

FORTHCOMING EXECUTIVE DECISIONS

20 February 2017 - 31 August 2017

This edition of the list of Forthcoming Executive Decisions supersedes ALL previous Editions

Published by Democratic Services

This list of Forthcoming Executive Decisions publicises all known decisions which Kent County Council intends to take over the next six months. It gives information on the projects that will be coming forward and who will be involved with them. Key decisions are marked clearly as such within the list.

Please use the contact details given to let us know your views or to request further information.

LIST OF FORTHCOMING EXECUTIVE DECISIONS

Each week the list of Forthcoming Executive Decisions is updated where there are additions, deletions or amendments to be made. Although Kent County Council aims to include all known decisions, statute requires that all Key decisions must be publicised in this way.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not included in the Policy Framework (Constitution Appendix 3) or significant changes to established policies
- (c) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the list helps the Council to programme its work and ensures compliance with the ‘Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) regulations 2012.

The list outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council’s web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been

taken, a copy of the Record of Decision will also be published on the Council's website. Paper copies will be made available by contacting Louise Whitaker (telephone 01622 694433 or email louise.whitaker@kent.gov.uk).

The Kent County Council Cabinet Members are:	
Mr Paul Carter	Leader of the Council
Mr John Simmonds	Cabinet Member for Finance & Procurement
Mr Matthew Balfour	Cabinet Member for Environment and Transport
Ms Susan Carey	Cabinet Member for Commercial and Traded Services
Mr Gary Cooke	Cabinet Member for Corporate and Democratic Services
Mr Mark Dance	Cabinet Member for Economic Development
Mr Graham Gibbens	Cabinet Member for Adult Social Care & Health
Mr Roger Gough	Cabinet Member for Education & Health Reform
Mr Mike Hill	Cabinet Member for Communities
Mr Peter Oakford	Cabinet Member for Specialist Children's Services

All Members can be contacted by writing to Kent County Council, Sessions House, County Hall, Maidstone, Kent, ME14 1XQ or by email via the Council's website.

Former Shepway Resource Centre, Folkestone - Disposal	
<p>LATEST UPDATE: 19/05/2014 - Decision due date changed from 18/02/2014 to 01/08/2014. REASON: The proposed decision to dispose of the Centre was delayed while</p>	

internal processes were undertaken to ensure that no other suitable use could be found before disposal. This process is complete and the former resource centre will be placed on the market shortly. Responses from the market will be gauged after a period of approximately 3 months and a proposal for the site put forward at that time. The decision will be considered by the Property Sub-Committee or the Policy and Resources cabinet Committee before being taken by the Cabinet Member.

To seek approval to the disposal of the former Shepway Resource Centre following the marketing of the site

DECISION DETAILS

Decision Maker: Cabinet Member for Corporate & Democratic Services
Expected Date: Not before October 2015

FURTHER INFORMATION

CONSULTATION

The proposed decisions will be discussed at Policy & Resources' Property Sub Committee following marketing.
 The property is situated within the electoral division of Folkestone West. Cllr Hod Birkby has been consulted.

Key Yes

Reason if Key Decision:

Re-location of KCC Services from Dover Gateway

Re-location of KCC services and commissioned services currently delivered from Dover Gateway to an alternative location.

The KCC services provided from Dover Gateway are:

- Kent Supported Employment
- Health Trainer Service
- Life Choice Independent Living
- Occupational Therapy Service
- Blue Badge Assessments
- Community Wardens
- Smoking Cessation
- Hi Kent
- KCC General Enquiries

This decision relates to the location from which these services are delivered no other changes are proposed. .

DECISION DETAILS

Decision Maker: Cabinet Member for Corporate & Democratic Services
Expected Date: Not before July 2016

FURTHER INFORMATION

CONSULTATION

Between 21st March and 12th June, a public consultation was held on the future location of the KCC services currently accessed from the Dover Gateway. The consultation focussed on identifying how customers and our partners would be impacted if a decision was made to relocate KCC services from this Gateway in July 2017.

KCC welcomed feedback regarding the site identified in Dover for the potential relocation of services.

The public consultation included 5 drop in sessions where KCC staff were in the Gateway to answer questions. These were held on the following dates;

- Friday 1 April 10.30am to 12.30pm
- Monday 18 April 2pm to 4pm
- Tuesday 3 May 10.30am to 12.30pm
- Wednesday 18 May 10.30am to 12.30pm
- Thursday 2 June 2pm to 4pm

NOT BEFORE NOVEMBER 2016 BY CABINET MEMBER

Reference No: 16/00120	Key Yes Reason if Key Decision:
16/00120 Sub National Transport Board for the South-East	
KCC Membership of a shadow Sub- National Transport Body for the South East known as Transport for the South East (TfSE) The Cities and Local Government Devolution Act makes provision for the establishment and constitution of Sub-National Transport Bodies (SNTBs) for	

any area in England (outside of Greater London). An SNTB can prepare a Transport Strategy for an area which would set out proposals for the promotion and encouragement of safe, sustainable, integrated, efficient and economic strategic transport facilities and services to and from the area of the SNTB.

The South East Seven (SE7) Councils (Kent, East Sussex, West Sussex, Hampshire and Surrey County Councils, and Brighton & Hove City Council and Medway Council) and the Local Enterprise Partnerships (LEPs) that represent the area have discussed the establishment of an SNTB for the South East, to be called Transport for the South East (TfSE). A TfSE on this geographic scale would fulfil the DfT's minimum geographic size requirements. Discussions will shortly commence with Portsmouth, Southampton and the Isle of Wight and the Solent LEP about joining TfSE.

