcome of the consultation will be considered by the shadow Kent Health and Wellbeing Board in November 2013 when approving the strategy, alongside an updated Equality Impact Assessment.

MARCH 2013 BY INDIVIDUAL CABINET MEMBER

Responsible Cabinet Member - Cabinet Member for Business Strategy, Performance & Health Reform

Reference No: 13/00013

Key No

Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact, costs and risks involved. With this proposed decision.

Title:

Disposal of Laleham Gap School

The Decision needed:

To seek approval to dispose of Laleham Gap School, Margate by way of a land exchange for a site at New Haine Road, Ramsgate owned by East Kent Opportunities where a new SEN school is to be built to replace both Laleham Gap School, Margate and Laleham Gap House School, Broadstairs. Final terms for the transaction will be advised. The Decision will seek for legal agreements to be actioned to complete the land exchange. Funding has been secured from the Government's priority school build programme to fund the necessary capital works.

This decision relates to the Bold Steps for Kent in providing value to secure an alternative site to assist the capital programme. The Laleham Gap School site will be ultimately re-developed and therefore provide an opportunity to build a strong relationship with key business sectors across Kent through the construction on the site. The future use of the development will have a positive impact on the local economy.

Impact/costs and risks of proposed decision

The impact of the decision will be that the proposed replacement school will be completed as quickly as possible to ensure that the capital programme is delivered. Without the decision, the replacement school will be delayed which will affect the delivery of the capital programme and prolong the current school provision which is

insufficient and outdated. Refurbishment of the existing school buildings is not a feasible option and does not overcome operational difficulties.

Title:

12/01999 - Pupil Referral Units - Agreement of Restructure Proposals

The Decision needed:

To seek approval of plans to restructure the current provision.

Bold steps 4 Kent:

Bold Steps for Education includes the reduction of Permanent Exclusions in Kent to 50 or fewer by 2015 as a priority and it is anticipated that new localised management of provision for disaffected young people at risk of exclusion will support this ambition. The intended outcome of the PRU/ AC

review will be to establish high quality provision locally managed by groups of schools working together, to support all young people at risk of disengaging from school.

Financial Implications:

From April 2013 government guidance requires that PRUs have a delegated budget. This would change existing requirements for budgeting, monitoring and reporting, although these changes would only have a minor effect on the PRUs. At present, the basis for devolution of funds is yet to be determined and is part of the next phase of consultation.

Legal Implications

To be outlined in the report to Education Cabinet Committee in January 2013

Equality Implications

An initial screening has identified that a full Equality Impact Assessment will be needed. This will be completed and submitted to the Cabinet Committee for consideration in January before being considered by the Cabinet Member when taking the decision.

APRIL 2013 BY CABINET MEMBER

Responsible Cabinet Member - Cabinet Member for Environment, Highways and Waste

Reference No: 12/01879

Key Yes

Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact, costs and risks involved. With this proposed decision.

Title:

**Kent Minerals and Waste Development Framework (MWDF)
Core Strategy at Pre-Submission (Draft Plan) Stage - 12/01879**

The Decision needed:

The Decision needed: (The title of the decision or narrative of the decision needs to be self explanatory so it is clear what the decision is being sought)

Approval is sought from the Cabinet Member for the two draft MWDF site plan documents in order to allow the commencement of the consultation on the Mineral Sites Plan and Waste Sites Plan at 'preferred options' stage.

How the decision relates to BS4K and Corporate Objectives

The consultation documents will assist in two of the BS4K priorities, (1) helping the economy to grow and (2) putting the citizen in control.

Impact/costs and risks of proposed decision

The preparation of the Kent MWDF is a statutory requirement. Failing to expedite the plan making will have costs to Kent both directly (by failing to comply with the EU Waste Framework Directive and risk incurring infraction proceedings), and to the Kent economy by failing to give the minerals and waste industry the required policy support for their developments.

The consultation will generate interest from both stakeholders and Kent communities whose responses (including objections, letters of support and comments), will need to be processed and analysed to inform the next stage of the plan making process.

The costs of the consultation will be met from the MWDF team budget, and resourced by the MWDF team in E&E. The direct costs include printing a limited number of hard copies of the two main consultation documents for distribution throughout the Kent libraries and Gateways and preparing CDs containing the consultation documents for parish councils and other key stakeholder groups. There will also be a series of stakeholder meetings and 'drop in' sessions co-ordinated to co-incide with the consultation.

