

FORTHCOMING EXECUTIVE DECISIONS

30 May 2016 - 30 November 2016

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

UPDATE AWAITED

<p>Reference No: 16/00014</p>	<p>Key Yes Reason if Key Decision:</p>
<p>Commissioning of Integrated Domestic Abuse Support Services</p>	
<p>Proposed decision: Procurement of an integrated Domestic Abuse Support Service and delegation of authority to the Corporate Director of Social Care, Health and Wellbeing, or other nominated officer, to commission the integrated service on behalf of its partners.</p> <p>The proposed decision relates to Corporate Objectives as the provision of an integrated Domestic Abuse Service meets statutory responsibilities and supports Kent County Council's vision to:</p> <ul style="list-style-type: none"> • Tackle disadvantage • Reduce avoidable demand on health and social care services • Focus on improving lives by ensuring that every penny spent in Kent is delivering better outcomes for Kent's residents, communities and businesses • Enable adults in Kent to lead independent lives, safely in their own community <p>Financial Implications: The total amount being spent in grants and contracts on Domestic Abuse at present is £3.2m; of this funding, £1.74m is in contracts delivering housing-related support. It is anticipated that, by pooling budgets and commissioning collaboratively, efficiencies can be made to deliver a greater range of interventions within the funding envelope, targeting prevention in escalation and a greater efficacy in the service. The full value of the contract is anticipated to be £1.93m.</p> <p>Legal Implications: Legal advice will be necessary to establish the necessary delegation of authority to enable the County Council to commission on behalf of its partners.</p> <p>Equality Implications: An equalities impact assessment will be necessary for any substantive change or diminution of service provision.</p> <p>An integrated approach, co-commissioned with key partners, will enable a more balanced provision across the county, address the inequity of provision and afford better value for money by reducing duplication</p>	
<p>DECISION DETAILS</p>	
<p>Decision Maker: Cabinet Member for Adult Social Care & Public Health Expected Date: Not before February 2016</p>	
<p>FURTHER INFORMATION</p>	
<p>CONSULTATION</p>	

The matter was discussed at the Adult Social Care and Health Cabinet Committee in December 2014, when the Committee gave in-principle support to explore opportunities to reshape provision of Domestic Abuse support.

The matter was also discussed at the Adult Social Care and Health Cabinet Committee on 3 December 2015, when the Committee endorsed the commencement of the procurement process to commission an integrated Domestic Abuse Service across Kent.

The proposed decision will be discussed at the Adult Social Care and Health Cabinet Committee meeting on 10 March 2016.

In addition, a series of consultations with providers, carers and service users will be undertaken in order to support the co-production of the service specification.

<p>Herne Bay Gateway - temporary relocation of library services</p>	
<p>Subject: Gateway Services at Herne Bay Library</p> <p>Proposed decision: To agree to provide Gateway Services at Herne Bay Library and to relocate library services from Herne Bay Library to temporary premises during the refurbishment of the building.</p> <p>Financial Implications: During the closure period costs for the provision of temporary facilities will be kept to a minimum and any revenue costs should be offset by a reduction in user costs for the individual facilities. Relocating library services for Herne Bay will provide the contractor with an unfettered site which will reduce the time of the build and therefore lower capital costs. The temporary facilities will be stocked from existing library resources and there are no implications for the current staffing establishment</p> <p>Legal Implications: Kent County Council provides library and archive services under the Public Libraries and Museums Act 1964 which requires the provision of a 'comprehensive and efficient' library service.</p> <p>Equality Implications: An EQIA has been carried out and is available on the KCC website.</p> <p>Is the matter referred to in your Business Plan or Medium Term Capital Programme? Former Shepway Resource Centre, Folkestone - Disposal

LATEST UPDATE:

19/05/2014 - Decision due date changed from 18/02/2014 to 01/08/2014.

REASON:The proposed decision to dispose of the Centre was delayed while internal processes were undertaken to ensure that no other suitable use could be found before disposal. This process is complete and the former resource centre will be placed on the market shortly. Responses from the market will be gauged after a period of approximately 3 months and a proposal for the site put forward at that time. The decision will be considered by the Property Sub-Committee or the Policy and Resources cabinet Committee before being taken by the Cabinet Member.

To seek approval to the disposal of the former Shepway Resource Centre following the marketing of the site

Expected Date: Not before October 2015

FURTHER INFORMATION

CONSULTATION

The proposed decisions will be discussed at Policy & Resources' Property Sub Committee following marketing.

