

FORWARD PLAN OF DECISIONS

Each month the Council publishes a Forward Plan of Decisions expected to be taken during the following six months.

A “Key Decision” is an Executive-side Decision which is likely to:

- (a) result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the area of the local authority.

Key Decisions can only be taken by the Cabinet, the Leader or an individual Cabinet Member.

Decisions which should be regarded as Key Decisions because they are likely to have a significant effect either in financial terms or on the Council’s services to the community include:

- (a) Decisions about expenditure or savings over £1,000,000 which are not provided for within the approved budget or Medium Term Financial Plan
- (b) Adoption of major new policies not already included in the Policy Framework (Constitution Appendix 3) or changes to established policies
- (c) Approval of management and business plans
- (d) Decisions that involve significant service developments, significant service reductions, or significant changes in the way that services are delivered, whether County-wide or in a particular locality. For example, closure of a school, approval of a major project (such as a highway scheme) or programme of works, major changes in the eligibility criteria for provision of a service, major changes in the fees charged for a service, or proposals that would result in a service currently provided in-house being outsourced.
- (e) Decisions where the consequences are likely to result in compulsory redundancies or major changes in the terms and conditions of employment of a significant number of employees in any of the Council’s functions.

Preparation of the Forward Plan helps the Council to programme its work and ensures compliance with the Local Government Act 2000. Every month, the period covered by the Plan will be rolled forward by one month and the plan will be republished.

The Plan outlines the consultation that is proposed in respect of future decisions and who members of the public and the Council should contact to make comments on any particular item. Anyone is entitled to obtain copies of the documents that will be relied upon when a decision is taken, unless those documents are ‘Exempt’ within the meaning of the relevant sections of the Local Government Act 1972 (as amended).

Reports related to decisions will be published on the Council's web site at www.kent.gov.uk at least five days before the decision it is due to be taken. Once the decision has been taken, a copy of the Record of Decision will also be published on the Council's website.

The Kent County Council Cabinet Members are:	
Mr Paul Carter	Leader of the Council and Cabinet Member for Traded Services and Health Reform
Mr Peter Oakford	Deputy Leader and Cabinet Member for Strategic Commissioning and Public Health
Miss Susan Carey	Cabinet Member for Customers, Communications and Performance
Mr Mark Dance	Cabinet Member for Economic Development
Mr Graham Gibbens	Cabinet Member for Adult Social Care
Mr Roger Gough	Cabinet Member for Children, Young People and Education
Mr Mike Hill	Cabinet Member for Community and Regulatory Services
Mr Eric Hotson	Cabinet Member for Corporate and Democratic Services
Mr John Simmonds	Cabinet Member for Finance
Mr Mike Whiting	Cabinet Member for Planning, Transport, Highways and Waste

All Members can be contacted by writing to Kent County Council, Sessions House, County Hall, Maidstone, Kent, ME14 1XQ or by email via the Council's website.

This will be further developed by the contractor Network Rail</p>

An Equality Impact Assessment will be carried out by DDC to inform the entire Open Golf 2020 Project by DDC.

KCC will carry out an Equality Impact Assessment to inform the event's Transport Plan.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

A series of local working groups, including one with the local businesses and communities, are in the process of being established. A number have already met.

The Growth, Economic Development and Communities Cabinet Committee considered The Open in March 2017 and resolved that

- The announcement by the Royal and Ancient Golf Club to host The Open 2020 at Royal St Georges be welcomed; and
- The work underway to deliver the associated transport improvements at Sandwich Station was noted.

The proposed decision will be discussed at the Growth, Economic Development and Communities Cabinet Committee on 3rd July 2018.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

KCC has previously committed £250, 000 to the core capital cost of this project.

KCC is intending to underwrite the final 28% of contingency for this project, should it be called upon, a sum of £242, 220.

KCC will be providing a project manager to this project from summer 2019 to summer 2019. This will be created as a role within an existing staff member's job description within the KCC Sport and Physical Activity Service, so the authority will not incur any additional revenue cost.

Other costs associated with this project will be absorbed within existing budgets.

NOT BEFORE 6 JULY 2018 BY CABINET MEMBER

<p>Responsible Cabinet Member - Cabinet Member for Planning, Highways, Transport and Waste</p> <p>Reference No: Much of highway infrastructure maintenance activity is based upon statutory powers and duties contained in legislation and precedents developed over time arising from outcomes of claims and legal proceedings. Well-managed Highway Infrastructure is non-statutory however as with Well Maintained Highways, the new code will be deemed to be guidance on best practice by the courts. Our ability to show that we are not a negligent highway authority and demonstrate our defence of implementing all reasonable measures will depend on evidencing how we comply with the principles of Well-managed Highway Infrastructure. The County Council will be required to demonstrate a robust decision-making process, an understanding of the consequences of those decisions, and how the associated risks are managed to ensure highway safety. If KCC decide not to accept the recommendations of the Code, the reasons for doing so would need to be clearly documented and approved.</p>
<p>Key Yes</p>
<p>Section 1 – the decision needed, how it relates to the Council’s Corporate Outcomes and the Costs and risks involved.</p>
<p>Title: 18/00032 - To adopt and implement the principles outlined in Well-managed Highway Infrastructure (2016)</p> <p>The Decision needed: Background</p> <p>Well-managed Highway Infrastructure was published in October 2016 and will replace Well-maintained Highways 2005 when it becomes fully effective in October 2018. Like its predecessor, Well-managed Highway Infrastructure is a national, non-statutory code of practice which sets out a series of general principles for highway maintenance. It is endorsed and recommended by the Department for Transport and its production has been overseen by the UK Roads Liaison Group (UKRLG) and its Roads, Bridges and Lighting Boards. However, the new Code of Practice is less prescriptive and instead promotes the adoption of an integrated asset management approach to highway infrastructure based on the establishment of local levels of service through risk-based assessment. In the interest of route consistency for highway users, all authorities, are encouraged to collaborate in determining levels of service, especially</p>

across boundaries with neighbours responsible for strategic and local highway networks.