The main risks arising from the consultation are that some of the host communities for the proposed sites may generate high levels of objections and adverse media publicity.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Environment, Highways and Waste

Date:

Not before April 2013

Reason if Key Decision

When adopted, the Kent MWDF plans will have a significant effect on communities living and working in all districts of Kent. They will identify specific sites and preferred areas for future mineral extraction and waste management uses. They will also establish the policy basis for the determination of all future planning applications for minerals and waste proposals up to the end of 2030.

Reason if this decision has been delayed/withdrawn from a previous plan

A supplementary sites consultation at 'options stage' was held in late 2011, delaying the preparation of the preferred options of the two sites plans.

Notify all Members of the Council?

Yes they will be notified at the start of the consultation.

Section 3 – Who is to be consulted? If no please provide reasons?

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Planning and Compulsory Purchase Act 2004 and associated regulations as well as the Localism Act 2011.

Aims and level(s) of consultation (*KCC consultation levels attached*)

To work towards finalising the Kent Minerals Plan and Waste Plan documents, complying with our statutory requirements for plan making. This is the second round of consultations on the mineral sites and waste sites at preferred options stage. The final round of consultations (planned for September 2013) will be at 'pre-submission stage' and will follow the examination in public of the Core Strategy.

The consultation level that best reflects this stage in Table 1 is 'joint decision making'.

Key consultee groups

Minerals and waste industry, parish councils, district councils and environmental groups, Kent communities near the proposed sites.

Start and finish dates of consultation.

May 28th – 23rd July 2012

Equalities Impact Assessment included in the consultation documentation. Please state where this can be found.

It will be on the MWDF part of the kent.gov.uk website.

Date of publication of consultation outcomes and updated Equalities Impact Assessment

Consultation commentary report publication – target date early September 2012;

Updated Equalities Impact Assessment will be available from 28th May 2012.

Informing Only (Who and when)

Not applicable

Has the matter already been discussed by a Cabinet Committee? If not when will be it discussed by the Cabinet Committee and the date of the meeting

No – it is on the agenda for the first CC on the 11th May 2012

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes it is in the Business Plan for E&E

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

Yes

<p>Title: A20 Corridor Statutory Quality Bus Partnership Scheme - 12/01924</p> <p>The Decision needed: Cabinet Member approval for the establishment of the Statutory Quality Partnership Scheme (SQPS)</p> <p>How the decision relates to BS4K and Corporate Objectives: The SQPS contributes to the BS4K objectives of Helping the Kent Economy to Grow and Tackling Disadvantage. It provides the framework for a comprehensive package of improvements to public transport services in the Snodland, West Malling and Kings Hill areas and along the A20 Corridor to Maidstone. The package has been designed to ensure that the level of bus provision is able to accommodate the ongoing housing and employment growth in the Medway Valley area. It will contribute to improved air quality within three Air Quality Management Areas (AQMAs) and involve the setting of minimum service quality standards, thereby locking in the benefits of investment by all parties and ensuring maximum return on public investment.</p> <p>Impact/costs and risks of proposed decision: The establishment of the SQPS will impose formal duties on Kent County Council, Tonbridge and Malling Borough Council and Arriva to make available, respectively, the facilities and services specified in the SQPS Agreement. For KCC, this is likely to include traffic signal priority for buses and passenger information and facilities at bus stops.</p>
Section 2 – Who is taking the final decision and when
<p>Who is taking the Decision Cabinet Member for Environment, Highways and Waste</p> <p>Date: Not before April 2013</p> <p>Reason if Key Decision N/a</p> <p>Reason if this decision has been delayed/withdrawn from a previous plan N/a</p>
Section 3 – Who is to be consulted? If no please provide reasons?
Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

The Local Transport Act 2008 requires local transport authorities to consult all operators of local bus services that could be affected by the SQPS; organisations representing the users of local bus services; other relevant local authorities that they think could be affected by the SQPS; the Traffic Commissioner with responsibility for the traffic area affected by the SQPS; and the Chief Officer of Police for the police area affected by the SQPS.