The proposed TfSE would enable authorities to influence national and regional infrastructure providers, helping to secure the infrastructure required to support continuing economic growth. A TfSE would see Government, South East Transport Authorities and/or Combined Authorities and LEPs working together with Highways England, Network Rail and port, airport and bus operators. TfSE would require strategic transport providers to take account of its priorities.

TfSE would provide a mechanism for the area to speak with a strong, common voice on transport infrastructure and provide a single platform for strategic transport and infrastructure issues, giving partners greater, and potentially direct, influence over decisions that are currently made elsewhere. Its key outcome will be the development of a single, strategic transport infrastructure framework which would align the investment programmes from key agencies, such as Highways England, Network Rail and the LEPs.

Options

- Do nothing and not engage in the development of the SNTB for the Southeast.
- Set up the SNTB for Kent and Medway, but this would not be supported by DfT
- Engage in the development of the Shadow SNTB Board and Transport Strategy for the Southeast

How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

The cornerstone of TfSE is the Transport Strategy. It will build upon existing Local Transport Plans, including Kent's *Local Transport Plan 4: Delivering Growth without Gridlock*, currently out to consultation, and evidence already in place amongst the constituent Authorities, including the LEP's Strategic Economic Plans and growth and infrastructure frameworks/studies being undertaken by a number of upper-tier Authorities, including the *Kent and Medway Growth and Infrastructure Framework*. In this way, the decision would support the Council's second strategic outcome, "Communities benefit from economic growth by being in work, healthy and enjoying a good quality

of life.”

Financial Implications

It is estimated that appropriate support for developing the shadow SNTB and the overarching Transport Strategy would total £200,000 of which KCC's contribution is £20,000.

Legal Implications

There are no direct legal implications of the recommendations in this report, although should an TfSE SNTB be established by the Secretary of the State following the work set out in this report, then there would be legal implications arising from the establishment of the SNTB which itself would be a body corporate.

Equalities implications

There are no equality implications to establish the Shadow TfSE

DECISION DETAILS

Decision Maker: Leader and Cabinet Member for Business Strategy, Audit & Transformation

Expected Date: Not before December 2016

FURTHER INFORMATION

CONSULTATION

Before progressing a proposal for an SNTB, the constituent authorities must consult on the boundary proposals and it is proposed that the shadow SNTB undertakes this consultation.

The proposal is being discussed at the meeting of the Environment and Transport Cabinet Committee on 17 November 2016

Reference No: 16/00093	Key Yes Reason if Key Decision:
16/00093 - East Kent Drug and Alcohol Services	
<p>Proposed decision: To award the contract for East Kent drug and alcohol services to a provider decided by competitive tender, with the contract to commence on 3rd April 2017.</p> <p>The decision will support corporate objectives by completing a planned and well-managed competitive tendering of the East Kent Drug and Alcohol service. This will ensure services are commissioned in line with identified need, to deliver corporate priorities on prevention, improved public health and better value for money.</p> <p>Financial Implications: In excess of £24m over the life of the contract</p> <p>Legal Implications: None</p> <p>Equality Implications: None.</p> <p>The matter is referred to in the Directorate Business Plan/Medium Term Capital Programme.</p>	
DECISION DETAILS	
Decision Maker: Cabinet Member for Adult Social Care & Public Health Expected Date: Not before January 2017	
FURTHER INFORMATION	
CONSULTATION	
<p>The matter was discussed by the Adult Social Care and Health Cabinet Committee on 11 October 2016, at which the committee resolved that the planned procurement processes for East Kent Misuse services be endorsed.</p> <p>The matter was further considered at the 6 December 2016 meeting of the</p>	

Adult Social Care and Health Cabinet Committee, and the proceedings at that meeting were as follows:

1. Ms Sharp introduced the report and, in response to a question about the competitive tendering exercise, explained that past tendering exercises had shown the market for drug and alcohol services to be robust. Many current providers were in the voluntary sector and were experienced within that service area and familiar with the County Council's contracting process.

2. RESOLVED that:-
 - a) the progress of the procurement of the East Kent drug and alcohol service be noted; and
 - b) the decision proposed to be taken by the Cabinet Member for Adult Social Care and Public Health, to award the contract for East Kent drug and alcohol services to the successful bidder, following competitive tender, be endorsed.

NOT BEFORE FEBRUARY 2017 BY CABINET MEMBER

Reference No: 17/00009	Key Yes Reason if Key Decision:
17/00009 - Visitor Economy Services	
<p>Background</p> <p>Under Key Decision 13/00080, a visitor economy services contract was awarded to Visit Kent at £280,000 per annum, for three years with an option to extend for a further three years to March 2020. Under the terms of the current contract, the County Council also agreed to provide additional staff and financial resources to support visit Kent's activities. The contract requires Visit Kent to develop and deliver innovation and creative solutions to grow the Kent visitor economy, and to support KCC's priorities for the sector which are to:</p> <ul style="list-style-type: none"> • Promote the county to target visitor markets, and to increase the numbers of visitors to Kent and the value of visitor spend; 	

- Support growth in the Kent visitor economy;
- Provide high quality support to the Kent tourism business sector;
- Improve the skills levels of employees within Kent’s visitor economy; and
- Attract additional public and private sector investment.