From October, our ability to demonstrate we are not a negligent highway authority and put forward a special defence and implementing all reasonable measures will depend on evidencing how we comply with the principles of Well-managed Highway Infrastructure. The County Council will be required to demonstrate a robust decision-making process, an understanding of the consequences of those decisions, and how the associated risks are managed to ensure highway safety.

Well-managed Highway Infrastructure sets out a number of principles which it asserts should underpin our approach to highway service delivery. These are summarised in a series of 36 recommendations.

How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

Funding to maintain the highway network is finite and investment decisions need to balance the competing needs and interdependencies of highway users, local communities, businesses and our highway assets themselves. Adopting an informed and holistic risk-based approach enables integrated asset management and supports a principle of spending the right amount of money at the right time to keep our highway network safe and our assets working properly to meet the needs of Kent's people, businesses and visitors now and in the future.

Effective risk management and integrated highway asset management is vital in supporting the delivery of the County Council's three strategic outcomes:

(1) Children and young people in Kent get the best start in life

Managing risk and apply asset management principles to create a safe and resilient highway network enables reliable journeys. These journeys enable Kent's young people to access work, education and training opportunities, supporting them to achieve their potential through academic and vocational education.

(2) Kent communities feel the benefits of economic growth by being in work, healthy and enjoying a good quality life

Creating a highway network that is resilient is key to economic prosperity. As well as connecting the County's towns and villages, Kent highways also provide a key strategic link between the Capital and ferry, air and rail services to mainland Europe.

(3) Older and vulnerable residents are safe and supported with choices to live independently.

Safe and reliable highways provide valuable access to services, amenities and social activities for older and vulnerable people supporting them to live with greater independence. The demands of an aging population and the potential barriers to independent living need to be recognised and inform decisions we make about levels of service and maintenance priorities.

Options

(1) Fully adopt the 36 recommendations of Well-managed Highway Infrastructure

The Code of Practice is endorsed and recommended by the Department for Transport and promotes the adoption of an integrated asset management approach to highway infrastructure based on the establishment of local levels of service through risk-based assessment. The recommendations uphold the County Council's vision and strategic objectives, align with the approved approach to highway asset management, and will enable the County Council to demonstrate we are not a negligent highway authority and put forward a special defence and implementing all reasonable measures effectively.

(2) Only adopt selected recommendations of Well-managed Highway Infrastructure

The County Council could elect to only partially adopt the recommendation of Well-managed Highway Infrastructure. The risk associated with this approach is dependent on which recommendations are discounted however whichever recommendations are not accepted, the reasons for doing so would need to be clearly documented and approved.

(3) Do not adopt the recommendations of Well-managed Highway Infrastructure

Much of highway infrastructure maintenance activity is based upon statutory powers and duties contained in legislation and precedents developed over time arising from outcomes of claims and legal

proceedings. Well-managed Highway Infrastructure is non-statutory however it will be deemed to be best practice by the courts.

A decision not to adopt the Code of Practice would need to be clearly documented and approved and could compromise the County Council's position with respect to demonstrating that we are a competent and compliant highway authority.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Planning, Highways, Transport and Waste

Date:

Not before July 2018

Reason if Key Decision

Adopting the principles of the code will promote documented consideration of all the implications pertaining to service level decisions including the Public Equality Duty.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

Adopting the principles outlined in Well-managed Highway Infrastructure will not directly result in a service changes due to efficiently, economy or effectivity and therefore formal consultation is not required. However, the County Council was actively involved in an industry consultation exercise that took place in 2015 prior to publication of the Code of Practice:

- During February and March of 2015, a series of workshops were held in England, Scotland and Wales. The workshops offered participants, including representation from KCC, the opportunity to express their views on the review and influence the contents of the Codes.
- A full draft of version 2 of the revised Code of Practice was circulated in the summer of 2015 for comment. The consultation saw response from all parts of the maintenance sector, with more than 600 comments received from organisations, representing not only highways, structures and lighting practitioners, but also views from professional institutions,

user groups, risk, legal and insurance backgrounds. KCC provided a full response to this consultation.

It is planned that the proposed decision will be discussed by the Environment and Transport Cabinet Committee on 13 July 2018.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The cost of implementing The Code of Practice is estimated to be £140k including staff time, project management and ICT development. Once implemented there will be no directly attributable financial implications because the code does not prescribe specific service standards. However, the process for budget setting and making investment decisions will be enhanced, supporting the County Council's vision to ensure that "every pound spent in Kent is delivering better outcomes for Kent's residents, communities and businesses". Failure to adopt The Code of Practice has the potential to compromise the County Council's ability to defend claims and demonstrate our defence of implementing all reasonable measures to meet with our statutory obligation. The financial implication of this would be increased numbers of settled claims however it is not possible to forecast the scale at this time.

NOT BEFORE 4 JULY 2018 BY CABINET MEMBER

Responsible Cabinet Member - Cabinet Member for Children, Young People and Education

Reference No: Any legal implications will be identified in the report to the Cabinet Member for Children, Young People and Education before he takes the decision to issue a statutory public notice.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

18/0028 - Proposal to make prescribed alterations to St Nicholas (Community Special) School from September 2019

The Decision needed:

Proposed decision:

To issue a statutory public notice to permanently increase the designated number of the school from 200 to 285.

The School has a designated number of 200 and provides for children and young people aged between 4 and 19 who have profound, severe and complex learning difficulties. Many of the pupils also have additional difficulties – physical disabilities, epilepsy, autism and sensory impairment.

Satellite provision of St Nicholas School will be created at Spires Academy for secondary-aged pupils and The Canterbury Primary School for primary-aged pupils, to facilitate the increase in the designated number.

How the decision relates to Facing the Challenge and Corporate Objectives:

This proposal will help to secure the County Council's ambition "to ensure that Kent's young people have access to the education, work and skills opportunities necessary to support Kent business to grow and be increasingly competitive in the national and international economy" as set out in 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015 - 2020)'.

The Commissioning Plan for Education Provision in Kent 2018-2022 sets out how the Council will carry out its responsibility to ensure there are sufficient places of high quality, in the right places, for all learners, and this proposal supports that aim. The Council plans to create over 900 new specialist places across the period of the plan.

