1. PROPOSED CO-ORDINATED SCHEME FOR DETERMINATION

Glossary of terms used in the Scheme

1. In this scheme –

“the LA” means Kent County Council acting in their capacity as local authority;

“the LA area” means the area in respect of which the LA is the local authority;

“primary education” has the same meaning as in section 2(1) of the Education Act 1996;

“secondary education” has the same meaning as in section 2(2) of the Education Act 1996;

“primary school” has the same meaning as in section 5(1) of the Education Act 1996;

“secondary school” has the same meaning as in section 5(2) of the Education Act 1996;

“school” means a community, foundation or voluntary school (but not a special school) which is maintained by the LA, and Academies

“foundation schools” means such of the schools as are foundation schools;

“VA schools” means such of the schools as are voluntary-aided schools;

"Academies" means such schools as are defined by section 482 of the Education Act 1996 (as amended by section 65 of the Education Act 2002);

“admission authority” in relation to a community or voluntary controlled school means the LA and, in relation to a foundation or VA school and Academy, means the governing body of that school;

“the specified year” means the school year beginning at or about the beginning of September 2009, and at the same time in any successive year in which this scheme is still in force;

“admission arrangements” means the arrangements for a particular school or schools which govern the procedures and decision making for the purposes of admitting pupils to the school;

“casual admission” means any application for a place in the first year of secondary education that is received after 31 March 2009, including those received during the academic year commencing in September 2009 (and in the September of any successive years in which this scheme is in force), and applications for a place in any other year group received at any time from the commencement of the scheme.

“eligible for a place” means that a child has been placed on a school’s ranked list at such a point as falls within the school’s published admission number.

SCAF – refers to the Secondary Common Application Form

2. Subject to paragraph 3, the scheme shall apply to every maintained secondary school in the LA area (except special schools), including Academies, and shall take effect immediately.

3 In any years subsequent to 2009, any or all of the dates specified in this scheme (including those set out in Schedule 2) may be changed to take account of any bank holidays and weekends that may fall on the specified dates.

THE SCHEME

The LA expects that all schools and Admissions Authorities engaged in the sharing of admissions data will manage personal information in accordance with the Data Protection principles.

Secondary Common Application Form

1. There will be a standard form for Kent residents known as the Secondary Common Application Form (SCAF).
2. The SCAF will be used for the purpose of admitting pupils into the first year of secondary education in the specified year, and any successive year in which this scheme is still in force.
3. The SCAF must be used as a means of expressing one or more preferences for the purposes of section 86 of the School Standards and Framework Act 1998, by parents resident in the LA area wishing to express a preference for their child:
 - (a) to be admitted to a school within the LA area (including VA and Foundation schools and Academies)
 - (b) to be admitted to a school located in another LA's area (including VA, foundation schools and Academies)
4. The SCAF will:
 - (a) invite the parent to express **four** preferences by completing the form, including, where relevant, any schools outside the LA's area, in rank order of preference.
 - (b) invite parents to give their reasons for each preference.
 - (c) explain that the parent will receive no more than one offer of a school place and that:
 - (i) a place will be offered at the highest ranking nominated school for which they are eligible for a place; and
 - (ii) if a place cannot be offered at a nominated school, a place will be offered at an alternative school.
 - (d) specify the closing date and where it must be returned, in accordance with paragraph 7.
5. The LA will make appropriate arrangements to ensure:
 - (a) that the SCAF is available on request from the LA and from all maintained primary and secondary schools and Academies in the LA area; and
 - (b) that the SCAF is accompanied by a written explanation of the co-ordinated admissions scheme.
6. The LA will take all reasonable steps to ensure that every parent resident in the LA area who has a child in their last year of primary education receives a copy of the SCAF (and a written explanation).

7. Completed SCAFs are to be returned to the LA by 14 November 2008 via primary schools (if the child is attending a Kent maintained primary school), so that the LA can keep track of parents that do not complete a SCAF. (Primary schools can ask for the on-line reference from parents if they have concerns or enquire with the on-line admissions team to establish if an online application has been received)

Supplementary Information Forms

8. All preferences expressed on a SCAF are valid applications. A school can require parents who wish to nominate, or have nominated it on the SCAF, to provide additional information on a supplementary form only where the additional information is required for the governing body to apply its over-subscription criteria to the application. Where a supplementary form is required it must be returned to the school. All schools that use supplementary forms must include the proposed form in their consultation with other admission authorities, including the LA.