The property is situated within the electoral division of Folkestone West. Cllr Hod Birkby has been consulted.

Reason if Key Decision: How the decision relates to Corporate Objectives:
 This activity is an element of the wider 0-25 transformation programme, including accommodation and support for 16-25 year old Children in Care, Care Leavers and vulnerable young people relating to Facing the Challenge Phase 2.

Proposal for the delivery of Supported Lodgings for Kent Care Leavers

Proposed decision: To award a new contract to deliver Supported Accommodation in a Family Environment for Kent’s older Children in Care, Care Leavers and vulnerable young people.
 [It was previously envisaged that a current contract would be extended by single source tender but this is no longer the case][Decision updated 1 October 2015]

Financial Implications:

The budget for the contract consists of two parts; management costs, and support costs, as detailed below. The tender is requesting bids of no more than £350,000 for the management costs. Support costs to Hosts varies, but is expected to be in the region of £1,500,000, based on figures from 2014-15.

Cost Area	Total
Management costs (fixed cost inclusive of all non-host related costs):	£350,000
Host Costs (monies paid to hosts, based on provision against baseline as set 04.09.14):	£1,500,000
Total:	£1,850,000

Therefore, the value of any new contract for the required service is not expected to be £1,850,000

Legal Implications:

Spending the Council’s Money expects procurement to be competitive. However there are exemptions that may apply to this action (e.g. the purchasing of adult and children’s services are required by law under the National Assistance Act 1948 and the Children Act 1989). Alternative processes are set out in Directorate Operational Procedures.

Equality Implications:

An equality impact assessment (EQIA) for the wider Children in Care and Care Leavers service transformation has been undertaken, with supplementary focus on this specific action. The EQIA supports the intention to diversify provision according to need and ethnicity of young people. An EQIA has also been completed for the new Supported Accommodation in a Family Environment Service, which highlights the increase in provision to meet the needs of young people.

The matter is referred to in the Strategic Commissioning Business Plan 2015-16.

How the decision relates to Corporate Objectives: This activity is an element of the wider 0-25 transformation programme, including accommodation and support for 16-25 year old Children in Care, Care Leavers and vulnerable young people relating to Facing the Challenge Phase 2.	
CONSULTATION	
In April 2015 Children's Social Care and Health Cabinet Committee were informed of the intention to extend arrangements with the current providers through a Single Source Tender. The committee gave its general support to the principle of extending the existing arrangements. However, subsequent consideration resulted in the agreement to follow a formal procurement exercise. This procurement exercise will commence on 9th October when the tender documents will be published on the Kent Business Portal.	
Other consultation planned or undertaken: A total of 81 providers responded to an anonymous market engagement survey conducted in May 2015. Of the 81 that responded 28 were Supported Lodgings providers. A Procurement Information Notice (PIN) has been published on the Kent Business Portal to gain market understanding regarding delivery of this service. 17 providers expressed an interest on the Kent Business Portal.

Community Learning and Skills - Facing the Challenge Review	
To seek agreement to creation of a local authority trading company (LATCo) that will enter into a commissioning arrangement with KCC to deliver	

Community Learning and Skills (CLS) services.
 Members on the Transformation Advisory Group and the Transformation Board considered a number of options for the future of CLS. This is in line with Facing the Challenge review (Market Engagement and Service Review), which will see CLS operating as a shadow LATCo rehearsing practices and features of a legal entity, e.g. financial accounting and governance arrangements. An evaluation of this phase will inform the design elements of the final legal framework within which the LATCo will operate.
Financial Implications: Funding contracts for learning and skills from central government are anticipated to be subject to reduction for the foreseeable future. This decision seeks to give the service the freedoms and flexibilities it needs to operate in a more commercial approach, in order to maximise income generation, preserve the service and minimise financial risks to KCC.
Legal Implications: LATCO to be setup with agreed memorandum and articles of association and commissioned to deliver the CLS service. Staff would need to be TUPE'd into the new organisation.
Equality Implications: Full EQUIA has been done and will be live throughout the process.