The 'Strategy for children and young people with Special Educational Needs 2017-19' sets out how the County Council will;

- 1) Improve the educational, health and emotional wellbeing outcomes for Kent's children and young people with SEN and disabilities
- 2) Ensure Kent delivers the statutory changes (required by the Children and Families Act 2014)
- 3) Address the gaps in provision for children and young people with SEN and disabilities; improve the quality of provision; develop the broadest range of providers, and encourage a mixed economy.

The matter is referred to in the Business Plan/Medium Term Capital Programme.

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The matter will be discussed at the Adult Social Cabinet Committee on 4 July 2018.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The expected spend on these services is approx. £4m, with the costs shared between KCC, the local Kent CCGs and NHSE. The services will be procured through a zero-value framework.

Developing this new service does not commit KCC to any spend. The service will be person-centred and so the needs of each person who is discharged from hospital will be assessed on an individual basis. Commissioners and the providers will work with the person and their family to design their individual care and support plans. This will then be costed and commissioners across health, social care (and education where appropriate) will negotiate the proportion of spend for each agency using agreed section 117 protocols.

Support documents

<p>Responsible Cabinet Member - Cabinet Member for Adult Social Care</p> <p>Reference No: The main legislative framework for the Care in The Home Service is the Care Act 2014, and the principles of Mental Capacity Act 2005. These are statutory duties, and the new service will be compliant with both legislation. Transfer of Undertakings (Protection of Employment) Regulations 2006 as amended by the Collective Redundancies and Transfer of Undertakings (Protection of Employment) (Amendment) Regulations 2014 (TUPE) is likely to apply, and the council will ensure in the event of a change of employer, that it will undertake necessary arrangements, within its remit, to provide for the protection of employees' rights.</p> <p>Key Yes</p>
<p>Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.</p>
<p>Title: 18/00030 - Care in the Home Service</p> <p>The Decision needed: Procure a new Care in the Home Service for adults and children with assessed needs for services delivered at home or in the community. The new Care in the Home Service will bring together the following under one contractual arrangement: Homecare; Discharge to Assess; Supporting Independence Services and Supported Living Services. The contract will commence in April 2019.</p>
<p>Section 2 – Who is taking the final decision and when</p>
<p>Who is taking the Decision Cabinet Member for Adult Social Care</p> <p>Date: Not before July 2018</p> <p>Reason if Key Decision An Equality Impact Assessment has been completed and will be updated as the work to deliver the new contracts is progressed.</p> <p>Reason if this decision has been delayed/withdrawn from a previous plan</p>

Responsible Cabinet Member - Cabinet Member for Economic Development

Reference No: 18/00024(a):

The launch of this scheme is dependent on securing state aid approval from BDUK. Given that the scheme's design has been based on previously BDUK run voucher schemes, this is not anticipated to be an issue.

18/00024(b):

There is provision within the terms of the BDUK Phase 2 contract for gainshare funding to be reinvested. All contract extensions are subject to BDUK state aid approval. BDUK have advised KCC that the £4.545 million of gainshare funding can be reinvested through the UK's Government current state aid agreements, subject to state aid assurance of BT's final proposal.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

18/00024(a) - Kent Broadband Voucher Scheme & 18/00024(b) - Investment of additional gainshare funding to increase superfast broadband coverage (BDUK Phase 2 Project Extension)

The Decision needed:

18/00024(a): Kent Broadband Voucher Scheme

Kent County Council has been working with the Government's broadband agency, Broadband Delivery (UK) to improve access to superfast broadband services. To date this work, through the delivery of the Phase 1 and Phase 2 projects, has already brought superfast broadband to over 135,000 homes and businesses and has meant that 95% of properties across Kent can now access a superfast broadband service.

The Council is keen to pilot a voucher scheme to benefit those properties in hard-to-reach locations which are outside the scope of the current BDUK Phase 2 project. The Kent Broadband Voucher Scheme will offer up to £1,700 per property for the provision of a superfast or ultrafast broadband connection in these areas.

18/00024(b): Investment of additional gainshare funding to increase superfast broadband coverage (BDUK Phase 2 Project Extension)

Under Key Decision 14/00114 the Phase 2 contract to extend the reach of superfast broadband to at least 95% of properties in Kent was awarded. This contract built upon the BDUK Phase 1 project which increased the level of superfast broadband coverage to 91% by connecting properties that were outside the scope of market-led upgrade programmes.

These contracts were co-funded by the Government's broadband delivery agency, Broadband Delivery UK (BDUK) and procured under the Government's broadband procurement framework. Under this framework, all contracts contain a clause preventing the supplier being over subsidised. This means that if take-up exceeds 20% after seven years following the completion of the infrastructure build, money (referred to as gainshare) will be returned to an investment fund held by the supplier. The intention is that this funding should be recycled into additional coverage by extending current contracts.

The BDUK Phase 1 infrastructure build was completed in March 2016 and take-up is currently at 51%. This means that KCC now has up to £4.545 million of gainshare funding which can be reinvested by extending the Phase 2 contract. BT is in the process of modelling the potential additional superfast coverage that this funding could deliver.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Economic Development

Date:

Not before June 2018

Reason if Key Decision

18/00024(a):

By improving broadband access this project will have a positive impact for all communities including those with protected characteristics. The Equality Impact Assessment undertaken for the project has identified no high or medium non-favourable impacts for protected groups.

18/00024(b):

This project is outside the scope of EQIA because we are providing infrastructure. However, through improving broadband access this project will have a positive impact for all communities including those with protected characteristics.

<p>Title: 18/00026 - A249 Bearsted Road Maidstone Major Infrastructure Improvement - Kent Medical Campus</p>

The Decision needed:

The Kent Medical Campus Enterprise Zone is a key employment site for Kent and will create 3,000 highly skilled jobs. The proposed scheme aims to accommodate the increased traffic volume to the Kent Medical Campus site by upgrading two nearby junctions. The A249 Bearsted Road and New Cut Road roundabouts will be enlarged and provided with Smart technology signals to help ease congestion and improve traffic flow.