9. A supplementary form is not a valid application: this can be made only on the Kent SCAF or, if the child is resident in another area, the home area's Common Application Form. When supplementary forms are received the school must verify with the LA before consideration and ranking of applicants that a SCAF or neighbouring area's SCAF has been received from the parent and, if not, contact the parent and ask them to complete one. In these circumstances, the school should also send the LA a copy of the supplementary form if so requested. Under the requirements of the scheme, parents will not be under any obligation to complete any part of an individual school's supplementary form where this is not strictly required for the governing body to apply its over-subscription criteria.

Testing

10. From 2 June 2008 Registration for the Kent test will open. Parents wishing their children to sit the Kent test for admission to Kent Schools are required to register with the Kent Admissions Team no later than 11 July 2008.

11. Parents who do not register for the Kent test by the 11 July 2008 will not be entered into the Kent tests taking place for in-County pupils on 18 & 19 September 2008 and out-County pupils 20 September 2008. If the parent chooses to name a Kent grammar school (which uses the Kent Process for Entry to Secondary Education) on the SCAF for a child who has not taken the test, their preference will be treated as invalid and they will not have met the entry criteria. In these circumstances a child will not have an opportunity to sit the Kent test until the scheme closes on 31 March 2009.

12. In exceptional circumstances, where a child is unable to sit the test on the September dates (specifically, due to medical reasons confirmed by a doctor's certificate, or in the event that a child moves into the area after the closing date for test registration) arrangements will be made for a January test date. This can only happen where parents return the late SCAF before the 15 December 2008. Outside of these specific circumstances children failing to register for a test but naming a grammar school will not have an opportunity to sit the test until after 31 March 2009 when parents will need to approach the school they have named directly.

13. The LA will write to parents, advising of the assessment decision on 20 October 2008 following marking and the application of the Headteacher Assessment. Parents will have until 14 November 2008 to return their completed SCAF. There will be no right of appeal concerning a child's assessment, but parents may make an admissions appeal after 2 March 2009 to the independent appeal panel if their child is refused admission to any school.

Late Applications Received After the SCAF Closing Date but Before 15 December 2008

14. The closing date for applications in the normal admissions round is 14 November 2008. As far as is reasonably practicable applications for places in the normal admissions round that are received late for a good reason will be accepted provided they are received before 15 December 2008. Examples of what will be considered as good reason include: when a single parent has been ill for some time, or has been dealing with the death of a close relative; a family has just moved into the area or is returning from abroad (proof of ownership or tenancy of a Kent property will normally be required in these cases).

15. Exceptional provision is made for the families of Service Personnel and Crown Servants, as recommended in the School Admissions Code. Applications will be accepted up until 15 December 2008, where it is confirmed by the appropriate authority that the family will be resident in Kent by 1 September 2009. A confirmed address, or, in the absence of this, a Unit address, will be accepted as the home address from which home-school distance will be calculated. Children who are not successful in gaining any place they want will be allocated an available place at the nearest school of an appropriate type to their given address, and will have the same access to a waiting list / rights to appeal as other applicants.

Late Applications Received After 15 December 2008 but Before 26 March 2009

16. Applications made direct to any school on the SCAF must be forwarded to the LA immediately. Where only the supplementary form is received the school must inform the LA immediately so it can verify whether a SCAF has been received from the parent and, if not, contact the parent and ask them to complete a SCAF. The LA will hold late applications until they are passed to schools on 27 March 2009.

Determining Offers in Response to the SCAF

17. The LA will act as a clearing house for the allocation of places by the relevant admission authorities in response to the SCAFs. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the SCAF where:

- (a) it is acting in its separate capacity as an admission authority, or
- (b) an applicant is eligible for a place at more than one school, or
- (c) an applicant is not eligible for a place at any school that the parent has nominated.

The LA will allocate places in accordance with the provisions set out in paragraph 20 of this Schedule.

18. By 12 December 2008 the LA will notify all schools of the number of applications received for their school. Schools that have not made arrangements to test earlier and requiring details to arrange testing will be sent parent and pupil details. Schools requesting details to match against supplementary forms will be sent parent and pupil details. Where parents have nominated a school outside the LA area, the LA will also notify the relevant authority/authorities by this date.

19. By 5 January 2009 the LA will notify the admission authority for each of the schools of every nomination that has been made for that school, forwarding them all relevant details from the SCAF.

