### Aims and Objectives

We are commissioning a new contract to provide road asset renewal and reconstruction services to KCC, to replace current contractual arrangements that expire at the end of 2024. The future contract will cover the whole county and is a key part of our overall approach to road maintenance (as set out in KCC's Highways Asset Management Plan for 2021/22-2025/26, which has its own EqIA), and enables us to fulfill our legal duties under the Highways Act 1980. Effective road maintenance benefits all members of society including those with protected characteristics.

### Section B – Evidence

**Do you have data related to the protected groups of the people impacted by this activity?**

Yes

**It is possible to get the data in a timely and cost effective way?**

No

**Is there national evidence/data that you can use?**

No

**Have you consulted with stakeholders?**

Not Applicable

**Who have you involved, consulted and engaged with?**

The new contract we are seeking to commission replaces the current one, and does not seek to change our

approach significantly. The new contract will benefit all members of society by providing well maintained roads to enable the transportation of people and goods across and through the county.