Title:

18/00007 - Public Rights of Way Access Improvement Plan

The Decision needed:

This project aims to produce a new Countryside Access/Rights of Way Improvement Plan for Kent, for the period 2017 – 2027. Kent County Council has a legal duty to prepare and review a Public Rights of Way Improvement Plan (ROWIP) under Section 60 of the Countryside and Rights of Way Act 2000 and update the plan every 10 years. The plan must assess the extent to which the local rights of way meet the present and likely future needs to the public as well as the opportunities the PROW network can provide for exercise, open air recreation and the enjoyment of the area and the accessibility to blind or partially sighted persons and others with mobility problems. The plan must include a statement of the actions proposed to manage the PROW and for securing an improved network. In accordance with the guidance set out by DEFRA the plan must explain how improvements made by the local authority to the public rights of way network will provide a better experience for walkers, cyclists, horse riders, horse and carriage drivers and people with mobility problems.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Community and Regulatory Services

Date:

Not before September 2018

Reason if Key Decision

An initial EQIA has been produced at the start of the review, this document is being updated throughout the review process and a final version of the EQIA will be submitted with the draft ROWIP document.

Reason if this decision has been delayed/withdrawn from a previous plan**Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors****Consultees****Market Research**

We have used market research to gather insight and information from our customers to understand their priorities and needs; to what extent PROW meet current demand and how they need to evolve to meet future requirements. Through the analysis of the information gathered common themes emerged, these themes were used to guide the PROW and Access Service's ROWIP and Management Plans.

The types of information gathered are as follows:

Online

The public who used Kent's PROW network were invited over a six week period to complete an online survey featured on KCC's consultation homepage, Visit Kent and the PROW report site. A total of 1,260 submissions were received.

Face to Face

Kent residents face to face survey interviews at home were completed over 8 weeks with a total of 624 residents were interviewed. The residents were separated into two groups those that had used the PROW network in the last 6 months and those that hadn't. An equal number of interviews were conducted in each of the 12 Districts of Kent, circa 50 in each. Within each District, residents were sampled across varying postcode sectors to ensure a good spread in terms of geography. A sample specification was set up in line with 2011 Census statistics for the Kent County Council boundary area, to ensure we interviewed a representative sample of residents in terms of gender and age. The results from this survey were used to further split the group into Kent resident users and Kent resident non-users groups of the PROW network.

Stakeholder Survey

The Stakeholder Survey was designed to gather more detailed information about how plan links to other organisation's plans and policies as well as these organisations views on how the PROW network is currently used and how it needs to involve with an emphasis on provision for the partially sighted and access to woodland in line with DEFRA guidance for the plan. We also asked to provide details on the Service itself how our reporting system has been received and any improvements we need to make to provide a better more efficient Service.

The Stakeholder Survey was sent to Members via **The Information Point** email address and all Members were provided with information about the ROWIP and invited to complete the survey. In addition to all Members a database of stakeholders was compiled to include all Parish, District and Borough Councils, user groups, and interest groups.

Expert Stakeholder Surveys

Finally, in response to the results from the market research we have put together a further questionnaire which was sent to specific groups to help us define the ways our service can deliver the priorities identified by our customers and stakeholders from the market research. We approached all District and Borough Planning Departments in Kent, Large house building companies and Canterbury City Council' Development Advisory Panel (DAP) and Kent Association for the Blind.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The plan will be forward looking by design; there will be no obligation to deliver projects identified through the review. Where projects are identified they will only be taken forward if the resource is available, where possible projects will be delivered through partnership working.

The PROW and Access Service will look for funding through the planning system, 106 Agreement and CIL funding and other funding available to deliver projects. The Service will target existing core funding to deliver statutory obligations; the delivery plan will improve efficiency to ensure we provide a better targeted, improved service.

NOT BEFORE FEBRUARY BY CABINET MEMBER

Responsible Cabinet Member - Cabinet Member for Community and Regulatory Services

Reference No: Kent County Council (KCC) does not have a legal duty to provide sites in Kent for the Gypsy and Traveller community. This is a statutory duty placed upon the district and borough councils to discharge as part of their local plans. All local councils are required to produce an up-to-date Local Plan for their area, to guide the spatial development of the borough.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

17/00135 - Pitch Allocation Policy for Gypsy and Traveller Service Change

The Decision needed:

To revise and update Kent County Council's (KCC) Gypsy and Traveller Service Allocations Policy and to the introduction of a service charge which will be subject to an annual increase in line with the Retail Price Index (RPI) for all plots on KCC managed sites, which will be used to maintain and support reasonable living standards for site residents.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Community and Regulatory Services

Date:

Not before July 2018

Reason if Key Decision

EQIA's have been completed to ensure these implications have been factored in and mitigated against where appropriate.

Ensure that the council's policies on Equality and Human Rights and customer care are met and promote the health and safety in quiet enjoyment of pitches by all its site residents and ensure that the operation of the allocation policy assists in meeting that outcome.

Acknowledge that the gypsy and traveller communities belong to recognised ethnic groups and are protected groups under the Equality Act 2010.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

Yes this has gone out to consultation and the closing date is: 20th December 2017.

We consulted:-

1. All of our site residents households across all affected sites
2. All affected district and borough councils specifically the Housing Benefit Departments x 6
3. Friends Families and Travellers (G&T Advocate Group)
4. KCC online consultation for all interested parties

This will go to the Environment and Transport Cabinet Committee on 31st January 2018

All Divisions are affected.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

In summary, not implementing the service charge would lead to either the deterioration or closure of existing sites. So despite considering alternative approaches, it was clear that charging a service charge would be the best approach to protect the service and continue to deliver for residents and KCC has endeavoured to keep this charge well below rental market costs.

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

A consultation with all Kent schools and academies will be undertaken.

The proposed decision will be considered by the CYPE Cabinet Committee on 22 November 2017.

A members briefing will be held on 15 November 2017.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The costs of the new funding formula will be fully met from the Dedicated Schools Grant and will not be a cost to Council funding.