Policy context

The proposed decision is consistent with the following outcomes in KCC’s Strategic Statement (‘increasing Opportunities, Improving Outcomes):

- Kent communities feel the benefits of economic growth by being in work, healthy and enjoying a good quality of life (Strategic Outcome);
- Kent business growth is supported by having access to a well skilled workforce (Supported Outcome);
- All Kent’s communities benefit from economic growth and lower levels of deprivation (Supporting Outcome); and
- Kent residents enjoy a good quality of life and more people benefit from greater social, cultural and sporting opportunities.

Financial implications

The value of the County Council’s contract with Visit Kent for the period April 2017 to March 2018 would be £410,000. This would comprise the main contract (maintained at £280,000), staff resources seconded to Visit Kent (approximately £30,000) and a one-off financial contribution to support externally funded projects in support of the visitor economy (£100,000).

Legal implications

The contract is extendable under the terms of the current contract with Visit Kent for a period of up to 36 months.

Equalities implications

The new contract with Visit Kent will contain provisions for ensuring that the County Council’s equalities and diversities policies are adhered to. Visit Kent’s own equalities and diversities standards are consistent with those of the County Council.

17/00026 Proposed Changes to the Charging Policy for Home Care and other Non-Residential Care and Support	
Approval of proposed changes to the Charging Policy for Home Care and other Non-Residential Care and Support How the decision relates to Corporate Objectives: The policy changes would contribute to KCC's ability to provide services to people with care and support needs and is in line with the approved budget/MTFP for 2017/18. Financial Implications: The KCC budget for 2017/18 referenced a savings target which will be detailed in the report presented to the Adult Social Care and Health Cabinet Committee on 14 March 2017. Legal Implications: Section 14 of the Care Act 2014 sets out the local authority power to charge for meeting needs under section 18 of the Care Act 2014. Equality Implications: We have adhered to KCC's legal obligations as defined in the Equality Act 2010 and KCC's Equality and Diversity Objectives 2016 -2020. An equality impact assessment has been completed which will be taken into account in the decision-making. Is the matter referred to in your Business Plan or Medium Term Capital Programme? No

Reason if Key Decision:

16/00135 - Proposal to expand Wickhambreaux CE Primary School, The Street, Wickhambreaux, Canterbury, CT3 1RN, by 35 school places, starting from September 2018

How the decision relates to Facing the Challenge and Corporate Objectives

This proposal will help to secure the council's ambition "to ensure that Kent's young people have access to the education, work and skills opportunities necessary to support Kent business to grow and be increasingly competitive in the national and international economy" as set out in 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2016 2020)'.

The Commissioning Plan for Education Provision in Kent 2016-2020 sets out how the council will carry out our responsibility for ensuring there are sufficient places of high quality, in the right places, for all learners and this proposal supports that aim to provide sufficient places where they are needed.

Financial Implications: The costs of this project will be outlined in the report that will be considered by the Education and Young People's Services Cabinet Committee.

Legal Implications: Any legal implications will be identified in the report to the Cabinet Member for Education and Health Reform before he takes his decision to issue a public notice.

Equality Implications: An Equality Impact Assessment will be produced before the start of the consultation process and will be accessible on line via the following link: www.kent.gov.uk/schoolconsultations.

The matter is referred to in the directorates Business Plan/Medium Term Capital Programme.

<p>17/00012 - The primary and secondary school co-ordinated admissions schemes for 2018 and the admission arrangements for Kent community and voluntary controlled primary schools and the admission arrangements for Kent</p>	

community and voluntary controlled

Proposed decision: The Cabinet Member is asked to determine the primary and secondary school co-ordinated admissions schemes for 2018, the admission arrangements for Kent community and voluntary controlled primary schools and the admission arrangements for Kent community and voluntary controlled secondary schools, 2018.

How the decision relates to BS4K and Corporate Objectives:

The project is in line with Kent strategies and in particular supports the following;

Bold Steps for Kent prioritises

3 Ensure all pupils meet their full potential

4: Shape education and skills provision around the needs of the Kent economy

Financial Implications: Following the outcomes of the consultation there may be changes to school provision in identified areas. The costs to this provision will be identified in the subsequent reports that will be considered by Education and Young People's Services Cabinet Committee.

Legal Implications: Section 13A of the Education Act 1996 states every admission authority must, before the beginning of each school year, determine the admission arrangements which are to apply for that year. Local authorities are required by Section 92 of the School Standards and Framework Act and the Education (School Information) (England) Regulations 2002 to publish admission arrangements for all maintained schools in their area. Under section 88(1A) of the School Standards and Framework Act 1998 (as inserted by section 42 of the Education and Inspections Act 2006) it is the duty of a governing body of a community or voluntary controlled school, for which a local authority is the admissions authority, to implement any decision relating to the admission of pupils taken by the admission authority. Similarly, under section 89(3A) of the 1998 Act and regulations, the governing body of a voluntary aided or foundation school must implement a decision of the local authority, made under the relevant co-ordinated admission arrangements, whether a child should be granted or refused admission to the school. Failure to do so would amount to a breach of the admission authority's statutory duty.

Equality Implications: These will be identified in the report that is discussed by Education and Young People's Services Cabinet Committee

The matter referred to in the Directorate Business Plan/Medium Term Capital Programme.

Key Yes
Reason if Key Decision:

16/00146 Adoption of the Kent Waste Disposal Strategy

A decision is sought to adopt the Waste Disposal Strategy by the Cabinet Member for Environment and Transport.

The strategy presents the overall 'Ambition' for KCC up to 2035, it details a series of priorities and supporting objectives that will help to reach this ambition. Subject to Cabinet Member adoption of the strategy, an analytical and data led implementation plan with subsequent projects will be developed. Further public consultation will be undertaken, where required.

The proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)' by supporting the strategic outcome: Kent communities feel the benefits of economic growth by being in-work, healthy and enjoying a good quality of life, and the supporting outcome: Kent's physical and natural environment is protected, enhanced and enjoyed by residents and visitors.

Financial implications

Costs associated with strategy development and consultation were met from within existing budgets. The development of the strategy itself will not illicit any savings. However, the delivery of this strategy will find efficiencies, savings and income allowing the service to develop and evolve; it also recognises that in order to reach our ambition, there could be costs to deliver the strategy and in some instances require significant capital investment and/or the accessing of key funding.

Legal implications

There are statutory obligations required of a Waste Disposal Authority which must be met and therefore the strategy itself and any subsequent interventions to deliver the strategy must be compliant.

Equalities implications

An Equality Impact Assessment has been completed to ensure consideration is given to the impact of the strategy and the approach to consultation. This initial assessment indicates that the impact on users could be reasonably mitigated. Further and subsequent EqlAs will be conducted to understand positive and negative impacts upon customers when the implementation plan to deliver the strategy is produced and consulted upon, as required.

DECISION DETAILS

Decision Maker: Cabinet Member for Environment & Transport

Key Yes
Reason if Key Decision:

16/00147 Adoption of revised KCC Environment Policy

Background

KCC is the lead partner in delivering the Kent Environment Strategy and has had a publicly available Environment Policy since approximately 2005. Since April 2009, all KCC services have been certified to the International Standard for Environmental Management ISO14001, which requires the organisation to approve and publish its commitment to prevent pollution and continually improve its environmental performance in the form of an Environment Policy. A decision is required to confirm that the commitment statements in the revised draft are appropriate and that resources will be directed to achieve it.

Options

- a) Retain existing policy, which was last revised and published in 2012
- b) Approve a revised policy, which reflects the current Kent Environment Strategy and organisational priorities.

How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

The policy is directly linked to the Kent Environment Strategy and key strategy for KCC and its Kent partners. The policy commitments reflect the need to achieve resource efficiencies from utilities, waste and transport, which will deliver organisational cost savings. In addition, commitment to increasing resilience will ensure Kent communities benefit from reduced service disruption and be supported more effectively during severe weather events.

Financial implications

This directly supports Council budget savings. There are no additional financial implications beyond existing efficiency programmes and resources. Existing programmes being: LED street lighting strategy, Infrastructure targets to reduce the costs of energy, water and waste and use existing Mobilisation of Assets budget or utilise the 0% Salix invest-to-save-loan funds. All services are expected to achieve costs savings from business travel/transport and existing transformation activity/fleet refresh is largely delivering this.

Legal implications

Meeting ISO14001 assures processes are in place to deliver compliance with environmental legislation, reducing the risk of fines and negative PR due to non-compliance.

Equalities implications

In committing to increased organisational resource efficiencies, KCC will be able to direct its funds to support vulnerable people, ie elderly/disabled/disadvantaged children. Resilience activity similarly benefits these groups.

DECISION DETAILS

Decision Maker: Cabinet Member for Environment & Transport

<p>Reference No: 16/00148</p>	<p>Key Yes Reason if Key Decision:</p>
<p>16/00148 A2 Bean and Ebbsfleet Junction Improvement - funding contribution by the Strategic Transport Infrastructure Programme (STP)</p>	
<p>The Kent Thameside Strategic Transport Infrastructure Programme (STiP) is a package of improvements that respond to assessments of the individual impacts and mitigation measures for significant development across the boroughs of Dartford and Gravesham. A Key Decision was taken on 21 February 2008 (decision no 07/01108) agreeing to the County Council acting as the Accountable Body for the programme.</p> <p>The programme aims to provide key transport infrastructure improvements that would enable the planned level of development in Kent Thameside to be realised. Ultimately, the development will result in some 22,600 new homes and around 1 million m² of commercial development with the potential for 60,000 jobs. The programme would be largely funded through a combination of public sector grants and private sector contributions.</p> <p>Since the original decision was taken there have been considerable changes to the progress of developments and the available funding. This has resulted in a reduction in the then assumed funding levels reported in 2012 which were circa £84m down to £70m and an increase in projected scheme costs from £116m in 2012 to £169m today.</p> <p>This is largely from increased to the Bean and Ebbsfleet scheme of £45m and £7.5m for Dartford Town Centre. It is worth noting that the whole cost of the Bean and Ebbsfleet Scheme was included in the costing summary in 2012 and this equated to £80m. Considering that the STIP fund is only required to make a reasonable contribution (from S106 monies) and whilst the overall scheme costs may have increased to £125m the STIP fund is not required to cover the full amount.</p> <p>Financial implications – scheme</p> <p>As the Accountable Body for the programme, the County Council is responsible for the management of the programme and administration of funding received. A dedicated Programme Investment Fund has been set up within the County Councils corporate financial system and consists of the following funds and potential sources of funding:</p>	

- 13m Homes and Communities Agency Grant – received and held in the account.
- 12.7m Local Growth Fund scheme specific allocations/approvals – high confidence that this will all be approved.
- 5.1m New Homes Bonus (application is unlikely to be successful)/.

There are further amounts available to the fund by way of S106 monies and in the case of Dartford, potential CIL moneys which are subject to Member approval.

These amounts equate to

- £1,862,286m secured and received in the fund.
- £1,521,452m secured and held by the District Councils
- £31,025,550m secured but not received (Incl EQ).
- £2m subject to negotiation.