<p>Proposed decision: To extend the current contracts for Living Well/Ageing Well services – Smoking Cessation, Health Checks, Health Trainers and Healthy Weight – to 31 March 2017, to allow for the development of transformative service models, prior to the competitive tendering of a new model.</p> <p>How the decision relates to BS4K and Corporate Objectives: In line with the Council’s Strategic Framework, extending the existing contracts will allow for a focus on outcomes, whilst developing new services that will be based around the needs of the people of Kent.</p> <p>Financial Implications: The Living Well/Ageing Well contracts that are proposed to be extended currently are as follows:</p> <ul style="list-style-type: none"> • Health Checks (currently expires October 2016) • Healthy Weight (currently expires October 2016) • Smoking Cessation (currently expires October 2016) • Health Trainers (currently expires October 2016) <p>Contracts for the health improvement services currently have a total annual value of approximately £5.3m.</p> <p>The County Council has now received its allocation for the public health grant 2016/17 which is £71,121,000. This represents a 7.5% reduction.</p>	

Public Health have already delivered savings of £926k on adult health improvement services by making greater use of activity-based contract payments and reducing management overheads.

A six-month extension will enable Public Health to continue to deliver efficiencies through internal activity and management of existing contracts for these services, and would not be curtailed by a delay in the procurement process. Contract values for extensions of services will need to reduce to deliver the savings.

Equality Implications: None.

The matter is referred to in the Directorate's Business Plan/Medium Term Capital Programme.

DECISION DETAILS

Decision Maker: Cabinet Member for Adult Social Care & Public Health
Expected Date: Not before June 2016

FURTHER INFORMATION

CONSULTATION

The Adult Social Care and Health Cabinet Committee discussed the matter at its meeting on 10th March 2016 and the key points were noted as follows:

1. Mr Scott-Clark and Ms Sharp introduced the report and emphasised the need for a balance of intervention and prevention over the short and long-term to achieve sustainable health improvement, and for local authorities to be partners in this work. To support this partnership working, the County Council's procurement process had been aligned with those of its district council and NHS partners. An extension to the contract would be requested, to allow time to further develop this joint working.

2. Mr Scott-Clark and Ms Sharp responded to comments and questions from Members, as follows:-

a) the County Council wanted to implement its new adult health improvement model as soon as possible and wanted to make the procurement process for this as efficient as possible. It would spend the extension time to clarify what could be delivered by current partnership working and what would need to be procured elsewhere or by other means; and

b) the potential role of district council partners and the Kings Fund in identifying and addressing health improvement issues had not previously been drawn on, but the role of district councils in controlling licensing and housing would make a valuable contribution, and district council-run leisure facilities could also offer

much to support health improvement projects in an area.

3. RESOLVED that the feedback from stakeholders since January and the opportunities for working jointly with partners on the re-commissioning of adult health improvement services be noted.

Other consultation planned or undertaken:

The transformation of services will be developed in partnership with key stakeholders, including the seven Local Health and Wellbeing Boards.

New Contract for the provision of Mobile, Voice and Data connectivity, Mobile Devices (basic and smartphones), Mobile Device Management (MDM), and a Managed Text Service

Proposed decision: that the Cabinet Member for Corporate and Democratic Services authorises the Director of Infrastructure, in consultation with the Cabinet Member for Corporate and Democratic Services, to award the contract for Mobile Voice and Data connectivity, Mobile Devices (basic phones and smartphones), Mobile Device Management (MDM) software, and a Managed Text service, including the necessary contractual negotiations, and enter into any subsequent necessary legal agreements.

How the decision relates to BS4K and Corporate Objectives:

The decision to award the contract for a mobile voice and data provision will allow the Council to continue to use appropriate technology so that business units can continue to function efficiently to deliver services to the Citizens of Kent.

Financial Implications: The decision to award the contract commits the Council to spend a minimum of approximately £1.3 million over 4 years.

The decisions link in with other corporate programmes such as ICT's Unified Communications, Managed Print and Mass Data Storage projects and KCC's Customer Services Strategy and Organisational Development Plans.</p> <p>Financial Implications: The anticipated development costs for the projects are already included in the New Ways of Working Programme budget.</p> <p>These decisions are a key part of the New Ways of Working Strategy. Should this not proceed there will be a high risk that Property & Infrastructure Support will not fully achieve the programme revenue savings currently budgeted, and the improvement to the safe and effective delivery of Social Care services in these areas is likely to be compromised. In addition, the delivery of the refurbished and developed local hubs will facilitate future relocation of staff, and appropriate consultations will be undertaken, as appropriate, in conjunction with HR Directorate support.</p> <p>Legal Implications: There are no anticipated legal implications associated with the recommended proposals.</p> <p>Equality Implications: There has been significant staff consultation as part of the project planning to date and a detailed overarching communications plan has also been prepared to support the ongoing programme implementation in the East Kent region. An initial Equalities Impact Assessment has been produced for the overall New Ways of Working Programme, which has been further developed specifically for the Avenue of Remembrance and St Peter's House buildings, together with its County Council staff occupants and public users.</p> <p>The matter is referred to in the Directorate's Business Plan/Medium Term Capital Programme.</p>

Proposed Lease of West Kingsdown Children's Centre

This was abandoned in June 2015 as no decision was required at that stage.