Support documents

Responsible Cabinet Member - Cabinet Member for Community and Regulatory Services

Reference No: KCC Legal has been consulted, and a Basic Implementation Agreement (BIA) will provide the initial basis for the contract between Kent County Council and Network Rail for the Grip stage 3 enabling works. These

works MUST be completed between November 2017 and February 2018 in order to avoid the bird nesting season; the project would otherwise have a year's delay with a high risk of its delivery missing The Open event in July 2020. The cost of these works is estimated at c. £100k (including contingency and fees), so would be entirely funded by Kent County Council's capital contribution towards the project

Key No

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

17/00114 - Sandwich Open Golf: Capital Infrastructure Works - Sandwich Railway Station

The Decision needed:

The Open is a prestigious sporting event that independent research demonstrates brings significant economic benefits to the area in which the event is held, due to the global profile it provides for the area and the resulting interest from international business and spectators.

The last time Kent hosted The Open in 2011, it generated a £77m benefit to the Kent economy, of which £24.14m was direct additional spend. The event is forecast to grow from 180,000 spectators in 2011 to at least 200,000 spectators in 2020, and will be able to accommodate an even higher number of visitors in future years beyond 2020 owing to the layout of the course. That economic impact is therefore forecast to grow. In 2020, the economic impact is forecast to be in excess of £85m, of which at least £26.8m is forecast to be direct additional spend.

The Open primarily meets two of the strategic outcomes described in Increasing Opportunities, Improving Outcomes; 'All Kent's communities benefit from economic growth and lower levels of deprivation'; and 'Kent residents enjoy a good quality of life, and more people benefit from greater social, cultural and sporting opportunities'.

Permanent infrastructure at Sandwich Railway Station has been identified as providing best value for money. KCC is contributing £250,000 towards that cost, and underwriting the £1.025m contribution of SELEP between and subject to PAG on 02/11/17 and SE LEP Accountability Board on 17/11/17.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Community and Regulatory Services

Date:

Not before December 2017

Reason if Key Decision

An Equality Impact Assessment will be carried out on both the Sandwich Railway Station Infrastructure programme and KCC's wider work around The 2020 Open at such time Network Rail is contracted to implement the infrastructure project. Network Rail will not be instructed by KCC to undertake the infrastructure works until such time final costs of the project are known and legally apportioned.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The proposal was discussed by Members of the Growth, Economic Development and Communities Cabinet Committee at their meeting on 22 March. Members resolved that:

- (a) The announcement by the Royal and Ancient Golf Club to host The Open 2020 at Royal St Georges be welcomed; and
- (b) The work underway to deliver the associated transport improvements at Sandwich Station be noted.

Section 4 – Responsible Officer – Who to contact for more information.

17/00078 - Physical Disability Wellbeing Core Offer

The Decision needed:
To tender for a new contract to deliver an information, advice and peer support service for people with a physical disability.

Section 2 – Who is taking the final decision and when

Who is taking the Decision
Cabinet Member for Adult Social Care

Date:
Not before October 2017

Reason if Key Decision
An Equality Impact Assessment has been completed and has been reviewed and updated throughout the consultation and co-production process. The Equality Impact Assessment has highlighted risks around people with disabilities other than physical and those under the age of 16, who won't

be able to access the new service. Respondents to the consultation also raised concerns that this service would not be available to all disabilities. In light of the findings from the Equality Impact Assessment and the consultation we have adapted the scope of the offer and will ensure that the helpline and website is accessible to all. The successful provider will then need to devise a system to identify and signpost to appropriate services.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The proposed decision was discussed and endorsed by the Adult Social Care Cabinet Committee on 29 September 2017. The minute of that discussion will be included in the decision paperwork which the Cabinet Member will be asked to sign.

Public Consultation was undertaken between 17 July 2017 and 4 September 2017.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The current spend on Physical Disability grants is £181,053. The plan is to reinvest this whole amount into the new service. This equates to £905,265 over the life of the contract which will be five years, if the two year extension clause is used.

Title:
17/00083 - Paper and Card Recycling from Waste Kent Household Waste Recycling Centres

The Decision needed:
KCC Waste Management is the statutory waste disposal authority for Kent and has an obligation in law to provide for the disposal of municipal waste. KCC is re-procuring the contract to obtain the best outcome for Kent residents by acquiring the greatest return for processing the paper and card material from six Household Waste Recycling Centres in West Kent.

The contract supports KCC’s Strategic Statement in the following ways:

- A whole life cost evaluation approach will ensure that value for money is attained;
- Local businesses will have an opportunity to bid for the contract; and
- The contract will be environmentally beneficial as the paper and card is 100% recyclable therefore avoiding waste to landfill.

Title:

17/00086 - A20 Harrietsham Traffic Management Scheme

The Decision needed:

Harrietsham is identified in the emerging Maidstone Borough Local Plan as a rural service centre suitable for new housing development. The majority of the existing settlement is located to the north of the A20 corridor, whereas all 3 of the new housing development sites are to the south of the A20. During 2014/15 JMP Transport Consultants, working under a commission to Maidstone Borough Council, produced an outline design and costing for a scheme to narrow the A20 carriageway, create new footways and pedestrian crossing points and lower the speed limit from 40mph to 30mph with new gateway features at each end of the village. The construction costs were estimated by JMP at £1,105,189. The key aim of the scheme is to reduce the severance effect of the A20 and improve permeability between the new development sites and the existing housing and village centre. MBC has granted planning permissions to the housing sites on the basis that each makes proportionate S106 contributions to the Council. Payments will then be passed to Kent County Council to implement the scheme. To keep disruption to a minimum, the intention is that the scheme would be implemented in its entirety once all of the contributions have been received, rather than as a phased construction. MBC have now received a payment of £403k from the first site to reach its trigger point and a further payment is now due. Consequently KCC now has the necessary funding in place to begin to progress the scheme through design.

The scheme has been the subject of a resident petition that was submitted at the 12th July 2017 meeting of the Maidstone Joint Transportation Board, which urges the authorities to ensure that elements of the scheme are in place prior to developments being occupied.