There are also additional S106,CIL monies identified that are either not secured, subject to lapsed permissions or development is not progressed which amounts to a further £10,275,820.

The total sum that would be available to the overall fund, assuming all elements could be confidently accounted for is £77,485,108.

However, applying a RAG status to all potential funds and removing the high risk/low confidence values, results in a potential STIP fund of £62,109,288. A summary of the above funding is attached in Appendix B.

Options

There is a requirement for the STIP fund to make a reasonable contribution to the A2 Bean scheme. The business case for the scheme is dependant on an acceptable level of private funding and a figure of £25m has been offered as a full and final contribution. In deciding this course of action, two options were considerate based on the above funding analysis:

- 1) A minimal contribution whereby an apportionment exercise is undertaken a percentage of each S106 (bearing in mind the pooling restrictions) in relation to the overall scheme cost and directing these monies to the project.
- 2) Direct to the Eastern Quarry S106 funds on £24.7m to the Project in their entirety as it is geographically adjacent to both the Bean and Ebbsfleet junctions plus an additional £300k from S106 monies.

A meeting of the lead STIP Members discussed these options and it was agreed that the most reasonable solution was to support option 2. This offer represents a pragmatic solution to the funding request, is easier to administer and fits within the level of funding that has been identified as potentially available with the highest level of confidence.

A third option would be to not contribute any monies to the scheme and force the issue back to DfT but this course of action would:

- a) Make the scheme unaffordable

- b) Have an adverse affect on the development plans for the area.
- c) Not be in line with previous agreements and commitments to funding contributions.

Financial implications

There are no financial implications to KCC. There is no provision for underwriting the monies nor is there the availability to forward fund. This has been conveyed to both HE and DfT and KCC has explained that the amounts can only be collected as and when the various triggers are met for the development. Therefore, the risk associated to the funding profile rests with HE and DfT. A profile for the Eastern Quarry S106 funds is contained in the attached letter from the Cabinet Member for Economic Development to DfT (Appendix A) and a summary table of the STIP funds as currently stands in Appendix B.

There are no direct legal implications of the recommendations in this report. There are no equalities implications.

Key Yes

Reason if Key Decision:

16/00151 - Young Carers Commissioning Update

This seeks to ensure full compliance with Kent County Council governance for the award of the Young Carers Service contract. This service is currently providing support to children and young people and Kent County Council is paying for this service; the report is to satisfy the governance arrangements for this contract.

The Council has a statutory obligation to provide for support for young carers; under the Children and Families Act 2014 and the Care Act 2014, Local Authorities must ‘take reasonable steps to identify the extent to which there are young carers within their area who have needs for support’ and are responsible for ‘assessing whether a young carer within their area has needs for support and, if so, what those needs are’.

The Early Help Commissioning Intentions for 2016/17 recognise that a new Young Carers Service could play a critical role in strengthening open access services and support for young people, thereby reducing demand for more intensive, specialist and costly services.

The Early Help and Preventative Services Commissioning Intentions for 2016/17 were approved via the following governance route:

- Portfolio Board – 25 June 2015;
- CAB – 22 July 2015 & September 2015;
- DIVMT – Various;
- Education Cabinet Committee - 18 September 2015;
- Corporate Board – 28 September 2015; and
- Full Cabinet Committee – 12 October 2015.

The Procurement Plan for the Young Carers Service was agreed at Procurement Board on 25 November 2015 (Appendix 2). The procurement route was an open tender exercise. As the required service can be categorised under Schedule 3 of the Public Contracts Regulations 2015 and as the value of the required service does exceed the higher threshold of €750,000 (£589,148 sterling equivalent), the Council had to advertise the opportunity on the Official Journal of the European Union (‘OJEU’).

Following an open tender procurement exercise, the authority to award the Young Carers Service contract was delegated to Peter Oakford as Cabinet Member for Specialist Children’s Services. However this decision was outside of the Education and Young Peoples Services Cabinet Committee and therefore a formal record of the decision to delegate authority to Peter Oakford is not available.

Financial implications: The total lifetime (i.e. 36 + 12 months) value of the contract is £1,316,550.73.

	Year 1	Year 2	Year 3	+ Year 4
Mobilisation	£1,430.00	N/A	N/A	N/A
Direct Support for Young Carers	£268,480.88	£295,271.76	£295,271.76	£295,271.76
Workforce Development	£56,459.52	£43,938.81	£30,213.12	£30,213.12
Total:	£326,370.40	£339,210.57	£325,484.88	£325,484.88

There are no specific financial implications attached to this contract. Budget savings were not attached to this contract in recognition of the need for a service with additional capacity to provide workforce development as well as direct support to young carers to ensure Kent County Council remains in compliance with the legislative requirement within the Care Act 2014 and the Children’s and Families Act 2014 to “take reasonable steps to identify the extent to which there are young carers within their area who have needs for support” and “assessing whether a young carer has needs for support, and if so what those needs are”.

Legal Implications: Kent County Council has a statutory responsibility as defined within the Care Act 2014 and the Children and Families Act 2014 to “take reasonable steps to identify the extent to which there are young carers within their area who have needs for support” and “assessing whether a young carer has needs for support, and if so what those needs are”.

The contractor is continuing to deliver the Young Carers Service as per the contract and is being paid by Kent County Council accordingly. However the Young Carers Service contract remains unsealed and in order to protect both the contractor and the Council action is required to enable the legal sealing of the contract.

Equalities Implications: An Equalities Impact Assessment has been undertaken and it has determined that awarding the Young Carers Service contract would have a low impact on service users with protected characteristics.

