#### **Aims and Objectives**

To provide sufficient school places; Kent County Council (KCC), as the Local Authority (LA), has a statutory duty to ensure sufficient school places are available. The County Council's Commissioning Plan for Education Provision in Kent 2024-28 (KCP) is a five-year rolling plan which is updated annually. It sets out our future plans as Strategic Commissioner of Education Provision across all types and phases of education in Kent.

The Commissioning Plan highlights the SEN place pressure that Kent has experienced, with the number of Education Health and Care Plans (EHCPs) having increased significantly in recent years. The demand for special school provision for children with Profound Severe and Complex needs within Tonbridge and the wider West Kent area has increased commensurately, and in recent years KCC has commissioned additional places at Nexus. Since the academic year 2021/22 Nexus has temporarily increased its intake to 16 on its main campus and to 6 for the Woudham satellite to meet the commissioned demand. The demand for places at Nexus is set to remain for the foreseeable future and therefore the proposed scheme provides the physical capacity to continue to admit the increased intakes on a permanent basis.