This key decision seeks approval to review the outline design, including updated costs, and to commence detailed design work with a view to construction once

the final contributions have been received. It is envisaged that public engagement on the scheme layout will be carried out during 2017/18, a report will be presented to Maidstone JTB to advise on feedback and potential amendments including any related mitigation measures.

The scheme meets KCC policy objectives of supporting existing businesses and encouraging economic activity with housing growth and job creation by reducing congestion and improving infrastructure and accessibility.

17/00062 - Older People and People Living with Dementia Wellbeing Core Offer

The Decision needed:

Proposed decision: To tender for a new contract to deliver community based services for Older People and People Living with Dementia.

How the decision relates to Corporate Objectives:

This proposed new contract directly relates to the Council’s Strategic Outcome regarding older people and vulnerable residents are safe and supported with choices to live independently and underpins the Promoting Wellbeing element of the Council’s Your Life Your Wellbeing strategy. The new contract will deliver a range of services and support that are asset based, promote wellbeing, increase resilience and prevent or delay people entering into formal health and social care systems. It will provide information and advice, help people find the support they require and connect people to their communities.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Adult Social Care

Date:

Not before July 2017

Reason if Key Decision

An Equality Impact Assessment has identified a high impact on older people. Adverse impacts which include the ending of current funded services will be balanced by a positive impact of re-investing in universal services through a contract that will have a single point of contact and delivery network.

Reason if this decision has been delayed/withdrawn from a previous plan

This proposed decision will be discussed at the Adult Social Cabinet Committee on 20 July 2017 and the outcome of that meeting included in the decision paperwork which the Cabinet Member will be asked to sign.

Other consultation planned or undertaken:

Public Consultation is being undertaken between 9 June and 21 July 2017.

Local Transport Plan 4 (now incorporating Growth Without Gridlock refresh)

The Decision needed:

PROPOSED DECISION: To approve the LTP4 including Growth without Gridlock.

Latest Update:

The LTP4 (inc. Growth Without Gridlock) consultation has received a high number of responses. In order to properly analyse and report on findings the due date for decision has been moved to 13 July 2017.

19/05/2014 - Decision due date changed from 10/02/2014 to 17/09/2014.

REASON: The strategic position relating to Highways and Transportation projects was set out as part of the LEP Strategic Economic Plan submitted via KMEP and the LEP to the Secretary of State at the end of March 2014, you can view the decision to submit and the document submitted here, <https://democracy.kent.gov.uk/ieDecisionDetails.aspx?ID=577>

Central Government is expected to announce a funding allocation in July 2014. Based on these allocations the final selection and prioritisation of projects for inclusion in Growth without Gridlock will take place and the strategy as completed can be adopted by decision of the Cabinet Member.

The decision date has been updated to 'not before' 17 September 2014 in order that the draft strategy can be considered by the relevant Cabinet Committee before any decision is taken.

NOT BEFORE JUNE BY CABINET MEMBER

Responsible Cabinet Member - Leader and Cabinet Member for Traded Services and Health Reform

Reference No: 16/00120

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:
16/00120 Sub National Transport Board for the South-East

The Decision needed:
KCC Membership of a shadow Sub- National Transport Body for the South East known as Transport for the South East (TfSE)

The Cities and Local Government Devolution Act makes provision for the establishment and constitution of Sub-National Transport Bodies (SNTBs) for any area in England (outside of Greater London). An SNTB can prepare a Transport Strategy for an area which would set out proposals for the promotion and encouragement of safe, sustainable, integrated, efficient and economic strategic transport facilities and services to and from the area of the SNTB.

The South East Seven (SE7) Councils (Kent, East Sussex, West Sussex, Hampshire and Surrey County Councils, and Brighton & Hove City Council and Medway Council) and the Local Enterprise Partnerships (LEPs) that represent the area have discussed the establishment of an SNTB for the South East, to be called Transport for the South East (TfSE). A TfSE on this geographic scale would fulfil the DfT's minimum geographic size requirements. Discussions will shortly commence with Portsmouth, Southampton and the Isle of Wight and the Solent LEP about joining TfSE.

The proposed TfSE would enable authorities to influence national and regional infrastructure providers, helping to secure the infrastructure required to support continuing economic growth. A TfSE would see Government, South East Transport Authorities and/or Combined Authorities and LEPs working together with Highways England, Network Rail and port, airport and bus operators. TfSE would require strategic transport providers to take account of its priorities.

TfSE would provide a mechanism for the area to speak with a strong, common voice on transport infrastructure and provide a single platform for strategic transport and infrastructure issues, giving partners greater, and potentially direct, influence over decisions that are currently made elsewhere. Its key outcome will be the development of a single, strategic transport infrastructure framework which would align the investment programmes from key agencies, such as Highways England, Network Rail and the LEPs.

Options

- Do nothing and not engage in the development of the SNTB for the Southeast.
- Set up the SNTB for Kent and Medway, but this would not be supported by DfT
- Engage in the development of the Shadow SNTB Board and Transport Strategy for the Southeast

How the proposed decision meets the objectives of 'Increasing Opportunities, Improving Outcomes: Kent County Council's Strategic Statement (2015-2020)'

The cornerstone of TfSE is the Transport Strategy. It will build upon existing Local Transport Plans, including Kent's *Local Transport Plan 4: Delivering Growth without Gridlock*, currently out to consultation, and evidence already in place amongst the constituent Authorities, including the LEP's Strategic Economic Plans and growth and infrastructure

frameworks/studies being undertaken by a number of upper-tier Authorities, including the *Kent and Medway Growth and Infrastructure Framework*. In this way, the decision would support the Council's second strategic outcome, "Communities benefit from economic growth by being in work, healthy and enjoying a good quality of life."

Financial Implications

It is estimated that appropriate support for developing the shadow SNTB and the overarching Transport Strategy would total £200,000 of which KCC's contribution is £20,000.

Legal Implications

There are no direct legal implications of the recommendations in this report, although should an TfSE SNTB be established by the Secretary of the State following the work set out in this report, then there would be legal implications arising from the establishment of the SNTB which itself would be a body corporate.