Key Yes

Reason if Key Decision:

16/00150 - Housing Related Support for Young People at Risk (16 - 25 year olds)

How the decision relates to Corporate Objectives

Young People at Risk services currently support 16 and 17 year old Children in Care, Care Leavers, vulnerable 16 and 17 year olds (not in care) and 18+ vulnerable young people.

KCC has a statutory duty to provide suitable and safe accommodation that

has the right level of support for Children in Care. KCC must also accommodate 16 and 17 year old child in need (in accordance with Section 20 of the Children's Act 1989), a child / young person to whom Bail has been denied and children remanded to local authority accommodation (RLAA) and 16 and 17 year old Care Leavers (Relevant).

KCC must provide Care Leavers with support and financial support to assist in promoting their welfare, especially in relation to maintaining suitable accommodation and promoting education and training.

A fundamental component of the Care Act 2014 is the 'suitability of accommodation' in meeting the at home care and support needs of vulnerable people. The Act and the accompanying regulations and guidance outline how housing can support a more integrated approach and sets out local implementation requirements. Of particular note is that housing also includes housing related support or services.

Financial Implications: The current value of these contracts is £2,973,950.96 per annum.

Legal Implications: The 'Spending the Council's Money' policy expects procurement to be competitive, and the Council's default position regarding competition is that competition is required for all purchases. However, a number of special circumstances exist where this may not be applicable or possible, e.g. the purchasing of adult and children's services is required by law under the National Assistance Act 1948 and the Children Act 1989. Alternative processes are set out in Directorate Operational Procedures.

Equality Implications: An EQIA assessment has been undertaken. The EQIA supports the intention to diversify provision according to individual needs of service users.

<p>Reference No: 17/00013</p>	<p>Key Yes Reason if Key Decision: None.</p>
17/00013 - Expansion of Deal Parochial CR Primary School by 0.5 fte	
<p>Proposed decision:</p> <ol style="list-style-type: none"> 1. To expand Deal Parochial CE Primary School by 0.5FE; 2. To authorise the Director of Infrastructure in consultation with the General Counsel to enter into any necessary contracts/ agreements on behalf of the County Council; 3. To authorise the Director of Infrastructure to be the nominated Authority Representative within the relevant agreements and to enter into variations as envisaged under the contracts. Variations to contract value to be no more than 10% above the capital funding agreed by the Cabinet Member without requiring a new Record Of Decision: and 4. To authorise the Corporate Director - Education and Young People's Services to issue Public Notice to expand the school. 	

How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'.

The project is in line with Kent strategies and in particular the following Supporting Outcomes:

- **Kent's communities are resilient and provide strong and safe environments to successfully raise children and young people**
- **The attainment gap between disadvantaged young people and their peers continues to close**
- **All children and young people are engaged, thrive and achieve their potential through academic and vocational education**
- **Kent young people are confident and ambitious with choices and access to work, education and training opportunities**

Financial Implications:

The costs to this project will be outlined in the report that will be considered by the Education and Young People's Services Cabinet Committee.

Legal Implications:

Any legal implications will be explained in the report to the Cabinet Member prior to him taking his decision.

Equality Implications:

Equality Implications: An Equality Impact Assessment will be produced before the start of the consultation process and will be accessible on line via the following link:

17/00016 - HT&W Soft Landscape service - re-procurement of the urban grass shrubs and hedges contract	
<p>Background</p> <p>The current contract expires 31 December 2017. Extension options have been considered by the Strategic Commissioning Board. However, these options are not viable in this instance as the incumbent supplier is unable to continue. Accordingly, in order to ensure a seamless service remains in place a new procurement is required which has the flexibility to accommodate devolution and enable local councils to opt in or out of the contract moving forward. Ongoing procurement with appropriate economies of scale enable market testing and ensures that the rates KCC pay for the work are competitive and reflective of the current market.</p> <p>Options</p> <p>The commissioning of all work streams within the soft landscape service was considered and agreed by the Strategic Commissioning Board on 4 July 2016. A broad range of commissioning solutions were debated and the extension of the current contract was preferred. However, the incumbent supplier is unable to continue. Therefore, the re-procurement of the urban grass shrubs and hedges service (Maidstone, Dartford, Canterbury and Thanet) will now be bought forward to ensure a seamless flexible service remains in place.</p> <p>How the proposed decision meets the objectives of ‘increasing opportunities, improving outcomes: KCC’s Strategic Statement 15-20’</p> <p>The urban grass shrubs and hedges service is a discretionary service that keeps Kent’s Roads moving and assists economic growth.</p> <p>Financial implications</p> <p>The annual spend is estimated at £325k per annum and will continue to be funded from the soft landscape budget. The proposed contract length will be five years with an option to extend the contract for up to a further two years, on a one plus one basis. Should KCC decide to run the contract for the full term (seven years), including extensions the total expenditure is estimated at £2,275,000.</p> <p>Legal implications</p> <p>There are no significant legal constraints. Standard procurement risks would apply.</p>	

Equalities implications

Equality implications were considered during the analysis phase of the commissioning cycle. No significant impacts were identified through re procurement of the services.