Aims and level(s) of consultation (*KCC consultation levels attached*)

'Gather Opinions'

Key consultee groups

As above.

Start and finish dates of consultation.

To be determined – broadly August to October 2012 (12 weeks).

<p>Title: Joint Transportation Boards - Agreement and Governance</p> <p>The Decision needed: BS4K - JTB's are an important local mechanism for discussing</p>

highway/transport matters. In this context, JTBs meet Kent County Council's Localism Agenda.

To seek approval of an updated Joint Transportation Board (JTB) Agreement with District Councils. The existing agreement is out of date and needs to be revised to reflect changes to the County Council's constitution.

In particular, a new clause has been added to the Agreement; "subject to the agreement of the Chairman, additional representatives from Parish/Town Councils may attend but may neither vote nor propose a motion nor an amendment". **This reflects the current variation in practice within JTBs and the desire to have one flexible Agreement covering all JTBs rather than individual bespoke arrangements.**

There are no impacts, costs or risks relating to the proposed decision

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Environment, Highways and Waste

Date:

Not before April 2013

Reason if Key Decision

Not a key decision

24 MAY 2013 BY CABINET

Responsible Cabinet Member - Cabinet

Reference No: 12/01945

Key Yes

Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact, costs and risks involved. With this proposed decision.

Title:

12/01945 - Kent Local Flood Risk Management Strategy (local strategy)

The Decision needed:

To seek agreement to adopt the Kent Local Flood Risk Management Strategy

The local strategy is a statutory requirement of the Flood and Water Management Act 2010 for Lead Local Flood Authorities (county and unitary authorities).

We have a duty to adopt a local strategy, there is therefore a risk of failing to undertake our statutory obligations if we do not adopt one. There are costs associated with the implementation of the strategy, but many of these undertakings are also statutory requirements. All costs incurred in delivering the objectives of the strategy by KCC will be covered by grant funding from the Department for Environment, Food and Rural Affairs.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet

Date:

May 2013

Reason if Key Decision

Yes – the adoption and subsequent implementation of the local strategy will result in significant service development and associated expenditure. The strategy itself will apply to the whole county of Kent and district/borough councils and other authorities have a duty to act consistently with it.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – Who is to be consulted? If no please provide reasons?

Please state if there are any additional legal requirements to consult other than those stated in the Local Government Act 1999 - Best Value Duty.

Flood and Water Management Act 2010 Section 9 subsection (6)

Aims and level(s) of consultation (*KCC consultation levels attached*)

Gather opinions

Key consultee groups

Other risk management authorities (district/borough councils, Environment Agency, sewerage undertakers, internal drainage boards)

Start and finish dates of consultation.

3 September 2012 – 3 December 2012

Equalities Impact Assessment included in the consultation documentation. Please state where this can be found.

An EqlA will be included as part of the consultation

Informing Only (Who and when)

n/a

Has the matter already been discussed by a Cabinet Committee? If not when will be it discussed by the Cabinet Committee and the date of the meeting

It has been discussed by the Flood Risk Management Committee. The Environment, Highways and Waste Policy and Overview Scrutiny Committee was previously made aware of the requirement for this strategy. The draft strategy will be taken to the Environment, Highways and Waste Cabinet Committee following consultation.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

All Members

Section 4 – Responsible Officer – Who to contact for more information.

CABINET MEMBER DECISIONS FOR 2013 - DATES TO BE CONFIRMED

<p>Responsible Cabinet Member - Cabinet Member for Environment, Highways and Waste</p> <p>Reference No: 12/01923, 12/01925, 12/01926, 12/01928, 12/01929, 12/01933, 12/01969</p> <p>Key Yes</p>
<p>Section 1 – the decision needed, how it relates to Bold Steps for Kent (BS4K) and the Corporate Objectives of the Council/ What is the impact, costs and risks involved. With this proposed decision.</p>
<p>Title: Local Transport Strategies - Various</p> <p>The Decision needed: To agree various local transport strategies.</p> <p>BS4K and Corporate Objectives:</p> <p>The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.</p> <p>Impacts / Costs and risks of proposed decisions:</p> <p>The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in</p>

public by and independent planning inspector during 2013. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

Adoption of the Tonbridge Town Centre Revised Transport Strategy by Kent County Council (KCC).