Equalities implications

There are no equality implications to establish the Shadow TfSE

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Leader and Cabinet Member for Traded Services and Health Reform

Title:

17/00044 Step Ahead of the Rest (StAR) Sustainable Travel Revenue Programme

The Decision needed:

To accept the DFT funding to enable the StAR programme to be delivered.

Specifically approval is sought to spend the grant in order to:

- Pay staffing costs associated with delivering the programme
- To delegate authority to the Director of Highways Transportation and Waste to procure, award and amend contracts as necessary
- Make grants to transport operators, community interest companies and businesses in accordance with agreement procedures.

KCC submitted a successful bid to the Department for Transport's Access Fund (Sustainable Travel Revenue competition) and was awarded £1,451,657.20 for the period March 2017- March 2020.

Star is an integrated package of measures to meet KCC's strategic aim that "Kent Communities feel the benefits of economic growth by being in work, healthy and enjoying a good quality of life" The measures proposed support economic development and healthy lifestyles by encouraging use of active and sustainable modes of travel to access employment, education and training. They are targeted at locations that have received local Growth Fund Investment, as well as significant economic development sites across Kent due to be completed before 2020, and will build on previous Local Sustainable Transport Fund Schemes eg the Kent Connected website

Improving transport is identified in the KCC Strategic Statement 2015-2020 under Outcome 2: Kent Communities feel the benefits of economic growth by being in work, healthy and enjoying a good quality of life.

The Decision needed:

The Cabinet Member will agree a Freight Action Plan for Kent.

The Freight Action Plan for Kent is a non-statutory document that highlights what KCC has already delivered and what is further planned to reduce the negative impacts of road freight on local communities. The plan includes both nationally and locally important priorities such as Operation Stack and the provision of overnight lorry parking as well as looking into HGV routeing and the powers that KCC can use to reduce the negative impacts of road freight.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Planning, Highways, Transport and Waste

Date:

Not before June 2017

Reason if Key Decision

The Freight Action Plan for Kent has been subject to an Equalities Impact Assessment (EqIA) demonstrating that it will not have an adverse impact on any group with protected characteristics.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

The Environment and Transport Cabinet Committee considered and endorsed the proposed decision at its meeting of 15 June 2017.

In addition a public consultation was held in January 2017.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

Some of the actions in the plan have implications for officer time. There are no further financial implications in developing the plan but there will be costs involved for the delivery of specific actions and these will be costed

separately.

Item 9 1 FAP - Final

App A - Freight Action Plan for Kent

App B - 4 FAP Consultation Report

Responsible Cabinet Member - Cabinet Member for Adult Social Care

Reference No: Continuing these services through their existing contracts to a common end date will require going beyond the current contracts' end dates for varying durations. Work is being done with Legal Services to understand and mitigate relevant risks and to ensure that the continuation of service provision takes place with the least disruption to those receiving the services. Further information will be included in the report.

Key Yes

Section 1 – the decision needed, how it relates to the Council's Corporate Outcomes and the Costs and risks involved.

Title:

17/00030 (a) (b) & (c) - Community Support Services - contract continuations

The Decision needed:

To continue service provision under existing contracts for the following community support services:

- a) Housing Related Support (HRS), including services for:
 - o Older Persons Housing Related Support and Community Alarms
 - o People with Learning and/or Physical Disabilities
 - o Home Improvement Agencies

People with Mental Health Needs; (Homelessness and Offenders)

- b) Homecare
- c) Supporting Independence Service (SIS)

It was originally envisaged that all three services would be included in one decision but, owing to timing issues, the Housing Related Support element (Part (a)) was taken 22/03/2017 with parts (b) and (c) to follow before June 2017.

Given the freedoms set out in the Care Act 2014, since these contracts started, and the Council's strategy for adult social care, 'Your Life Your Wellbeing', there is now an opportunity to move to greater integration with health services. To achieve this, it is desirable to extend these services' contracts to a single end date.

This will help achieve the corporate objectives of:

- Strategic Outcome
- Older and vulnerable residents are safe and supported with choices to live independently

Supporting Outcomes

- Those with long term conditions are supported to manage their conditions through access to good quality care and support
- People with mental health issues and dementia are assessed and treated earlier and are supported to live well
- Families and carers of vulnerable and older people have access to the advice, information and support they need
- Older and vulnerable residents feel socially included
- More people receive quality care at home avoiding unnecessary admissions to hospital and care homes
- The health and social care system works together to deliver high quality community services
- Residents have greater choice and control over the health and social care services they receive

Our Life Your Wellbeing - providing the strategic direction to move towards full integration with the NHS by 2020.

Section 2 – Who is taking the final decision and when

Who is taking the Decision

Cabinet Member for Adult Social Care

Date:

Not before April 2017

Reason if Key Decision

This decision will maintain continuity of service to people with protected characteristics. No adverse implications are expected and an Equality Impact assessment will be undertaken as part of the recommendation report.

Reason if this decision has been delayed/withdrawn from a previous plan

Section 3 – – Who is to be consulted, how and when, (The Duty to Inform/consult/Involve) including relevant scrutiny councillors

Consultees

It was originally envisaged that all three services would be included in one decision but, owing to timing issues, part (a) was taken 22/03/2017 with parts (b) and (c) to follow before June 2017.

The Housing Related Support element (Part (a)) was discussed by the Adult Social Care and Health Cabinet Committee on 14 March 2017 and the outcome of that meeting included in the Record of Decision which the

Cabinet Member signed when the decision was taken on 22 March 2017.

Parts (b) and (c) were discussed by the Adult Social Care Cabinet Committee on 9 June 2017, and the outcome of that meeting included in the paperwork which the Cabinet Member has now signed.

Other consultation planned or undertaken:

- Full consultation and engagement for Your Life Your Wellbeing
- Provider engagement on Transformation of Adult Social Care
- Future engagement with the market and service users will be undertaken regarding the new services as this will be crucial to the success of transformation and integration.

Section 4 – Responsible Officer – Who to contact for more information.