NOT BEFORE APRIL BY CABINET MEMBER

Reference No: 16/00139	Key Yes Reason if Key Decision:
16/00139 Proposal to increase capacity at Regis Manor Primary School	
How the decision relates to Facing the Challenge and Corporate Objectives	
This proposal will help to secure our ambition “to ensure that Kent’s young people have access to the education, work and skills opportunities necessary to support Kent business to grow and be increasingly competitive in the national and international economy” as set out in ‘Increasing Opportunities, Improving Outcomes: Kent County Council’s Strategic Statement (2016 2020)’.	
The Commissioning Plan for Education Provision in Kent 2016-2020 sets out how we will carry out our responsibility for ensuring there are sufficient	

places of high quality, in the right places, for all learners and this proposal supports that aim to provide sufficient places where they are needed.
 Financial Implications: The costs to this project will be outlined in the report that will be considered by the Education and Young People's Services Cabinet Committee.
 Legal Implications: Any legal implications will be identified in the report to the Cabinet Member for Education and Health Reform before he takes his decision to issue a public notice.

Equality Implications: An Equality Impact Assessment has been produced and the Island Learning Trust is carrying out a consultation on the proposed increase of capacity from 510 places to 620 places and is available on line via the following link: www.kent.gov.uk/schoolconsultations.

As the school is an academy the final decision to permanently increase the capacity of the school will be made by the Regional Schools Commissioner.

NOT BEFORE JULY 2017 BY COUNTY COUNCIL

Reference No: 14/00020	Key Yes
Reason if Key Decision:	
Local Transport Plan 4 (now incorporating Growth Without Gridlock refresh)	
<p>Latest Update: The LTP4 (inc. Growth Without Gridlock) consultation has received a high number of responses. In order to properly analyse and report on findings the due date for decision has been moved to 13 July 2017.</p>	

19/05/2014 - Decision due date changed from 10/02/2014 to 17/09/2014.
REASON: The strategic position relating to Highways and Transportation projects was set out as part of the LEP Strategic Economic Plan submitted via KMEP and the LEP to the Secretary of State at the end of March 2014, you can view the decision to submit and the document submitted here, <https://democracy.kent.gov.uk/ieDecisionDetails.aspx?ID=577>

Central Government is expected to announce a funding allocation in July 2014. Based on these allocations the final selection and prioritisation of projects for inclusion in Growth without Gridlock will take place and the strategy as completed can be adopted by decision of the Cabinet Member.

The decision date has been updated to 'not before' 17 September 2014 in order that the draft strategy can be considered by the relevant Cabinet Committee before any decision is taken.

DECISION:

To approve the LTP4 including Growth without Gridlock.

DECISION DETAILS

Decision Maker: County Council
Expected Date: July 2017

FURTHER INFORMATION

CONSULTATION

An earlier version was discussed at January 2013 Cabinet Committee with only minor comments received.
The final draft was considered by the Cabinet Committee on 21 January 2014. All Members and Electoral Divisions are affected by this proposed decision.

16/00101 - Proposal to expand Marden Primary School	
<p>The Cabinet Member for Education and Health Reform will be asked to agree to:</p> <ol style="list-style-type: none"> i. Expand Marden Primary School, Goudhurst Road, Marden, Tonbridge, Kent, TN12 9JX, from 280 places to 420 places, increasing the published admission number (PAN) from 40 to 60 for Year R entry in September 2018 ii. Allocate the budget from the Basic Needs budget (full details to be provided within the Education and Young People’s Services Cabinet Committee Report) <p>In accordance with Appendix 4 Part 2 16 (a) of the Council’s constitution, the Council’s Executive Scheme of Officer Delegation provides that “Once a Member-level decision has been taken.....the implementation of that decision should be delegated to officers...” In this instance it is envisaged that the Director of Infrastructure will inherit the authority to act and will enter into any necessary contracts/ agreements on behalf of the County Council or further delegate responsibilities in accordance with 16 (c) of the same scheme “Senior Managers</p>	

exercising delegated powers will...be able to sub-delegate...functions to more junior officers”

DECISION DETAILS

Decision Maker: Cabinet Member for Education & Health Reform
Expected Date: Not before January 2018

FURTHER INFORMATION

This proposal will help “to ensure that Kent’s young people have access to the education....necessary to support Kent business to grow ...” as set out in ‘Increasing Opportunities, Improving Outcomes: Kent County Council’s Strategic Statement (2015 - 2020)’ and supports delivery of KCC’s responsibility to provide sufficient, high quality places where they are needed as set out in the ‘Commissioning Plan for Education Provision in Kent 2016-2020’

Financial Implications: Will be set out in the report that will be considered by the Education and Young People’s Services Cabinet Committee.

Legal Implications: Any legal implications will be identified in the report that will be considered by the Education and Young People’s Services Cabinet Committee

Equality Implications: An Equality Impact Assessment has been produced and can be viewed here: www.kent.gov.uk/schoolconsultations .

CONSULTATION

The Commissioning Plan for Education Provision 2016-20 identified Marden as an area of future need and Marden Primary School was therefore proposed for expansion to meet that predicted demand. The Plan was considered and endorsed by the Education and Young People’s Services Cabinet Committee on 15 December 2015 prior to the final version being considered and approved by Cabinet on 21 March 2016.

