

FORTHCOMING EXECUTIVE DECISIONS

21 September 2015 - 31 March 2016

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

Herne Bay Gateway - temporary relocation of library services	
Subject: Gateway Services at Herne Bay Library	

Proposed decision:

To agree to provide Gateway Services at Herne Bay Library and to relocate library services from Herne Bay Library to temporary premises during the refurbishment of the building.

Financial Implications:

During the closure period costs for the provision of temporary facilities will be kept to a minimum and any revenue costs should be offset by a reduction in user costs for the individual facilities.

Relocating library services for Herne Bay will provide the contractor with an unfettered site which will reduce the time of the build and therefore lower capital costs.

The temporary facilities will be stocked from existing library resources and there are no implications for the current staffing establishment

Legal Implications:

Kent County Council provides library and archive services under the Public Libraries and Museums Act 1964 which requires the provision of a 'comprehensive and efficient' library service.

Equality Implications:

An EQIA has been carried out and is available on the KCC website.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes.

Former Shepway Resource Centre, Folkestone - Disposal	
<p>LATEST UPDATE: 19/05/2014 - Decision due date changed from 18/02/2014 to 01/08/2014. REASON: The proposed decision to dispose of the Centre was delayed while internal processes were undertaken to ensure that no other suitable use could be found before disposal. This process is complete and the former resource centre will be placed on the market shortly. Responses from the market will be gauged after a period of approximately 3 months and a proposal for the site put forward at that time. The decision will be considered by the Property Sub-Committee or the Policy and Resources cabinet Committee before being taken by the Cabinet Member.</p> <p>-----</p> <p>-----</p> <p>To seek approval to the disposal of the former Shepway Resource Centre following the marketing of the site</p>

<p>Approval by the Cabinet Member for Corporate and Democratic Services and the Cabinet Member for Finance and Procurement for the Director of Property and Infrastructure Support and the Director of Finance and Procurement to:</p> <ol style="list-style-type: none"> 1. Close Property Enterprise Fund 1 and Property Enterprise Fund 2 with immediate effect. 2. Release the land and property currently held within the funds to be sold as part of KCC's main disposals programme and for those capital receipts to be used to support the Council's capital programme. 3. Instruct the Director of Property and Infrastructure Support to consider a business case that supports a decision for a new Property Investment Fund. <p>The objective of the fund being to implement a KCC investment portfolio to support an income return from property assets and grow the property asset base so that KCC has a future disposal pipeline.</p>

CONSULTATION	
<p>The PEF1 and PEF2 are reported in the Medium Term Plan, however, the proposal to close them is based upon them being identified as redundant funding mechanisms since the introduction of the Corporate Landlord and improvement in market conditions; closure of the funds will result in reporting and procedural efficiency.</p>	

This decision relates to the transfer of assets from one fund vehicle to the main disposals programme and as such there is no need to consult.

An initial assessment has identified that there is no equalities impact

CONSULTATION

Start and finish dates of consultation.

Summer 2012 – March 2013

Date of publication of consultation outcomes and updated Equalities Impact Assessment

There is no separate consultation outcomes report. However, the discussion at the South East LEP Board has been published at www.southeastlep.com.

Has the matter already been discussed by a Cabinet Committee? If not when will be it discussed by the Cabinet Committee and the date of the meeting

Yes. KCC's approach to Growing Places Fund has been discussed by the Economic Development Cabinet Committee on 5 July 2012 and 21 September 2012 (although these discussions did not include the specific allocation of GPF investment to Discovery Park).

In addition, the proposed Decision will be discussed by ED Cabinet Committee on 14 June.

The Growth, Economic Development and Communities Cabinet Committee will consider a report on this decision on 2 December 2014.

Other consultation

Consultation on this proposal has taken place with the South East Local Enterprise Partnership Board, which has endorsed the provisional allocation

of £4.6 million from the Growing Places Fund for use at Discovery Park. Consultation has also taken place with Dover District Council.

Is the matter referred to in your Business Plan or Medium Term Capital Programme?

Yes – Growing Places Fund investment is referred to in Economic Development Unit Divisional Business Plan 2013/14

Which Members and electoral Divisions are affected by this proposed decision? Is it All Members?

The development is located in Sandwich (Leyland Ridings). However, as the development of the Enterprise Zone is of strategic importance, all Members in East Kent may be affected by the Decision.

