**Summary**: This report provides the Committee with the opportunity to comment on the Commissioning Plan for Education Provision in Kent 2022-26 prior to final approval by Cabinet.

# Recommendation(s):

The Cabinet Committee is asked to consider and endorse, or make recommendations to, the Cabinet Member for Education and Skills on the Commissioning Plan for Education Provision in Kent 2022-26, prior to the final version being considered and approved by Cabinet on 10 January 2022.

#### 1. Introduction

- 1.1 The County Council is the Strategic Commissioner of Education Provision in Kent. The Commissioning Plan for Education Provision in Kent (KCP) is an annual document which sets out how we will carry out our responsibility for ensuring there are sufficient high quality places, in the right places for all learners, while at the same time fulfilling our other responsibilities to raise education standards and promote parental preference. The Plan details the expected future need for education provision, thereby enabling parents and education providers to put forward proposals as to how these needs might best be met.
- 1.2 The KCP sets out the principles by which we determine proposals, and it forecasts the need for future provision. It also sets out in more detail, plans to meet the commissioning needs which arise in each district and borough in Kent during the next five years.
- 1.3 This updated KCP is a 'live' document which underpins our on-going dialogue and consultation with schools, district and borough councils, diocesan authorities, KCC Members and local communities, to ensure we meet our responsibilities.

## 2. The Demographic Context

- 2.1 Information from the Office for National Statistics shows that in 2005 there were 15,613 live births in Kent (excluding Medway). The number of births rose each year up to 2012 when there was a baby boom of 18,147 children. Since this time, birth numbers have fallen to 16,537 in 2019. KCC will continue to monitor this data and forecast its impact over time.
- 2.2 As we have forecast for a number of years the increased number of births until 2012, which required us to add significant primary school places, this now being felt in the secondary sector. Between the 2020-21 and 2025-26 academic years we forecast secondary school rolls will rise by a further 6,600 pupils. This is equivalent to over 7 new 6FE secondary schools. Primary rolls are forecast to fall during the same period. Pupil numbers are also influenced by migration and KCC will monitor the influence of both Brexit and of Covid on future demand for school places.
- 2.3 The pressure for specialist school provision continues to grow. As of January 2021, this totalled 15,281 children and young people with an Education Health and Care Plan (EHCP). This is an increase of 1,782 since January 2020, an increase of 13.2% compared to 10% in England. In Kent, 31.1% of the children and young people with an EHCP are educated in mainstream schools (including Specialist Resourced Provisions), whilst the England figure is 39.9%; 41.8% of children and young people with EHCPs are educated in a special school placement compared to 35.8% nationally.

## 3. Our Commissioning Intentions

3.1 The KCP 2022-26 identifies the need for additional permanent and temporary mainstream school and specialist places each year as follows. Additional provision will be secured through a combination of expanding existing schools and opening new ones.

**Primary School Commissioning Intentions:** 

| by 2022-23                      | by 2023-24 | by 2024-25 | by 2025-26 | Between 2026-29 | Post 2030 |
|---------------------------------|------------|------------|------------|-----------------|-----------|
| 0FE<br>30 Year R<br>temp places | 1.5FE      | 6.8FE      | 5FE        | 20.8FE          | 5FE       |

Total of 39.1FE across the Plan period and up to 30 temporary Year R places

**Secondary School Commissioning Intentions** 

| by 2022-23                       | by 2023-24                          | by 2024-25                      | by 2025-26                      | Between 2026-29 | Post 2030 |

A total of 778 permanent places across the Plan period

# 4. Financial Implications

- 4.1 The Local Authority as Strategic Commissioner of Education Provision has a key role in securing funding to provide sufficient education provision in the County, particularly in schools.
- 4.2 The pressure on the County's Capital Budget continues, particularly as demand for secondary places and for specialist places grows. The cost of delivering school places is currently met from Basic Need grant from the Government, prudential borrowing by the County Council, Section 106 property developer contributions and the Community Infrastructure Levy (CIL). Government funding for 'Basic Need' is allocated on a formula based upon information provided by local authorities concerning forecast numbers of pupils and school capacity.
- 4.3 Basic need funding is allocated by Government on the basis of a comparison of school capacity (not pupil admission numbers) against forecast mainstream pupil numbers from reception year to year 11 uplifted to provide a 2 per cent operating margin. Where capacity is lower than forecasts, the DfE provides funding towards the gap. The allocations for financial year 2022-23 are based upon the projected need for new places by September 2023; Kent received just £20.18m, this would barely fund the construction of just one 6FE secondary school. The 'lumpy' nature of establishing new school provision means that the County Council incurs the majority of the capital costs at the outset of mitigating a forecast place deficit, e.g. expanding a school by a whole FE; whereas the Basic Need formula does not account for this and provides the Council with funding for places in an incremental way over a longer period of time.
- 4.3 The Department for Education's (DfE) Free Schools Programme is another way to deliver some of the school provision Kent needs. We have encouraged promoters to submit bids to Waves 13 and 14, with some success, but this programme is not a significant contributor to places overall and does have financial risks.

#### 5 Legal implications

5.1 Each project identified in the KCP will be subject to a separate consultation and decision-making process. The legal implications of each proposal will be identified at that time.

### 6. Equalities implications

6.1 The equality impact assessment considers whether the commissioning principles and guidelines contained within the KCP may have an impact (either positive or negative) on any protected groups and if so what action, if any, should be taken to mitigate the negative impacts. Separate, more detailed equalities impact assessments will be completed as individual project consultations come forward to consider the impacts on any protected group arising from that individual education proposal.

#### 7. Conclusion

7.1. The commissioning intentions outlined in the KCP are planned to ensure there are sufficient schools places, in the right locations and at the right time in order to fulfil our legal responsibility to offer an appropriate school place to all who require one. At the same time, we are committed to reducing the budget shortfall, but without compromising on the high-quality provision our children and young people deserve.

# 8 Recommendation(s):

8.1 The Cabinet Committee is asked to consider and endorse, or make recommendations to, the Cabinet Member for Education and Skills on the Commissioning Plan for Education Provision in Kent 2022-26, prior to the final version being considered and approved by Cabinet on 10 January 2022.