20. By 30 January 2009 the admission authority for each school will consider all

applications for their school, apply the school's over-subscription criteria (if appropriate) and provide the LA with a list of those applicants ranked according to the school's over-subscription criteria.

21. By 18 February 2009 the LA will match this ranked list against the ranked lists of the other schools nominated and:

- Where the child is eligible for a place at only one of the nominated schools, that school will be allocated to the child.
- Where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
- Where a Kent child is not eligible for a place at any of the nominated schools, the LA will allocate them a place at the nearest appropriate school with a vacancy.

22. By 20 February 2009 – The LA informs its secondary schools and Academies, of the pupils to be offered places at their schools, and informs other LA's of places in Kent schools to be offered to their residents. The LA informs all Kent primary schools of the destination of their pupils.

Offers - 2 March 2009

23. On 2 March 2009 Kent LA will notify applicants from within Kent by letter that they are being offered a place at the allocated school. This letter will give the following information:

- The name of the school at which a place is offered;
- The reasons why the child is not being offered a place at each of the other schools nominated on the SCAF;
- Information about the statutory right of appeal against the decisions to refuse places at the other nominated schools;
- How to apply for a place on the waiting list for any school named on the SCAF. Parents cannot ask for their child to go on the waiting list for a grammar school unless the child has been assessed suitable for grammar school.
- Contact details for the school and LA for the admission authorities of Foundation, VA schools and Academies where they were not offered a place, so that they can lodge an appeal with the governing body.

The letter will not inform parents of places still available at other schools.

24. Parents who reside in other LA's but who have applied for a Kent school or schools, will be notified of whether or not they are being offered a place at a Kent school by their own LA on 2 March 2009.

25. Kent pupils who have not been offered a place at any of the schools nominated on their Secondary Common Application Form will be offered a place by Kent LA at the nearest school with a place available, following consultation with individual schools. This place will be offered on, or as close as possible to, **2 March 2009**

26. Secondary schools send their welcome letters on Thursday 5 March 2009.

Acceptance/Refusal 26 March 2009

27. 26 March 2009: the deadline for parents to let the school they have been offered know in writing whether or not they are accepting the place. Parents must let the school know if they are not taking up the place offered. By 26 March 2009 each school will make sure they have a response from each pupil who was offered a place on 2 March 2009. If the school is unable to obtain a reply by 26 March 2009, having exhausted all reasonable enquiries, it **must** remind the parent of the need to respond and point out that the place may be withdrawn if no response is received. Only after this may it be assumed that a place is not required.

28. 27 March 2009: the deadline for schools to let the LA know of any pupils not taking up the place offered in order to maintain the pupil database.

29. 27 March 2009: the LA will send all schools details of any late applications received after 15 December 2008 but before 26 March 2009. Schools will incorporate these applicants into their rank order taking account of their oversubscription criteria before offering any vacancies on 30 March 2009. If they cannot offer a late applicant a place, they must write to the parents confirming this and explaining how they can exercise their right to appeal against the refusal of a place.

30. **31 March 2009**: the co-ordinated scheme ends.

Applications to Schools after 31 March 2009

31. The admission authority for each oversubscribed school will keep a waiting list. This will include details of all applicants who have named the school on the SCAF and were not offered a place on 2 March and have asked to be included on the school's waiting list, any late application sent to the school by the LA on 27 March 2009 and any application made direct to the school after 31 March 2009. Applicants will be listed in order of priority, in accordance with the school's over-subscription criteria. Schools with vacancies against their Published Admission Number will initially offer places on a common date of 30 March 2009, and then as vacancies arise. If a school has reached its Published Admission Number it may not admit applicants other than through the Independent Appeal process, the In Year Fair Access Protocol or where special arrangements relating to children in Local Authority care apply. To maintain the database, admission authorities will advise the LA when a place is offered to a pupil on a waiting list, and whether the parent has accepted or declined the offer. Waiting lists will be maintained until the new Year 7 intake has been admitted in September. Parents who are refused admission must be offered a right of appeal (even if their child's name has been put on the waiting list) and must be given a contact in the LA to ensure that no pupil is left without a place.

Appeals

32. All parents have the statutory right to appeal against any decision refusing them a school place, regardless of where they ranked the school on a SCAF.

33. Where a school has places available after 27 March 2009, and parents have lodged an appeal against the refusal of a place, they may be offered a place at the school after 27 March

without the appeal being heard, provided - where the school is a grammar school – that the child has been assessed as being suitable for a grammar school place and that there are no other applicants at that time on the school’s waiting list who rank higher through the application of the school’s over-subscription criteria.