<p>Proposed decision: To award a new contract to deliver Supported Accommodation in a Family Environment for Kent's older Children in Care, Care Leavers and vulnerable young people. [It was previously envisaged that a current contract would be extended by single source tender but this is no longer the case][Decision updated 1 October 2015]</p> <p>Financial Implications: The budget for the contract consists of two parts; management costs, and support costs, as detailed below. The tender is requesting bids of no more than £350,000 for the management costs. Support costs to Hosts varies, but is expected to be in the region of £1,500,000, based on figures from 2014-15.</p>									
<table border="1"> <thead> <tr> <th>Cost Area</th> <th>Total</th> </tr> </thead> <tbody> <tr> <td>Management costs (fixed cost inclusive of all non-host related costs):</td> <td>£350,000</td> </tr> <tr> <td>Host Costs (monies paid to hosts, based on provision against baseline as set 04.09.14):</td> <td>£1,500,000</td> </tr> <tr> <td>Total:</td> <td>£1,850,000</td> </tr> </tbody> </table>		Cost Area	Total	Management costs (fixed cost inclusive of all non-host related costs):	£350,000	Host Costs (monies paid to hosts, based on provision against baseline as set 04.09.14):	£1,500,000	Total:	£1,850,000

Host Costs (monies paid to hosts, based on provision against baseline as set 04.09.14):	£1,500,000								
Total:	£1,850,000								

Therefore, the value of any new contract for the required service is not expected to be £1,850,000

Legal Implications:

Spending the Council's Money expects procurement to be competitive. However there are exemptions that may apply to this action (e.g. the purchasing of adult and children's services are required by law under the National Assistance Act 1948 and the Children Act 1989). Alternative processes are set out in Directorate Operational Procedures.

Equality Implications:

An equality impact assessment (EQIA) for the wider Children in Care and Care Leavers service transformation has been undertaken, with supplementary focus on this specific action. The EQIA supports the intention to diversify provision according to need and ethnicity of young people.

An EQIA has also been completed for the new Supported Accommodation in a Family Environment Service, which highlights the increase in provision to meet the needs of young people.

The matter is referred to in the Strategic Commissioning Business Plan 2015-16.

DECISION DETAILS

Decision Maker: Cabinet Member for Specialist Children's Services

Expected Date: November 2015

FURTHER INFORMATION

How the decision relates to Corporate Objectives:

This activity is an element of the wider 0-25 transformation programme, including accommodation and support for 16-25 year old Children in Care, Care Leavers and vulnerable young people relating to Facing the Challenge Phase 2.

CONSULTATION

In April 2015 Children's Social Care and Health Cabinet Committee were informed of the intention to extend arrangements with the current providers through a Single Source Tender. The committee gave its general support to the principle of extending the existing arrangements. However, subsequent consideration resulted in the agreement to follow a formal procurement exercise. This procurement exercise will commence on 9th October when the tender documents will be published on the Kent Business Portal.

Other consultation planned or undertaken: A total of 81 providers responded to an anonymous market engagement survey conducted in May 2015. Of the 81 that responded 28 were Supported Lodgings providers. A Procurement Information Notice (PIN) has been published on the Kent Business Portal to gain market understanding regarding delivery of this service. 17 providers expressed an interest on the Kent Business Portal.

Growth Without Gridlock

LATEST UPDATE

19/05/2014 - Decision due date changed from 10/02/2014 to 17/09/2014.
REASON: The strategic position relating to Highways and Transportation projects was set out as part of the LEP Strategic Economic Plan submitted via KMEP and the LEP to the Secretary of State at the end of March 2014, you can view the decision to submit and the document submitted here, <https://democracy.kent.gov.uk/ieDecisionDetails.aspx?ID=577>

Central Government is expected to announce a funding allocation in July 2014. Based on these allocations the final selection and prioritisation of projects for inclusion in Growth without Gridlock will take place and the strategy as completed can be adopted by decision of the Cabinet Member.

The decision date has been updated to 'not before' 17 September 2014 in order that the draft strategy can be considered by the relevant Cabinet Committee before any decision is taken.

To approve the content of Growth without Gridlock in Kent and Medway report. This summarises the achievements of the past three years since the launch of Growth without Gridlock and outlines priorities for delivery to 2021 for Kent and Medway, thus reflecting the federated geography of the South East Local Enterprise Partnership.