Your name, Your Service, Your phone number and email address:

The total annual value of the proposed contract extensions is £100m. Detailed breakdown of the duration of extensions and amounts per service area contract will be included in the report which accompanies the proposed decision. The matter is referred to in the 2017/18 Business Plan

Title:

Lawn Primary School, Gravesend - New Playing Field

The Decision needed:

Update 01 February 2017: Officers have confirmed that the decision is still 'live' and that KCC continue to work with the landowner regarding use of the land and any consequential s106 arrangements. The process is expected to be lengthy and is likely to be ongoing for the duration of 2017.

The Cabinet Member will be asked to agree that KCC take a long lease of 99 years at a nominal rent from Lafarge to facilitate expansion of school roll. Lafarge to create new playing field and to maintain subsoil thereafter. The Playing Field is being delivered as part of a s106 Agreement being a contribution to mitigate the impact of adjacent development of 510 homes upon Lawn Primary School and free up space on the existing Lawn PS site to enable expansion of the existing school buildings from 1FE to 2FE.

The Commissioning Plan for Education Provision 2016-20 identified Marden as an area of future need and Marden Primary School was therefore proposed for expansion to meet that predicted demand. The Plan was considered and endorsed by the Education and Young People's Services Cabinet Committee on 15 December 2015 prior to the final version being considered and approved by Cabinet on 21 March 2016.

A public consultation commenced on 23 September 2016 and closed on 21 October 2016. Further information is available on the School Consultation webpage: www.kent.gov.uk/schoolconsultations

The outcome of the consultation was due to be reported to Education and Young People's Services Cabinet Committee on 23 November. The report was deferred, pending further discussions on the design and planning process and will be considered by the Cabinet Committee at its meeting scheduled for 22 June 2017

17/00045 Tonbridge and Malling Transport Strategy

The Decision needed:

Tonbridge & Malling Borough Council are developing a new Local Plan to shape the future development of the borough. The County Council is assisting with this process and developing a new Transport Strategy to help deliver the objectives and outcomes of the Local Plan.

Improving Transport is identified in the KCC Strategic Statement of 2015-2020 under outcome 2: Kent Communities feel the benefits of economic growth by being in-work, healthy and enjoying a good quality of life. The potential delivered through the implementation of the transportation schemes set out in the Transport Strategy will help to meet this objective.

Former Shepway Resource Centre, Folkestone - Disposal

The Decision needed:

LATEST UPDATE:

19/05/2014 - Decision due date changed from 18/02/2014 to 01/08/2014.

REASON: The proposed decision to dispose of the Centre was delayed while internal processes were undertaken to ensure that no other suitable use could be found before disposal. This process is complete and the former resource centre will be placed on the market shortly. Responses from the market will be gauged after a period of approximately 3 months and a proposal for the site put forward at that time. The decision will be considered by the Property Sub-Committee or the Policy and Resources cabinet Committee before being taken by the Cabinet Member.

To seek approval to the disposal of the former Shepway Resource Centre following the marketing of the site

Title:

Sandwich Highways Depot

The Decision needed:

Update 09/03/2015:

DEFERRED: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value is secured; surveys are being carried out with a view to marketing the site in the future dependent on the outcome of those surveys.

Latest Update:

19/05/2014: Decision due date changed from 23/12/2013 to 'Not before' 01/11/2014.

REASON: The disposals team at KCC are currently working on new plans for the site in order to ensure that the maximum value for the site is secured. Options appraisal work is underway and this work is expected to take approx. 6 months, therefore an expected decision date is set for November.

To seek approval to proceed with the disposal of the above site to raise a capital receipt which will be allocated to support the capital programme.

To seek approval to identify and progress with the acquisition of a new site for the service.

The Director of Property and Infrastructure Support will be authorised to finalise terms for both the disposal and acquisition of a new site.

This decision is needed to enable a modern highway service operation to be provided in the East Kent Area that is both reactive and responsive to changing demands. It directly supports 3 of the Bold Steps for Kent.

- Firstly it helps deliver the “Kent Environment Strategy” by the provision of new environmentally friendly facilities (e.g. grey water) via the construction technique with the eventual adaptation of new work practices within the new depot.
- Secondly it builds relations with key business sectors across Kent as the supply chain involved in such a project provides work to businesses of all sizes.
- Thirdly by the better siting and provision of facilities for the new depot it ensures that the most robust and effective public protection arrangements are in place for road management including bad weather response.

The impact of the decision is that full assessment of the potential disposal of the site can be explored within the market place to ensure that best value principles are adhered to. In tandem a full search and feasibility study will be undertaken to identify a new location for the alternative highways depot which satisfies the above objectives.

Title:

Eden Centre Lease

The Decision needed:

LATEST UPDATE:

19/05/2014 - Decision due date changed from 01/03/2014 to 01/01/2015.

REASON: The decision remains at the earliest stages of investigation and options appraisal. A further review will take place in January 2015 when a decision pathway will be identified and the proposed decision updated further.

To seek agreement to the principle of granting a long lease to a charitable community interest company or similar vehicle, of The Eden Centre, Four Elms Road, Edenbridge.

The proposal directly links to Bold Steps for Kent, putting the citizen in control, building new partnerships and providing a new fit for purpose building to deliver Library and FSC services in conjunction with other partners such as the Citizen's Advice Bureau and House (West Kent Action), to support Kent's more vulnerable citizens.

The impact of the decision will be that KCC will have less control of the management and operation of the centre as they would become the responsibility of a third party.

Risks identified are:

- Reliance on the professionalism of the trustees to deliver a successful facility, agreeing with all partners a financial model for the charitable vehicle
- Reputational damage to KCC if the charitable vehicle were to fail
- Obtaining buy in from all community groups in occupation to form trust
- Untried and untested model
- Level of income generation from the centre which could go to the charitable vehicle is currently unknown as a new facility
- Continued KCC ownership of a non-core asset
- Officers may be unable to get agreement from stakeholders, charitable vehicle does not prove financially sustainable or the trust may break down and charitable vehicle will have to pick up void periods and associated costs (benefit to KCC).