A public consultation commenced on 23 September 2016 and closed on 21 October 2016. Further information is available on the School Consultation webpage: www.kent.gov.uk/schoolconsultations

The outcome of the consultation was due to be reported to Education and Young People’s Services Cabinet Committee on 23 November. The report was deferred, pending further discussions on the design and planning process and will be considered by the Cabinet Committee at its meeting scheduled for 30 March

Outline Planning will be submitted within next 3 months with a view to marketing site 'subject to planning' once the application has been submitted.</p> <p data-bbox="193 1485 1370 1630">Freeman's Way: Extensive consultation has taken place between KCC and Dover District Council's Estates team and a planning pre application will be submitted in March 2015, if successful, KCC will submit outline planning application prior to marketing the site 'subject to planning'.</p> <p data-bbox="193 1700 1394 1809">Update - 01/12/2014 – The decision to dispose of land at London Road, Westerham is ready to be taken separately from the others advertised in this package. It has been published separately at 14/00068(a) and can be viewed by clicking on this link.</p> <p data-bbox="193 1843 1299 1877">https://democracy.kent.gov.uk/mglIssueHistoryHome.aspx?Ild=32262&Opt=0</p> <p data-bbox="193 1910 1358 2020">Reference to the land has been removed from this issue but the 28 day statutory publication for the intention is deemed to have been fulfilled as part of this original entry.</p>	

Approval is sought for the Director of Property and Infrastructure Support to progress with and enter into the necessary documentation to complete the disposal of Dumpton Park Drive, Broadstairs and Freeman's Way, Deal in consultation with the Cabinet Member for Corporate and Democratic Services.

Stock Lane, Wilmington, previously listed as part of this decision has been withdrawn.

London Road, Westerham, previously listed as part of this decision has been deleted and is now at 14/00068(a)

This decision will secure a capital receipt to fund the capital programme and to streamline the Council's property portfolio in order to achieve financial and efficiency benefits in line with the Property Policy.

The impact of the decision will be that the receipt will be achieved as quickly as possible should planning permission be granted, to ensure that the capital programme is delivered and to minimise holding costs. Without the decision, KCC will be unable to respond to offers in a timely fashion without losing the prospective purchaser. This would affect the delivery of the capital programme and increase holding costs.

DECISION DETAILS

Decision Maker: Cabinet Member for Corporate & Democratic Services
Expected Date: Not before December 2015

FED ENTRY North Kent 2016-2017 V1 1 (2)

Reference No: 12/01923

Individual plans will be numbered 12/01923 (a) (b) (c) etc.
 Canterbury Local Transport Plan

Key Yes

Reason if Key Decision: The decisions are likely to be significant in terms of their effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

Local Transport Strategies - Approval - Various.

Update July 2015
Decision taken

Update June 2015
Proposed decision published for comment 24 June 2015

Update April 2015

Decision considered and endorsed by the April 2015 Environment and Transport Cabinet Committee

Decision deferred as issues brought to the attention of the Cabinet Member during the proposed decision publication period are resolved.

Update 17 February 2015:

Proposed decision to endorse the principles set out in the Canterbury Local Transport Plan published.

Update 4 February 2015:

The Canterbury Local Transport Strategy was considered and the principle endorsed by the Environment and Transport Cabinet Committee in December 2014. A formal decision will now be taken by the Cabinet Member which will set out the terms of the support for the strategy.

To agree various local transport strategies.

The strategies will 'Help the 'Kent Economy Grow' and 'Tackle Disadvantage' by managing congestion in town centres, improving the reliability of journey times for commuters and visitors and managing freight journeys more successfully. This will in turn enhance key sustainable transport links to employment, education and health care.

Impacts / Costs and risks of proposed decisions:

The transport strategies to be agreed all form part a key part of evidence base for the relevant Local Plan. These plans will be subject to and examination in public by and independent planning inspector during 2015. The appropriateness and deliverability of each strategy will be an important consideration in the inspector's decision on the soundness of the Plan as a whole.

The delivery of each transport strategy will be heavily dependent on securing funding contributions from development through the section 106 and Community Infrastructure Levy (CIL) processes, as KCC's Local Transport Plan funding allocation from Central Government is likely to be under sustained pressure from the foreseeable future. KCC will not be the charging authority therefore it will be reliant on each local council as the planning authority to allocate sufficient CIL revenue to the priority transport infrastructure projects identified in the strategy. The availability of CIL revenue will in turn be dictated by the phasing and extent of new development which will be influenced by a range of external factors.

<p>Update 09/03/2015: DEFERRED: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value is secured; surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.</p> <p>Latest Update: 19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014. REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.</p> <p>-----</p> <p>To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.</p> <p>To seek approval to identify and progress with the acquisition of a new site for the service.</p> <p>The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.</p> <p>This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.</p> <ul style="list-style-type: none"> • Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot. • Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes. • Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response. <p>The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.</p>	
DECISION DETAILS	
<p>Decision Maker: Cabinet Member for Corporate & Democratic Services Expected Date:</p>	

FURTHER INFORMATION	
CONSULTATION	
<p>The matter was considered by the Property Sub Committee of the Policy and resources Cabinet Committee at its meeting on 27th February 2013. The proposed decision was endorsed by the Committee.</p> <p>The report to committee was exempt from publication and consideration of it took place in private.</p> <p>Public minutes can be viewed by clicking on the link below:</p> <p>https://democracy.kent.gov.uk/documents/g5176/Printed%20minutes%2027th-Feb-2013%2014.00%20Property%20Sub-Committee.pdf?T=1</p>

Eden Centre Lease	
<p>LATEST UPDATE: 19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015. REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.</p> <p>-----</p> <p>To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.</p> <p>The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.</p> <p>The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.</p>	

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset
- Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).

DECISION DETAILS

Decision Maker: Cabinet Member for Corporate & Democratic Services
Expected Date:

FURTHER INFORMATION

Not a key decision

CONSULTATION

The Eden Church, Citizen's Advice Bureau, House (West Kent Action), Edenbridge Library and FSC as partners in the centre. It is expected that representatives from all of these occupier groups will be represented by the charitable vehicle trustees, along with Sevenoaks District Council and Edenbridge Town Council.