Reason if Key Decision: Financial and significance criteria met

Community Learning and Skills - Facing the Challenge Review

To seek agreement to creation of a local authority trading company (LATCo) that will enter into a commissioning arrangement with KCC to deliver Community Learning and Skills (CLS) services.
 Members on the Transformation Advisory Group and the Transformation Board considered a number of options for the future of CLS. This is in line with Facing the Challenge review (Market Engagement and Service Review), which will see CLS operating as a shadow LATCo rehearsing practices and features of a legal entity, e.g. financial accounting and governance arrangements. An evaluation of this phase will inform the design elements of the final legal framework within which the LATCo will operate.
Financial Implications: Funding contracts for learning and skills from central government are anticipated to be subject to reduction for the foreseeable future. This decision seeks to give the service the freedoms and flexibilities it needs to operate in a more commercial approach, in order to maximise income generation, preserve the service and minimise financial risks to KCC.
Legal Implications: LATCO to be setup with agreed memorandum and articles of association and commissioned to deliver the CLS service. Staff would need to be TUPE'd into the new organisation.
Equality Implications: Full EQUIA has been done and will be live throughout the process.

Dover District Council's Estates team and a planning pre application will be submitted in March 2015, if successful, KCC will submit outline planning application prior to marketing the site 'subject to planning'.

Update - 01/12/2014 – The decision to dispose of land at London Road, Westerham is ready to be taken separately from the others advertised in this package. It has been published separately at 14/00068(a) and can be viewed by clicking on this link.

<https://democracy.kent.gov.uk/mgIssueHistoryHome.aspx?Id=32262&Opt=0>

Reference to the land has been removed from this issue but the 28 day statutory publication for the intention is deemed to have been fulfilled as part of this original entry.

Approval is sought for the Director of Property and Infrastructure Support to progress with and enter into the necessary documentation to complete the disposal of Dumpton Park Drive, Broadstairs and Freeman's Way, Deal in consultation with the Cabinet Member for Corporate and Democratic Services.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

SEPTEMBER BY CABINET MEMBER

<p>Reference No: 14/00137</p>	<p>Key Yes Reason if Key Decision:</p>
<p>Delegation of care and support functions under the Care Act 2014</p>	
<p>The local authority wishes to exercise this power in order to effectively implement the requirements of the Act in a timely and cost effective manner. Initially it is believed this would be in the following areas:</p> <ul style="list-style-type: none"> • Assessment and care provision for prisoners (new duty from April 2015 under s76 of the Act). • Carers' assessments and support for carers • Specialist assessments and support for deaf people • Specialist assessments and support for blind people <p>The detailed decisions of how this will work in practice can be taken by the Corporate Director for Social Care, Health and Wellbeing, after full discussion in each case with the Cabinet Member for Adult Social Care and Public Health and the Adult Transformation Board.</p> <p>Section 79 of the Care Act gives local authorities the power to delegate most of the care and support functions it has under Part 1 of the Act or under section 117 of the Mental Health Act 1983 (after-care services). The only exceptions relate to promoting integration with health services, cooperating with partners, safeguarding and decisions about which services to charge for.</p> <p>Delegation of functions does not absolve the local authority of responsibility for these functions and it still remains legally accountable for the way in which the functions are carried out or failed to be carried out. The local authority can, therefore, impose strict conditions on how a third party organisation undertakes the function that has been delegated to it. If the local authority chooses to exercise its power under Section 79, it is able to determine the extent to which it delegates the function in any particular case, i.e. it can delegate all or part of a function. For example the carrying out of an</p>	

assessment could be delegated with the final decision kept in-house or also delegated.

There are likely to be financial implications attached to the specific decisions delegated to the Corporate Director as a result of the in-principle decision to allow delegation of certain adult care and support functions. However as delegation is unlikely to be recommended unless it is seen as cost effective, the implications are expected to be positive for the Council, or at least cost-neutral.

Legal Implications:

Section 79 of the Care Act gives local authorities the power to delegate most of the care and support functions it has under Part 1 of the Act or under section 117 of the Mental Health Act 1983 (after-care services). The only exceptions relate to promoting integration with health services, cooperating with partners, safeguarding and decisions about which services to charge for.

Delegation of functions does not absolve the local authority of responsibility for these functions and it still remains legally accountable for the way in which the functions are carried out or if they fail to be carried out.

Any specific decisions taken by the Corporate Director will be taken in full cognisance of the legal considerations concerning procurement and commissioning.

Equality Implications:

An Equality Impact Assessment will be carried out and will be ready for the Cabinet Member to consider in advance of the Key Decision.