It will now be considered at the meeting of the Property Sub-Committee on 12 April 2016.

Proposed decision: Approval for the County Council to take a new 99 year lease for continued use and occupation of the Children's Centre, at a peppercorn rent, from Rochester Diocesan Board. To facilitate the continued provision of the Children's Centre at its existing location. That authority is delegated to the Director of Property and Infrastructure Support to be authorised to finalise terms for this transaction.

The decision relates to BS4K and Corporate Objectives as it will enable the Children's Centre to remain within the County Council's control upon the completion of the Statutory transfer and Academy conversion of West Kingsdown CE Primary School on 1st April 2015. The proposal directly supports the following Bold Steps for Kent:-

- ensure all pupils meet their full potential,
- shape Education and skills provision around the needs of the Kent economy,
- improve services for the most vulnerable people in Kent,
- support families with complex needs and increase the use of community budgets.

Financial and Legal Implications:

The County Council has agreed to pay a rent of a peppercorn per annum, if demanded, throughout the term of the proposed lease.

The County Council has agreed to bear the Diocesan Board's legal costs upon completion of the lease; these are to be capped at £1,750 plus VAT.

Equality Implications:

<p>The preparation of the Plan has been the culmination of some 10 year's work</p>	

with stakeholder engagement throughout the process.

Consultation to date has involved engagement and collaboration with communities, local organisations and businesses. Public consultation was held for each stage of the plan-making process. It has also been prepared in cooperation with Kent's districts, neighbouring authorities, parish councils and other minerals and waste planning authorities that may be affected by the strategies and policies of the Plan.

As part of the Local Plan preparation the Council has demonstrated that it has met the 'duty to cooperate' obligation as set out in the Localism Act (2011) and the National Planning Policy Framework (2012).

All Members are affected because the Plan contains the overarching strategy and planning policies for future planning decisions affecting the whole of the County.

Local Members have been notified at each stage of the preparation of the Plan. Most recently, members were notified of the Proposed Modifications consultations which ran between August and October 2015.

Cabinet previously endorsed the Pre-Submission Draft Kent Mineral and Waste Local Plan (MWLP) at the meeting held on 14 October 2013, prior to its submission to the Full Council on 12 December 2013 where it resolved to approve to submit the Plan to the Secretary of State subject to:

1. A six week period of public consultation;
2. No material objections being received during the public consultation; and
3. The Director of Planning and Environment being given delegated powers to approve any non-material changes to the MWLP in consultation with the Cabinet Member for Environment and Transport following on from the public consultation and to agree any amendments to the MWLP during the Examination in Public for submission to the appointed Planning Inspector, if these amendments are likely to resolve objections.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

 Canterbury Local Transport Plan

Key Yes

Reason if Key Decision: The decisions are likely to be significant in terms of their effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

Local Transport Strategies - Approval - Various.

Update July 2015
Decision taken

Update June 2015
Proposed decision published for comment 24 June 2015

Update April 2015

Decision considered and endorsed by the April 2015 Environment and Transport Cabinet Committee

Decision deferred as issues brought to the attention of the Cabinet Member during the proposed decision publication period are resolved.

Update 17 February 2015:

Proposed decision to endorse the principles set out in the Canterbury Local Transport Plan published.

Update 4 February 2015:

The Canterbury Local Transport Strategy was considered and the principle endorsed by the Environment and Transport Cabinet Committee in December 2014. A formal decision will now be taken by the Cabinet Member which will set out the terms of the support for the strategy.

To agree various local transport strategies.

The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.

Impacts / Costs and risks of proposed decisions:

The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2015. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

Sandwich Highways Depot

Update 09/03/2015:
DEFERRED: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value is secured; surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.

Latest Update:

19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014.
 REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.

 To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.

To seek approval to identify and progress with the acquisition of a new site for the service.

The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

Eden Centre Lease

LATEST UPDATE:
19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.
REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen’s Advice Bureau and House (West Kent Action), to support Kent’s more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

- Risks identified are:
- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
 - Reputational damage to KCC if the charitable vehicle were to fail
 - Obtaining buy in from all community groups in occupation to form trust
 - Untried and untested model
 - Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
 - Continued KCC ownership of a non-core asset
 - Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).