Applications for Places in Year Groups Other Than the Normal Year of Entry to Secondary School (Casual Admissions).

34. Application can be made direct to any Kent school or via the LA.

- Kent LA will determine any application for a community or controlled school for which it is the admission authority; and
- If the application is for a Foundation or Voluntary Aided school or Academy, the governing body of the school will make a determination and notify the parent.
- Parents who are refused admission must be offered a right of appeal.

35. The LA will keep track of any pupils who apply for casual admission, and intervene as appropriate to ensure that they are placed in a school without undue delay, where necessary employing the “In Year Fair Access Protocol”.

36. The table overleaf outlines the admissions authorities within Kent required to agree the co-ordinated scheme that have been consulted for admission arrangements for 2009. 2. OVERSUBSCRIPTION CRITERIA

The LA, as admission authority for Community and Voluntary Controlled schools, is required to consult annually on the proposed oversubscription criteria for these schools. In 2009 we do not propose any major change to the oversubscription criteria for Community and Voluntary Controlled secondary schools.

Following the Schools Adjudicator's decision in 2007 that Dover Grammar School for Boys should be able to continue to use a dual testing arrangement to determine eligibility for admission in 2008 (the "Dover test" as well as Kent's PESE), provision was made for the same arrangements to apply to the Dover Grammar School for Girls. As the arrangements for admission to the boys' grammar school for 2009 may not be challenged by the LA, it is proposed that, for Dover Grammar School for Girls, the oversubscription criteria listed below should be preceded in 2009, as this year, by the statement: "Entry is through the Kent age 11 assessment procedure or the Dover test."

The oversubscription criteria for Community and Voluntary Controlled Schools should be:

- Children in Local Authority Care –a child under the age of 18 years for whom the Local Authority provides accommodation by agreement with their parents/carers (Section 20 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act.
- Current Family Association - a brother or sister in the same school at the time of entry. In this context brother or sister means children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.
- Health and Special Access Reasons - children whose health or physical impairment means they have to attend a particular school. Health reasons must be strong and must be supported with evidence in writing by a medical practitioner. The evidence must demonstrate a special connection between the child's needs and the particular school. A physical impairment must be such that it requires the child to attend the particular school because its buildings do not inhibit his/her mobility.
- Residence within a particular scheme of education.
- Nearness of children's homes to school. We use the distance between the child's permanent address and the school, measured in a straight line using Ordnance Survey address point data. Distances are measured from a defined point within the child's home to a defined point within the school as specified by Ordnance Survey

(Where new build housing development requires a new school or the significant enlargement of an existing school the 'Nearness' criterion will allow for a catchment area (defined by a map) to be created for the relevant school. This must be included in the Statutory Public Notice and admissions determination and will be valid for a period not exceeding three rounds of admissions).

The oversubscription criteria for Astor College for the Arts should be:

- Children in Local Authority Care –a child under the age of 18 years for whom the Local Authority provides accommodation by agreement with their parents/carers (Section 20 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act.
- Current Family Association - a brother or sister in the same school at the time of entry. In this context brother or sister means children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

- Health and Special Access Reasons - children whose health or physical impairment means they have to attend a particular school. Health reasons must be strong and must be supported with evidence in writing by a medical practitioner. The evidence must demonstrate a special connection between the child's needs and the particular school. A physical impairment must be such that it requires the child to attend the particular school because its buildings do not inhibit his/her mobility.
- Residence within a particular scheme of education.
- Nearness of children's homes to school. We use the distance between the child's permanent address and the school, measured in a straight line using Ordnance Survey address point data. Distances are measured from a defined point within the child's home to a defined point within the school as specified by Ordnance Survey.
- Up to 10% of places will be admitted on ability in the visual arts. Please note that children applying for these places will need to spend a session at the college working on a set of creative tasks which will be assessed on merit.

3. RELEVANT STATUTORY CONSULTATION AREA

The LA is required to define “relevant areas” within which the admissions authorities of all maintained schools must conduct their annual statutory consultation. Admission authorities for all maintained secondary schools within the relevant area must consult the admission authorities for all maintained primary, middle and secondary schools in the area. An academy must consult annually in the way that other admission authorities do, but cannot alter its admission arrangements without the approval of the Secretary of State.

We propose that the relevant statutory consultation areas continue to be the designated districts and adjoining parishes detailed below.