CONSULTATION

The Adult Social Care and Health Cabinet Committee discussed the issue on 2 May 2014, 11 July 2014, 26 September 2014 and 4 December 2014. The delegation of functions under the Care Act was considered by the Adult Social Care and Health Cabinet Committee on 15 January 2015. Due to a change in Government policy and the deferment of Phase 2 of the Care Act, these delegations will be discussed again at the Adult Social Care and Health Cabinet Committee on 11 September 2015.

FURTHER INFORMATION

KCC Waste Management is the statutory waste disposal authority for Kent, and has an obligation in law to provide for the disposal of municipal waste. The services provided under these contracts will be to receive, bulk-manage and transport waste to the Allington Energy from Waste facility or another nominated facility. This ensures waste to landfill is reduced as per KCC's commitments under the Kent Joint Municipal Waste Management Strategy.

Financial Implications: The estimated cumulative value of these contracts is £5m and is included in the Budget.

Legal Implications: Provision of such disposal services is a legal obligation under the Environmental Protection Act 1990, and other related legislation.

Equality Implications: An Equalities Impact Assessment (EQIA) has been carried out and no equality implications have been identified as this is not a customer facing service.

Commissioning of Advocacy Services for Vulnerable Adults	
<p>Advocacy seeks to ensure that people, particularly those who are most vulnerable in society, are able to:</p> <ul style="list-style-type: none"> • Have their voice heard on issues that are important to them • Defend and safeguard their rights • Have their views and wishes genuinely considered when decisions are being made about their lives <p>Kent County Council Adult Services has a history of commissioning both statutory and non-statutory advocacy services. These services have been commissioned using both contracts and grants on an ad-hoc basis to meet specific local need, or to meet requirements of legislation for statutory advocacy. This range of services is currently being delivered via 17 different providers. Services are not aligned or standardised and some client groups are under-represented and have fallen through the gaps between services.</p> <p>Statutory advocacy provision is governed by legislation and is therefore reasonably well structured and managed. The non-statutory provision, mainly grant funded, is a collection of different interpretations of advocacy and is therefore less clear cut in terms of what is delivered, by whom, and to what standard.</p> <p>New requirements under the Care Act 2015 and the ending of current NHS Complaints Advocacy Contract and Independent Mental Capacity Advocacy (IMCA) contract in April 2016 have provided us with the opportunity to revisit the current model and commission something different that works for people regardless of client categories and to ensure consistency of supply and quality. We have worked closely with users of advocacy services, Advocacy providers and practitioners to design a new way to deliver advocacy services.</p> <p><u>Financial Implications</u></p> <p>By bringing together the current spend on Advocacy across grants and contracts, together with £482k of new money from the Care Act Grant, officers have identified a budget of up to £1.49m which could be used to re-commission Advocacy services. This spend is set out in Appendix 1.</p> <p>There will be impact on a number of voluntary sector organisations where their activity will be decommissioned and their funding for advocacy delivery will be reallocated to the advocacy contract. These organisations are aware of this and have been involved in a range of co-production events and discussions with commissioners.</p> <p><u>Links to KCC's Strategic Framework</u></p> <p>Strategic Outcome: Older and vulnerable residents are safe and supported</p>	

with choices to live independently

Particularly Supporting Outcomes:

- Those with long term conditions are supported to manage their conditions through access to good quality care and support
- People with mental health issues and dementia are assessed and treated earlier and are supported to live well
- Families and carers of vulnerable and older people have access to the advice, information and support they need
- Older and vulnerable residents feel socially included
- Residents have greater choice and control over the health and social care services they receive

Kent Teenage Pregnancy Strategy 2015 - 2020

To approve the Kent Teenage Pregnancy Strategy for 2015-2020

The strategy has been informed by stakeholder engagement events, which included the views of sexual health workers, school nurses, midwives, district level representatives, health improvement workers, early intervention workers and teachers and has been developed by close collaboration between public health and education and young people teams. In developing the strategy, the findings and recommendations of the Kent County Council Select Committee: PSHE/Children's Health report (2007) were taken into consideration. The report's recommendations will also be used as the basis of developing local action plans

The strategy was subject to an equality impact assessment and stakeholder and public consultation. Feedback from the consultation has been incorporated.

The aim of the strategy is to help young people to thrive, become resilient and make positive contributions to their communities and wider society. This will be achieved by providing access to information, services and early help, so that they can make appropriate choices about their sexual relationships. When young people decide to have a child, they should have support to achieve the best possible outcome for themselves and their children. Young people should be involved in this work.

As well as improving the information, advice and support we provide to all young people and introducing measures so that sexually active young people can access contraception easily and use it effectively, our success in reducing teenage pregnancy rates will also depend on how effectively we tackle the underlying factors that increase the risk of teenage pregnancy – such as poverty, low educational attainment, poor attendance at school, non-participation in post-16 learning and low aspirations. Offering appropriate support to young people who are experiencing these underlying risk factors will help to build their resilience and raise their aspirations and so reduce the likelihood that they experience a range of poor outcomes, including teenage pregnancy.

Legal and Financial Implications

There are no legal implications. There are no direct costs relating to the strategy other than officers time expended in ensuring it is implemented at County and District level.

Care Leavers Support Policy

To agree Kent County Council's policy on care leavers and their transition to adulthood.

The decision relates to Corporate Objectives and will support the Council's objective to improve services for the most vulnerable people in Kent.

The aim of providing Care Leavers support is to ensure that young people leaving care and preparing to leave care receive support and help to assist them in making a successful transition to adulthood. Ofsted's single inspection framework, introduced in November 2013, also now includes a specific grade judgement on local authorities' services to care leavers, and requires that the plans for young people leaving care are effective and address their individual needs. Local authorities are required to ensure that young people feel safe, particularly where they live and that they acquire the necessary skills and emotional resilience to successfully move towards independence.

The Council has no legal alternative but to provide equitable Care Leavers Services to all eligible young people irrespective of their route into care. Previously unaccompanied asylum seeking children with Leave to Remain (LTR) in the UK must be afforded the same level of services as indigenous young people in accordance with their need.

The consistent policy will:

- Create a single policy for all care leavers.
- Provide consistency of application of the policy between indigenous and previously unaccompanied asylum seeking care leavers.
- Provide clear guidance for staff, care leavers, foster carers, partner agencies and third sector organisations.
- Be clear about the amount of funds available and any legal process that may apply.

The policy sets out which services will be provided to all care leavers, and which will be based on an assessment of need. All financial support is non-repayable, and has been set in line with national minimal guidelines.

Financial Implications.

The total cost of supporting Care Leavers to the Council in 2014/15 is forecasted as follows:

UASC Care Leavers	£4.97 m
Indigenous Care Leavers	£4.72 m
Total	£ 9.7 m

These costs are made up of indirect costs of £2.6m for staffing and infrastructure costs, and £7.09m of direct costs for individuals concerned.

The new policy aims to reduce the overall direct costs for eligible care leavers by 5% in 2015/16. In addition to these, work is being undertaken to reduce the £834K costs currently attributable to non-eligible UASC care leavers through the undertaking of Human Rights Assessments.

The Council receives as income £1.89 m from the Home Office towards the cost of supporting Care UASC care leavers.

The adoption of the policy will ensure that all financial provision is awarded on the basis of assessed need in line with Children Act statutory guidance and not on the basis of immigration status alone.

The policy will enable the expenditure currently accrued for the over 21 cohort in UASC to be rationalised and reduced in line with Statutory Guidance.

Legal Implications:

The decision will ensure the council fulfils its responsibilities as a corporate parent set out in recently updated regulations to the Children Act 1989.

Equality Implications:

The policy will be subject to an Equality Impact Assessment.

The matter is referred to in the 0-25 Portfolio Plan.

decision will now be taken by the Cabinet Member which will set out the terms of the support for the strategy.

To agree various local transport strategies.

The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.

Impacts / Costs and risks of proposed decisions:

The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2015. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

Eden Centre Lease

LATEST UPDATE:

19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.

REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

<ul style="list-style-type: none"> • Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle • Reputational damage to KCC if the charitable vehicle were to fail • Obtaining buy in from all community groups in occupation to form trust • Untried and untested model • Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility • Continued KCC ownership of a non-core asset • Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).

Joint Transportation Boards - Agreement and Governance

Latest Update:
Decision due date changed from 01/06/2013 to 22/07/2014.
REASON: Negotiations continue between the relevant stakeholders to amend the agreement relating to JTB's.

To seek approval of an updated Joint Transportation Board (JTB) Agreement with District Councils.

The existing agreement is out of date and needs to be revised to reflect changes to the County Council's constitution.

In addition amendments will be sought to the voting rights of Parish Council representatives as per the recommendations of Kent Association of Local Councils and endorsed by the EHW Cabinet Committee in December 2013.

BS4K - JTB's are an important local mechanism for discussing highway/transport matters. In this context, JTBs meet Kent County Council's Localism Agenda.
